Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Horace Mann 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Horace Mann 401(k) Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Horace Mann 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Horace Mann 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Horace Mann 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Horace Mann 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Horace Mann 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Horace Mann 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Horace Mann 401(k) Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Horace Mann 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Horace Mann 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Horace Mann 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Horace Mann 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Horace Mann 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

(1) General Plan Information

(a) Description of the Plan

The Horace Mann 401(k) Plan (the Plan) is sponsored by Horace Mann Service Corporation (HMSC) which is a wholly owned subsidiary of Horace Mann Educators Corporation (HMEC). HMSC is also the Plan Administrator. HMSC and HMEC are collectively referred to as the Company. The following brief description of the Plan is provided for general information purposes. Participants should refer to the actual Plan document or the employee summary plan description for additional information.

The Plan is a defined-contribution 401(k) plan covering all employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan document was amended and restated effective January 1, 2020 to add annual Company match true-up contributions to the Plan. Participants receive a “true-up” contribution following the end of each plan year as necessary to ensure that each participant’s employer contribution account has been allocated matching contributions for the Plan year in the amount provided for in Section 4.1(e) of the Plan document, regardless of whether the participant is still employed with the Company on the last day of a Plan year. The true-up is based on a participant’s annual compensation and total employee contributions and is credited by the end of the first calendar quarter following the end of a Plan year. During the first calendar quarters of 2022 and 2021 respectively, the Company contributed \$293,323 and \$245,121 of match true-ups related to 2021 and 2020 plan years.

Effective April 1, 2020, HMEC Common Stock was frozen for future contributions and inter-fund transfer, but existing amounts invested in HMEC Common Stock as of March 31, 2020 could remain invested.

Effective June 1, 2021, the Plan was amended with respect to cash dividends received by the Trustee for record dates after June 1, 2021. Dividends allocated to HMEC Company Stock are no longer invested in HMEC common stock.

The Company’s employees become eligible to participate in the Plan upon their date of hire.

(b) Contributions and Vesting

The Company provides an employer non-elective (safe harbor) contribution on behalf of all eligible participants. The contribution is equal to 3% of participants’ eligible compensation for the Plan year. The Plan may be amended to reduce or suspend the non-elective safe harbor contribution, with at least a 30 day notice of the reduction or suspension to all eligible participants. The Company matches, on a dollar-for-dollar basis, the first 5% of eligible compensation that participants contribute as employee pre-tax contributions, in addition to the automatic 3% safe harbor contribution. Participants can make Roth after-tax contributions to the Plan in addition to (or in place of) pre-tax contributions. Roth contributions are not subject to tax at the time of withdrawal provided certain conditions are met.

During 2021, all new employees were subject to the Plan’s “auto-enrollment” rate provision which provided for an automatic employee deferral of 3% their eligible compensation. The auto-enrollment rate was 3% in 2021. However, new hires or other participants could elect to decrease or stop their contributions at any time by filing an election with the Plan.

Horace Mann 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Participants can voluntarily elect to defer up to 20% of their eligible earnings (subject to statutory limits). The Company may also make employer regular profit sharing contributions to the Plan. The amount of the employer regular profit sharing contributions, if any, is determined by the Company each year and allocated to all participants who satisfy the eligibility and allocation requirements of the Plan. There were no employer regular profit sharing contributions during 2021.

Employee contributions and employer non-elective (safe harbor) contributions are 100% vested immediately. Employer matching contributions and employer regular profit sharing contributions vest in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 years or more	100%

Contributions are self-directed by the participant to any or all of the Plan's investment options. If a participant does not designate an investment option, their contributions default to an appropriate Target Retirement Fund (as listed in the accompanying Supplemental Schedule) based on the participant's attained age at the time of the deferral.

The total pre-tax participant contributions were limited to \$19,500 in 2021. The limit will be subject to adjustments to reflect increases in the cost of living pursuant to Section 402(g) of the Internal Revenue Code (Code). Participating employees who reached age 50 or older during the Plan year have the opportunity to make pre-tax, catch-up contributions subject to federal limits, which were Participant Accounts and Benefits

Each participant's account is credited with the participant's contribution, the Company's contribution, an allocation of Plan investment earnings and charged with an allocation of administrative expenses. Allocations are based on account balances or specific participant transactions as defined. The benefit to which a given participant is entitled is the benefit that can be provided from that participant's vested account.

