Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of H.R. Options, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of H.R. Options, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of H.R. Options, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about H.R. Options, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of H.R. Options, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about H.R. Options, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of the Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of H.R. Options, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. Description of the Plan

The following description of the H.R. Options, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees who meet the Plan's eligibility and service requirements. An employee is eligible for deferrals and matching contributions on the employee's date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Union employees and non-legal U.S. residents are excluded from participation in the Plan unless such agreement expressly provides for participation in the Plan.

Administration

The sponsor of the Plan is H.R. Options, Inc. (the Company). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees. Great-West Trust Company, LLC, is the custodian and trustee of the Plan's participant directed investments. Empower Retirement, a subsidiary of the trustee and custodian, provides record-keeping services to the Plan.

Contributions

Eligible participants may contribute up to 90% of eligible compensation, as defined by the Plan, up to the maximum allowed by law. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

In addition to pre-tax elective deferrals, the Plan also allows for Roth deferrals as after tax contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participants direct the investment of their contributions into the various investment options offered by the Plan. The Plan currently offers various mutual funds, a collective trust fund and a guaranteed investment contract as options for participants. Prior to allocation, forfeitures are invested in a guaranteed interest fund.

The Company contributions are discretionary. The discretionary matching contribution equals a uniform percentage or dollar amount of the employee's elective deferral each payroll period. Each year, the employer will determine the formula of the discretionary matching contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, employment status, or specific participant transactions, as defined. Investment income allocations are based on participant account balances on a daily valuation basis. Allocation among the available funds is at the participant's discretion. Participants may change their investment options at any time. The benefit to which a participant is entitled is limited to the amount of the participant's account balance.

Vesting

Participants are vested immediately in their contribution and earnings thereon. Participants are also immediately vested in employer's discretionary matching contribution and earnings thereon.

Payment of Benefits

Participant contributions can be distributed prior to termination or retirement age for hardship claims, death, or disability as defined in the Plan agreement. On termination of service for account balances less than \$5,000, a lump-sum distribution may be made at the employer's discretion. For account balances greater than \$5,000, the participant may elect to receive either a lump-sum distribution of the vested balance or substantially equal installments. The normal retirement age under the Plan is 65 years of age. Participants can take an in-service lump sum distribution of up to 100% of their vested interest at age 59 1/2. The Plan allows for early retirement at 55 years of age.

Subsequent Events

The Plan has evaluated all events subsequent to the statements of net assets available for benefits date of December 31, 2021 through July 6, 2022, which represents the date these financial statements are available to be issued. There were no material events or transactions occurring during this subsequent event reporting period which require recognition or disclosure in these financial statements

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Fees related to administration of specific transactions such as distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Recently Adopted Accounting Standard

As of January 1, 2021, the Plan adopted AICPA Statement on Auditing Standards No. 136, *Forming and Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, as amended. Codified in new AU-C section 703 of the AICPA Professional Standards, SAS No. 136 prescribes certain new performance requirements for ERISA plan financial statement audits and changes the form and content of the related auditor's report to improve audit quality and enhance the communicative value and transparency of the auditor's report. SAS No. 136 is effective for audits of ERISA plan financial statements for periods ending on or after December 15, 2021.

3. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC 820) are as described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the respective fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Guaranteed Investment Contract

Value based on its beginning daily balance and its credited rate communicated to the Plan and credited daily. Any market value adjustment or surrender charge will be based on the formulas and schedules in the contract.

Collective Trust Funds (CIT)

CIT's are valued daily as communicated through the sponsor's website and have daily liquidity; CIT's can have multiple share classes.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

H.R. OPTIONS, INC. 401(k) PLAN
Notes to the Financial Statements
Years Ended December 31, 2021 and 2020

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Guaranteed interest fund	\$ 2,776	\$ -	\$ -	\$ 2,776
Mutual funds	<u>8,067,890</u>			<u>8,067,890</u>
Total assets in the fair value hierarchy	8,070,666	-	-	8,070,666
Investments measured at net asset value (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>230,377</u>
Total investment at fair value	<u>\$ 8,070,666</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,301,043</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Guaranteed interest fund	\$ 4,989	\$ -	\$ -	\$ 4,989
Mutual funds	<u>7,802,237</u>			<u>7,802,237</u>
Total assets in the fair value hierarchy	7,807,226	-	-	7,807,226
Investments measured at net asset value (a)	<u>-</u>	<u>-</u>	<u>-</u>	<u>192,595</u>
Total investment at fair value	<u>\$ 7,807,226</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,999,821</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

4. Benefit-Responsive Investment Contract

The Plan invests in Wells Fargo Stable Value Fund, a fully benefit-responsive contract with Wells Fargo Bank, N.A. (WFB). WFB maintains the contributions in a general account. The value of this investment is based on the underlying unit value and approximates fair value and represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses.

As of December 31, 2021 and 2020, balances in the Wells Fargo Stable Value Fund were \$226,621 and \$192,595, respectively. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The guaranteed investment contract does not permit issuers or the Fund to terminate the agreement prior to the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

5. Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Great-West Trust Company, the custodian and trustee as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$11,842 for the year ended December 31, 2021.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants have a 100% non-forfeitable interest in their accounts, including Company contributions.

7. Information Certified by Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC has certified as to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

8. Income Tax Status

The IRS has advised the Plan Sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been restated since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for Plan benefits.

10. Excess Contributions

Excess contributions result from plans failing to satisfy the Actual Deferral Percentage (ADP) and/or Actual Contributions Percentage (ACP) tests and should be distributed to the applicable highly compensated employees (HCE) by March 15, 2022. If refunds are made after this deadline, the Company will be required to pay an excise tax to the IRS totaling 10% of the total excess amount. All ADP and/or ACP corrections must be made prior to December 31, 2022, to avoid further corrective actions. For the Plan year ended December 31, 2021, excess contributions refundable amounted to \$7,345.

11. Amounts Allocated to Participants who have Withdrawn or Terminated Employment

At December 31, 2021, there were 51 participants with account balances totaling \$2,443,184 who had withdrawn or terminated employment but had not yet received a distribution of their vested account balances.

12. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 8,293,698	\$ 7,994,832
Corrective distributions	<u>7,345</u>	<u>4,989</u>
Net assets per the Form 5500	<u><u>\$ 8,301,043</u></u>	<u><u>\$ 7,999,821</u></u>

H.R. OPTIONS, INC. 401(k) PLAN
Notes to the Financial Statements
Years Ended December 31, 2021 and 2020

The following is a reconciliation of the change in net assets available for benefit per the financial statements to the Form 5500 for the year ended December 31, 2021:

Net increase in net assets per financial statements	\$ 298,866
Net change in corrective distributions payable	<u>2,356</u>
Net income per Form 5500	<u><u>\$ 301,222</u></u>
