INDEPENDENT AUDITOR’S REPORT

To the Administrative Committee of
the Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan
Hingham, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by 6 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Member: American Institute of CPA’s | Massachusetts Society of CPA’s

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500 – Schedule H, Line 4(i) – Schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAGAMORE PLUMBING & HEATING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 1 – Description of Plan

The following description of Sagamore Plumbing & Heating, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

General – The Plan was initially adopted as a defined contribution plan sponsored by Sagamore Plumbing & Heating, Inc. (the “Company” or “Plan Sponsor”), effective January 1, 1996. An amendment was made effective September 1, 1998 adopting a new 401(k) defined contribution plan and replacing the prior plan. It includes a Cash or Deferred Arrangement (“CODA”) as described in Section 401(k) of the Internal Revenue Code (“IRC”). The Plan is subject to the provisions of the Employee Retirement Income Security Act (“ERISA”) of 1974.

Effective March 4, 2016, the Plan was amended for purposes of requirements to receive nonelective employer contributions and any participant with prevailing wage is 100% vested. Effective May 12, 2016, the Plan was amended to exclude part-time, intern, and co-op employees from the Plan. Participants already in the Plan were excluded from the amendment.

Eligibility – All employees of the Company are eligible to participate in the Plan and receive Company match and profit sharing contributions after attaining age 21 and completion of three months service. Eligible employees are enrolled into the Plan on the first day of the month after the eligibility requirements are met. For the year ended December 31, 2021, all eligible employees were automatically enrolled in the Plan contributing 4% of base compensation. Employees are not automatically enrolled under these terms if they select a different deferral percentage or sign a waiver before they meet the eligibility requirements.

Employee Contributions – Contributions to the Plan are made by both the Company and participants. Participants may elect to defer up to 90% of their compensation, as defined in the Plan, subject to Internal Revenue Service (“IRS”) limitations. Participants may also elect to make Roth deferrals. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts, stable value funds, and various mutual funds as investment options for participants.

Effective May 1, 2019, participants are subject to an automatic increase of their elected deferrals on an annual basis. The annual increase is set to be 1%, not to exceed 3% maximum or not to exceed 8% if the deferral is a Roth.

Note 1 – Description of Plan – Continued

Employer Contributions – The Company contributes to the Plan on behalf of its covered employees in an amount equal to 50% of a participant's elective contributions, not to exceed 2% of compensation. The Company may also make matching contributions in such amounts as it may determine at its sole discretion. For the year ended December 31, 2021, the Company made contributions in an amount equal to 50% of a participant's elective contributions, not exceeding 2% of compensation. Employer contributions are subject to certain limitations.

The Company makes prevailing wage contributions for work performed under prevailing wage contracts. These contributions to the Plan by the Company on behalf of the participant are based on the wage rate and job classification of the participant and will not exceed the amount pursuant to the limits under the IRC.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and, (b) plan earnings or losses, and (c) charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings, deferrals, or account balances, as defined. Forfeited balances of terminated participants' nonvested accounts are used to pay for plan expenses or to reduce future Company contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions and prevailing wage, plus actual earnings thereon. Vesting in the Company's contribution portion of their account, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after six years of credited service in their portion of the basic matching contribution and the optional profit sharing contribution in accordance with the following schedule:

Vesting in the Company's matching contributions and related earnings vest according to the following schedule:

Less than two years	0%
At least two years but less than three years	20%
At least three years but less than four years	40%
At least four years but less than five years	60%
At least five years but less than six years	80%
Six years or more	100%

SAGAMORE PLUMBING & HEATING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS– CONTINUED

December 31, 2021

Note 1 – Description of Plan – Continued

Vesting in the Company’s profit sharing contributions and related earnings vest according to the following schedule:

Less than one year	0%
At least one year but less than two years	33%
At least two years but less than three years	66%
Three years or more	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Interest rates on the notes are commensurate with prime plus 1%. The loans are secured by the balance in the participant’s account. Principal and interest are paid ratably through payroll deductions. Participants are allowed to have one outstanding note at any given time.