(c) Trust Agreement

All of the Plan's assets are in a Master Trust held by The Northern Trust Quantitative Advisors, Inc. (Northern Trust) as of December 31, 2021 and 2020, respectively. The Plan is the only plan in the Master Trust held by Northern Trust as of December 31, 2021 and 2020. The assets of the Plan are participant-directed investments in mutual funds, collective investment trust funds, and HMEC Common Stock as of December 31, 2021.

Horace Mann 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

(d) *Transfers, Withdrawals, and Final Distributions*

Except for HMEC Common Stock, participants may transfer all or a portion of their account balance between the various investment funds on a daily basis. Participant withdrawals and final distributions (as allowed under the Plan) are permitted on a weekly basis. An administration fee is deducted from the participant's withdrawal proceeds.

Participants are eligible for a distribution of after-tax and rollover contributions at any time. Participants are eligible for a distribution of Plan benefits upon termination of service, whether by disability, retirement, death, or leaving the Company. In the event of financial hardship, as defined in the Plan document, participants may withdraw money from their accounts while they are still employed. Account assets available for hardship withdrawals include vested elective and non-elective contributions, along with the associated earnings on all sources. Participants will still be allowed to contribute to the Plan after taking a hardship withdrawal. Participants who have attained age 59 ½ may request a distribution of all or a portion of the value of their account balance. Withdrawals by the participant before attaining age 59 ½ are subject to Internal Revenue Service (IRS) penalties.

Participants that die during a period of qualified military service (as defined in Code Section 414(u)), become fully vested and the participant's survivors are entitled to any additional benefits (other than contributions relating to the period of qualified military service, but including vested service credit for such period and ancillary life insurance or other survivor benefits) that would have been provided under the Plan had the participant resumed employment on the day preceding the participant's death and then terminated employment on account of death.

(e) *Forfeitures*

Participants' forfeited unvested accounts are used to pay Plan administrative expenses, reinstate accrued benefits, and reduce Company contributions. As of December 31, 2021 and 2020, forfeited unvested accounts available to reduce future Company contributions were \$75,868 and \$27,972, respectively. In 2021, the Company applied \$439,531 of forfeitures against Company contributions and administrative expenses.

(f) *Notes Receivable from Participants*

Participants may borrow a minimum of \$1,000 up to a maximum of 50% of their vested account balance but no more than \$50,000. The minimum term for a loan is 12 months and the maximum is 60 months (180 months for primary residence loans). Effective January 1, 2019 the Plan began allowing only one outstanding loan at any time. Participants that currently had two loans outstanding prior to January 1, 2019 can continue to make loan payments through payroll deductions on both loans until they are paid off. Both loans will need to be paid off before taking a new loan. A loan administrative fee is deducted from the participant's loan proceeds. Interest rates charged on loans ranged from 4.01% to 6.50% during December 31, 2021 and 3.67% to 9.25% during December 31, 2020. The loans are secured by the balance in the participant's account and are carried at amortized cost. Principal and interest is paid ratably through monthly payroll deductions. Participants may also make additional payments throughout the month directly to the record keeper. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Horace Mann 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

(g) Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of a Plan termination, participants become fully vested in their accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

All investments held by the Plan are required to be reported at fair value.

(b) Investment Valuation and Income Recognition

Investments are measured at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on an accrual basis. Dividend income is recognized when dividends are declared and paid.

(c) Short-term Investments

Short-term investments are comprised of money market funds. The money market funds are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

(d) Net Appreciation (Depreciation) of Investments

In the Statement of Changes in Net Assets Available for Benefits, the Plan presents the net appreciation (depreciation) in the fair value amount of its investments which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments.

(e) Plan Expenses

The Plan pays administrative expenses, consisting primarily of recordkeeping, trustee, audit, and legal fees. All investment fees have been included in the quarterly performance gains or losses reported for individual Plan funds.

Quarterly general administrative fees are charged to participant accounts with balances over \$1,000. Individual service fees associated with specific features or services offered under the Plan are charged separately to participants' accounts.

(f) Benefits Paid to Participants

Benefits paid to participants in cash are reported when paid. Common stock distributions to participants are recorded at fair value when distributed.

