PLAN NUMBER 001

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor of the
CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CH HOLDINGS, INC. 401(k) SALARY AND PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

(1) Plan Description

The following description of CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General Information

The Plan, which was established January 1, 1995 and subsequently amended, is a defined contribution and 401(k) plan covering substantially all employees of CH Holdings USA, Inc. (the “Company”), and its wholly-owned subsidiaries, Cupples Products, Inc. (“Cupples”), Cupples International, Inc. (“International”), Enclos Corp. (“Enclos”), and Environmental Interiors, Inc. (“EII”), who are not covered by a collective bargaining agreement, who are not leased employees, who are not nonresident aliens, and who meet the eligibility provisions of the plan. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

All participants may make contributions of their annual compensation under a salary deferral agreement as a pre-tax deferral or a Roth deferral. Each year, participants may generally contribute up to 60% of their eligible compensation subject to the maximum deferrals allowed by law. Certain participants may be allowed to contribute more than 60% of their eligible compensation pursuant to the plan document. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company will make safe harbor contributions defined as 100% of the first 3% of base compensation plus 50% of the next 2% of base compensation that a participant contributes to the Plan. Participants may elect to defer an amount up to 100% of any cash bonus paid on a uniform and non-discretionary basis by the plan sponsor. Additional profit sharing amounts and certain other employer match contributions may be contributed at the option of the Company’s Board of Directors. Contributions are subject to certain limitations. Participants direct the investment of the contributions into various investment options offered by the Plan.

Eligible Participants

Employees are eligible to participate in the Plan if they have completed three months of service and are at least 21 years of age.

Participant Accounts

Each participant’s account is credited with (a) the participant’s contributions, (b) the Company’s contributions, and (c) Plan earnings and appreciation. Each participant’s account is charged with (a) any withdrawals or distributions, (b) Plan losses and depreciation, and (c) an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTES TO THE FINANCIAL STATEMENTS

(1) Plan Description (Continued)

Vesting

Participants are immediately vested in their elective deferrals and rollover and transfer contributions, plus or minus actual earnings or losses thereon.

For employer safe harbor match contributions to the Plan, participants are fully vested at the time of the contribution. For certain other employer match contributions, participants are fully vested after three years of service. For employer discretionary profit sharing contributions to the Plan, participants will vest as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
One	0 %
Two	20 %
Three	40 %
Four	60 %
Five or more	100 %

Participants are also fully vested in employer contributions upon the attainment of age 65, retirement due to disability, death, or the termination of the Plan.

Participants are considered to have completed one year of service upon the completion of 1,000 hours of service at any time during the employment year. If a participant terminates service and is later re-employed, the participant may immediately re-enter the Plan and all years of prior service will be counted when calculating the participant's vesting percentage.

Forfeited Plan Assets

If a participant forfeits any unvested balances in his/her account, the forfeited assets are used to reduce future employer contributions. Forfeitures used to reduce employer contributions for the years ended December 31, 2021 and 2020 were \$23,354 and \$27,846, respectively.

Notes Receivable from Participants

Subject to provisions under the Plan, participants may borrow from the Plan an amount which does not exceed the lesser of \$50,000 or 50% of the present value of the participant's vested benefit under the Plan. Notes receivable, which are secured by the balance in the participant's account, bear interest at a rate established by the plan administrator and have terms which range from 12 to 60 months, unless the loan was made for the participant to acquire his/her principal residence. In this case, the term is for a period that ranges from 12 to 360 months. Principal and interest are paid ratably through payroll deductions.

Retirement and Terminations

In the case of normal retirement (defined as age 65), retirement due to permanent disability, death, or termination of an employee, participants or their designated beneficiaries will receive the value of their vested benefits, in accordance with the provisions of the Plan, either in a lump-sum distribution or in installments payable over a period which does not exceed the joint life expectancy of the participant and his/her beneficiary.

NOTES TO THE FINANCIAL STATEMENTS

(1) Plan Description (Continued)

In-Service Distributions

The Plan allows for in-service distributions upon the attainment of age 59 1/2 or permanent disability and only from funds in which the participant is 100% vested.

Hardship Withdrawals

The Plan allows for hardship withdrawals, as defined in the Plan, that are limited to the amount needed to meet the financial need. These withdrawals may not be recontributed to the Plan and may be subject to income tax and penalties.

Administration

Fidelity Management Trust Company ("FMTC") is the Plan's trustee and custodian. All assets of the Plan are held and managed by FMTC.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). The fair value of the Plan's other financial instruments approximate their carrying amounts, either because the expected collection or payment period is relatively short or because the terms are similar to market trends. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO THE FINANCIAL STATEMENTS

(2) Summary of Significant Accounting Policies (Continued)

Investment Risk

Participants in the Plan assume all adverse investment risk connected with any decrease in value of plan assets, and such assets are the sole source of payments under the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

It is the policy of the Plan that certain administrative expenses pertaining to the Plan be paid by the Company.