Payment of Benefits – Benefits under the Plan are distributed to participants upon retirement, death, disability or termination, in a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or to receive a number of equal annual installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

The Plan allows in-service withdrawals upon attainment of age 59 ½. A participant may also request for hardship withdrawals from a participant’s elective deferral account. Participants must exhaust all other options before financial hardship withdrawals are allowed. Deferral contributions are suspended for a six-month period after receiving a hardship withdrawal.

Forfeited Accounts – Forfeitures of the non-vested portion of withdrawing employees’ accounts are used to reduce future employer matching contributions and pay plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$152,238 and \$110,501, respectively.

Note 2 – Summary of Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

SAGAMORE PLUMBING & HEATING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS– CONTINUED

December 31, 2021

Note 2 – Summary of Accounting Policies – Continued

Investment Valuation and Income Recognition – Investments are reported at fair value except for guaranteed investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Investment Committee determines the Plan’s valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowances for credit losses have been recorded as of December 31, 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits – Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant’s account.

Recently Adopted Accounting Pronouncements – In May 2015, the FASB issued ASU 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its equivalent) (ASU-2015-07). ASU 2015-07 removes the requirement to include investments in the fair value hierarchy for which fair value is measured using the net asset value (“NAV”) per share practical expedient under ASC 820. ASU 2015-07 is effective for fiscal year-ends beginning after December 15, 2016, with early adoption permitted. The amendment should be applied retrospectively to all periods presented. Management has elected to adopt this guidance and the Plan’s disclosures in Note 4 are presented accordingly. Other than the changes to disclosures, the adoption of this standard did not have a material effect on the financial statements.

Subsequent Events – Subsequent events were evaluated through July 15, 2022, which is the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS– CONTINUED

December 31, 2021

Note 3 – Certified Investments

Fidelity Management Trust Company (“FMTC”) certified certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021, and net depreciation in fair value of investments, interest and dividend income, and interest income on participant notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by FMTC, the Trustee.

The Plan’s independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

The asset or liability’s fair value measurement value, within the fair value hierarchy, is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used to assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed actively traded.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

SAGAMORE PLUMBING & HEATING, INC. 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS– CONTINUED

December 31, 2021

Note 5 – Guaranteed Investment Contract

The Plan's guaranteed investment contract is a fully benefit-responsive investment contract with FMTC. FMTC maintains the contributions in a separate account used solely to satisfy the claims of the contract holder. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract value of the guaranteed investment contract at December 31, 2021 and 2020, was \$551,404 and \$762,223, respectively.

The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value as reported to the Plan by FMTC. Contract value, as reported to the Plan by FMTC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed-upon formula with the issuer, but could not be less than 1% at December 31, 2021 and 2020.

Certain events limit the ability of the Plan to transact at contract value with FMTC. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other events (for example, divestitures, or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact contract value with the plan participants have a probability of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the schedule maturity date.

Note 6 – Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by FMTC. FMTC is also the record keeper for the Plan, and therefore, these transactions qualify as party-in-interest transactions. Investment expenses paid by the plan are included in net appreciation or depreciation in fair value of investments. Notes receivable and contributions receivable from participants also qualify as party-in-interest transactions.

NOTES TO FINANCIAL STATEMENTS– CONTINUED

December 31, 2021

Note 6 – Related-Party Transactions and Party-in-Interest Transactions – Continued

The Plan made direct payments of \$1,356 to FMTC for administrative expenses not covered by revenue sharing for the year ended December 31, 2021. The Company pays, directly, any other fees related to the Plan's operations. During the year ended December 31, 2021, respectively, the Company paid plan expenses, which are excluded from these financial statements.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 8 – Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated March 31, 2014, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan was amended since the date of the original determination letter. The IRS informed the Company by a letter dated June 30, 2020, that the plan as amended is designed in accordance with applicable sections of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