Horace Mann 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

(g) *Use of Estimates*

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect (1) the reported amounts of net assets available for benefits at the date of the financial statements and (2) the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

(h) *Risks and Uncertainties*

The Plan provides for investments in collective trust funds, mutual funds, and HMEC common stock. Investment securities are exposed to various risks including, but not limited to, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(i) *Subsequent Events*

The Plan has evaluated subsequent events through July 27, 2022, the date these financial statements were available to be issued.

(3) *Investments*

(a) *Collective Investment Trust Funds*

The Plan's investments in collective investment trust fund units of ownership are based on the Plan's dollar amount invested as a multiple of the collective trusts' net asset value (NAV). Investments are carried at fair value. The fair value of investments is based upon the NAVs of the underlying securities and allocated on a pro rata basis based on units in the collective investment trust fund. Management's estimate of the fair value of these investments is based on estimates provided by the Trustee. The investments of the underlying collective investment trust funds, which were valued at fair value, included stable value investment contracts, fixed income instruments, money market instruments, common stock, and depositary receipts. There are no restrictions on redemptions.

(b) *Mutual Funds*

The Plan's investments in mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds of the Plan are deemed to be actively traded. There are no restrictions on redemptions.

(c) *HMEC Common Stock*

The Plan's HMEC Common Stock as of December 31, 2021 and 2020 consisted of 33,920 units and 59,089 units, respectively, of HMEC common stock, which is traded on the New York Stock Exchange under the symbol HMN. See Note (1)(a) for further information regarding freezing future contributions to the HMEC Common Stock fund effective April 1, 2020.

(4) **Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Northern Trust. The following is a summary of such information:

Investments, at fair value	\$ 243,983,117
Notes receivable from participants	2,613,099
Net appreciation in fair value of investments	29,617,781
Interest	273
Dividends	757,919
Accrued interest and dividends	32,267

(5) **Fair Value of Financial Instruments**

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between knowledgeable, unrelated and willing market participants on the measurement date. In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs that may be used to measure fair value are:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Unadjusted observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities. Level 2 assets and liabilities include fixed maturity securities with quoted prices that are traded less frequently than exchange-traded instruments.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

When the inputs used to measure fair value fall within different levels of the hierarchy, the level within which

Horace Mann 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement in its entirety. As a result, a Level 3 fair value measurement may include inputs that are observable (Level 1 or Level 2) and unobservable (Level 3). Transfers into or out of Level 3 are reported as having occurred at the end of the reporting period in which the transfers were determined. There were no transfers into or out of Level 3 in either 2021 or 2020, respectively.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments carried at fair value in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020:

Less: amounts allocated to deemed distributed loans at December 31, 2020	<u>(32,472)</u>
Benefits paid to participants per the Form 5500	<u>\$30,557,273</u>

(7) Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated December 13, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (Code), and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt. The Plan Administrator believes the Plan is no longer subject to income tax examination for years prior to 2018.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Horace Mann 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Horace Mann 401(k) Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Horace Mann 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Horace Mann 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Horace Mann 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Horace Mann 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The Supplemental Schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements were audited by other auditors whose report dated June 25, 2021, expressed an unmodified opinion on that statement.

Notes to Financial Statements

December 31, 2021 and 2020

(1) General Plan Information

(a) Description of the Plan

The Horace Mann 401(k) Plan (the Plan) is sponsored by Horace Mann Service Corporation (HMSC) which is a wholly owned subsidiary of Horace Mann Educators Corporation (HMEC). HMSC is also the Plan Administrator. HMSC and HMEC are collectively referred to as the Company. The following brief description of the Plan is provided for general information purposes. Participants should refer to the actual Plan document or the employee summary plan description for additional information.

The Plan is a defined-contribution 401(k) plan covering all employees of the Company. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan document was amended and restated effective January 1, 2020 to add annual Company match true-up contributions to the Plan. Participants receive a “true-up” contribution following the end of each plan year as necessary to ensure that each participant’s employer contribution account has been allocated matching contributions for the Plan year in the amount provided for in Section 4.1(e) of the Plan document, regardless of whether the participant is still employed with the Company on the last day of a Plan year. The true-up is based on a participant’s annual compensation and total employee contributions and is credited by the end of the first calendar quarter following the end of a Plan year. During the first calendar quarters of 2022 and 2021 respectively, the Company contributed \$293,323 and \$245,121 of match true-ups related to 2021 and 2020 plan years.