Subsequent Events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through the date of the independent auditor's report, which is the date the financial statements were available to be issued.

(3) Transactions with Parties-In-Interest

The Plan is administered by the Company. Employees of the Company serve as the Plan's administrators and participate in the Plan. The Company pays the administrative expenses related to the Plan, except for the annual investment charge that each fund charged to its participants in 2021 and 2020. All investment funds are managed by FMTC.

NOTES TO THE FINANCIAL STATEMENTS

(4) Fair Value Measurements

Under the Fair Value Measurements and Disclosures topic of the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”), a guideline is provided for measuring fair value under generally accepted accounting principles. The topic establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs include quoted prices in active markets for similar assets, quoted prices in inactive markets for similar assets, or inputs that are observable or can be corroborated by observable market data or other means for substantially the full term of the asset; and Level 3 inputs have the lowest priority and are based on prices or valuation techniques that are unobservable and not corroborated by market data. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when an active market comparable is not available and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Level 1 Fair Value Measurements

The fair value of the money market fund is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of registered investment companies are based on quoted market prices.

The Plan’s investments are reported at fair value in the accompanying statements of net assets available for benefits as follows:

		Fair Value Measurements Using:		
		Quoted Prices In Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3

<i>December 31, 2021</i>

CH HOLDINGS, INC. 401(k) SALARY AND PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

(5) Common/Collective Trusts

The Plan enters into fully benefit-responsive common/collective trust contracts with FMTC. FMTC maintains the contributions in the general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by FMTC, which was \$7,662,345 and \$6,118,498 at December 31, 2021 and 2020, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The common/collective trust contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Certain events limit the Plan's ability to transact at contract value with FMTC. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan; or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable of occurring.

The common/collective trust contracts do not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(6) Certification

The Plan administrator has elected the method of compliance permitted by ERISA Section 103(a)(3)(C). As permitted under such election, the Plan administrator has obtained certification from FMTC that the investment and loan balances and their related income as reported in the accompanying financial statements are complete and accurate.

(7) Plan Termination Policies

Although it has not expressed intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions set forth in ERISA. In the event of termination of the Plan, the right of all participants to benefits would become 100% vested and nonforfeitable. The amount of the account balance due each participant would be distributed in accordance with the payment provisions of the Plan.

Net assets available for benefits per Schedule H of Form 5500	<u>\$ 88,164,458</u>	<u>\$ 75,480,783</u>

The following is a reconciliation of net appreciation in fair value of investments per the financial statements to Schedule H of Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net appreciation in fair value of investments per the financial statements	\$ 7,173,995	\$ 6,848,739
Adjustment from contract value to fair value for fully benefit-responsive investment contract	<u>(142,576)</u>	<u>163,130</u>
Net appreciation in fair value of investments per Schedule H of Form 5500	<u>\$ 7,031,419</u>	<u>\$ 7,011,869</u>

(9) Internal Revenue Service Status

The Internal Revenue Service has determined and informed the plan administrator by a letter dated June 30, 2020, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). The Plan was amended subsequent to this date; however, the plan administrator and management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

The Plan accounts for any uncertain tax positions in accordance with the Income Taxes topic of the FASB ASC. The topic prescribes a recognition threshold and measurement process for financial statement recognition of uncertain tax positions taken or expected to be taken in an annual return/report of an employee benefit plan. In evaluating the Plan’s tax position, interpretations and tax planning strategies are considered. The Plan believes its tax exempt status is appropriate based on current facts and circumstances.

NOTES TO THE FINANCIAL STATEMENTS

(10) Risks and Uncertainties

The Plan invests in various securities. The underlying investments may include corporate debt instruments and corporate stocks. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

To the Plan Administrator
CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of CH Holdings, Inc. 401(k) Salary and Profit Sharing Plan ("the Plan") as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements of information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses and, therefore, material weaknesses may exist that were not identified. However, as discussed below, we identified a deficiency in internal control that we consider to be a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. A reasonable possibility exists when the likelihood of an event occurring is either reasonably possible or probable as defined as follows:

- *Reasonably possible:* The chance of the future event or events occurring is more than remote but less than likely.
- *Probable:* The future event or events are likely to occur.

We consider the following deficiency in the Plan's internal control to be a material weakness:

Preparation of Financial Statements

As is common in the administration of many benefit plans, the plan administrator relies on the audit firm to draft the financial statements and identify and disclose all accounting principles in the footnotes. While we can assist with the preparation of the Plan's financial statements, a control deficiency exists in instances where the plan administrator is not capable of drafting the financial statements and all required disclosures in

accordance with generally accepted accounting principles. Based upon the extent of our involvement in this process, we consider this to be a material weakness. While this is a desirable control, we understand that the cost of additional training or additional personnel may not be justified to correct this control deficiency.

This communication is intended solely for the information and use of management, the plan administrator, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.
