Independent Auditor's Report

To the Plan Administrator
Ready Foods, Inc. Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Ready Foods, Inc. Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Certified Public Accountants

Independent Auditor's Report

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental Form 5500 Schedule H, Line 4i - Schedule of Assets (Held at End of Year) and Form 5500 Schedule H, Line 4a - Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Ready Foods, Inc. Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting Disclosure under ERISA.

Ready Foods, Inc. Employee Savings Plan

Notes to the Financial Statements

Note 1 - Plan Description

The following description of Ready Foods, Inc. Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering all eligible employees of Ready Foods, Inc. (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Company is the plan administrator and is responsible for oversight of the Plan. Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (collectively "Principal") serve as the custodian and provide third party administration services. Management of the Company determines the appropriateness of the Plan's investment offerings and monitors investment performance utilizing information provided by the custodian of the Plan.

Eligibility

The Plan covers all employees who are 21 years of age and older and have completed one year of service (defined as 1,000 hours of service within a Plan year). Plan entry dates are first day of each calendar quarter.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined by the Plan. Deferral contributions shall not exceed certain limits set forth by the Internal Revenue Service ("IRS") (\$19,500 for 2021). Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions (up to \$6,500 for 2021). Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Company makes qualified nonelective safe harbor contributions equal to 3% of participant compensation for the plan year and may also make discretionary matching contributions. For the year ended December 31, 2021, the Company made matching contributions equal to 50% of the participant contributions up to 2% of participant compensation.

The Plan has adopted auto-enrollment and deferral escalation provisions. Employees are automatically enrolled in the Plan upon meeting eligibility requirements at a rate of 6% unless the participant elects out of participating in the Plan. The deferral rate is automatically escalates 1% each year until the participant's contribution is 10%. Effective August 1, 2021, the Plan was amended to modify the effective date of the annual deferral escalation (step up) provisions from March 1 to April 1, annually.

Ready Foods, Inc. Employee Savings Plan

Notes to the Financial Statements

Note 1 - Plan Description (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's qualified nonelective safe harbor contribution, discretionary matching contribution, and Plan earnings (losses) and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to any of the investment options available under the Plan.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers pooled separate accounts, mutual funds, a collective trust fund and a guaranteed investment contract. Participants may change their investment options at any time.

Vesting

Participants are always 100% vested in their contributions, Company qualified nonelective and matching contributions, and earnings thereon.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or other reasons a participant will receive a lump-sum amount equal to the value of the participant's account. The Plan also allows for in-service distributions upon attaining the age 59 1/2. Hardship withdrawals are not permitted. Benefits will be paid as soon as administratively feasible following the date on which a distribution is requested or otherwise payable.

Note 2 - Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Ready Foods, Inc. Employee Savings Plan

Notes to the Financial Statements

Note 2 - Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are also included in administrative expenses.

Subsequent Events

Subsequent events have been evaluated through July 29, 2022, which is the date the financial statements were available to be issued. Plan management has not identified any material subsequent events that require reporting or disclosure, except as discussed in Note 7.

Note 3 - Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 inputs for the periods presented.

Ready Foods, Inc. Employee Savings Plan

Notes to the Financial Statements

Note 3 - Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: Pooled separate accounts are invested primarily in mutual funds and are valued at the daily closing price as reported by the fund and have Level 1 inputs and are considered to be actively traded.

Guaranteed Investment Contract: The guaranteed investment contract is valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Stable Value Fund: The stable value fund is a collective investment trust for which the value is based on the market value of its underlying investments. Because it is valued similar to mutual funds, the collective investment trust is considered a Level 1 asset.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 16,087,126	\$ -	\$ -	\$ 16,087,126
Stable value fund	1,273,510	-	-	1,273,510

Note 3 - Fair Value Measurements (continued)

<i>December 31, 2020</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,961,495	\$ -	\$ -	\$ 14,961,495

Guaranteed investment contract	-	-	50,575	50,575
	\$ 16,788,691	\$ -	\$ 50,575	\$ 16,839,266

There were no transfers in and/or out of Level 3 for financial instruments measured at fair value on a recurring basis for the years ended December 31, 2021 and 2020. For the years ended December 31, 2021 and 2020 purchases and issues of Level 3 assets were \$0 for each year.

Qualitative Information About Significant Unobservable Inputs Used in Level 3 Fair Value Measurements

The following table represents the Plan's Level 3 financial instruments and the significant unobservable inputs and the ranges of values for those inputs as of December 31, 2021 and 2020:

<i>December 31, 2021</i>	Fair Value	Significant Unobservable Inputs	Rates or Range of Rates
		Composite Guaranteed	
Guaranteed investment contract	\$ 20,944	Rate	1.19% - 1.21%

Ready Foods, Inc. Employee Savings Plan

Notes to the Financial Statements

Note 4 - Information Prepared and Certified by the Custodian

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal, the custodian of the Plan, has certified that the following unaudited data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- Interest and dividend income, interest on the guaranteed investment contract, and net appreciation in fair value of investments as shown in the Statement of Changes in Net Assets Available for Benefits.
- The schedule of assets held at end of year included as supplemental information.

This information has not been audited by the Plan's independent auditors.

Note 5 - Party in Interest Transactions

Principal and certain affiliates are the custodian and recordkeeper, prepare the Form 5500 and compliance testing. Additionally, certain plan investments are managed by Principal Life Insurance Company. Pensionmark provides fiduciary advisory services, therefore transactions with these companies qualify as party-in-interest transactions. For the year ended December 31, 2021, the Plan made direct payments totaling \$70,106 to these service providers, which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 7 - Tax Status

The Plan utilizes a volume-submitter plan, which obtained a favorable determination letter from the IRS dated March 14, 2014, stating that the volume-submitter plan is qualified under the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore believes that the Plan is qualified, and the related trust is tax-exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Ready Foods, Inc. Employee Savings Plan

Notes to the Financial Statements

Note 7 - Tax Status (continued)

Effective February 17, 2022, the Plan was amended and restated as required by the IRS to be performed every six years to incorporate changes in laws and regulations that have taken effect to ensure the continued tax-qualified status of the Plan. The restated volume-submitter plan obtained a favorable determination letter from the IRS dated June 30, 2020, stating that the volume-submitter plan is qualified under the applicable sections of the IRC.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in-progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