Effective April 1, 2020, HMEC Common Stock was frozen for future contributions and inter-fund transfer, but existing amounts invested in HMEC Common Stock as of March 31, 2020 could remain invested.

Effective June 1, 2021, the Plan was amended with respect to cash dividends received by the Trustee for record dates after June 1, 2021. Dividends allocated to HMEC Company Stock are no longer invested in HMEC common stock.

The Company’s employees become eligible to participate in the Plan upon their date of hire.

(b) Contributions and Vesting

The Company provides an employer non-elective (safe harbor) contribution on behalf of all eligible participants. The contribution is equal to 3% of participants’ eligible compensation for the Plan year. The Plan may be amended to reduce or suspend the non-elective safe harbor contribution, with at least a 30 day notice of the reduction or suspension to all eligible participants. The Company matches, on a dollar-for-dollar basis, the first 5% of eligible compensation that participants contribute as employee pre-tax contributions, in addition to the automatic 3% safe harbor contribution. Participants can make Roth after-tax contributions to the Plan in addition to (or in place of) pre-tax contributions. Roth contributions are not subject to tax at the time of withdrawal provided certain conditions are met.

During 2021, all new employees were subject to the Plan’s “auto-enrollment” rate provision which provided for an automatic employee deferral of 3% their eligible compensation. The auto-enrollment rate was 3% in 2021. However, new hires or other participants could elect to decrease or stop their contributions at any time by filing an election with the Plan.

Horace Mann 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Participants can voluntarily elect to defer up to 20% of their eligible earnings (subject to statutory limits). The Company may also make employer regular profit sharing contributions to the Plan. The amount of the employer regular profit sharing contributions, if any, is determined by the Company each year and allocated to all participants who satisfy the eligibility and allocation requirements of the Plan. There were no employer regular profit sharing contributions during 2021.

Employee contributions and employer non-elective (safe harbor) contributions are 100% vested immediately. Employer matching contributions and employer regular profit sharing contributions vest in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 years or more	100%

Contributions are self-directed by the participant to any or all of the Plan's investment options. If a participant does not designate an investment option, their contributions default to an appropriate Target Retirement Fund (as listed in the accompanying Supplemental Schedule) based on the participant's attained age at the time of the deferral.

The total pre-tax participant contributions were limited to \$19,500 in 2021. The limit will be subject to adjustments to reflect increases in the cost of living pursuant to Section 402(g) of the Internal Revenue Code (Code). Participating employees who reached age 50 or older during the Plan year have the opportunity to make pre-tax, catch-up contributions subject to federal limits, which were Participant Accounts and Benefits

Each participant's account is credited with the participant's contribution, the Company's contribution, an allocation of Plan investment earnings and charged with an allocation of administrative expenses. Allocations are based on account balances or specific participant transactions as defined. The benefit to which a given participant is entitled is the benefit that can be provided from that participant's vested account.

(c) Trust Agreement

All of the Plan's assets are in a Master Trust held by The Northern Trust Quantitative Advisors, Inc. (Northern Trust) as of December 31, 2021 and 2020, respectively. The Plan is the only plan in the Master Trust held by Northern Trust as of December 31, 2021 and 2020. The assets of the Plan are participant-directed investments in mutual funds, collective investment trust funds, and HMEC Common Stock as of December 31, 2021.

(d) *Transfers, Withdrawals, and Final Distributions*

Except for HMEC Common Stock, participants may transfer all or a portion of their account balance between the various investment funds on a daily basis. Participant withdrawals and final distributions (as allowed under the Plan) are permitted on a weekly basis. An administration fee is deducted from the participant's withdrawal proceeds.

Participants are eligible for a distribution of after-tax and rollover contributions at any time. Participants are eligible for a distribution of Plan benefits upon termination of service, whether by disability, retirement, death, or leaving the Company. In the event of financial hardship, as defined in the Plan document, participants may withdraw money from their accounts while they are still employed. Account assets available for hardship withdrawals include vested elective and non-elective contributions, along with the associated earnings on all sources. Participants will still be allowed to contribute to the Plan after taking a hardship withdrawal. Participants who have attained age 59 ½ may request a distribution of all or a portion of the value of their account balance. Withdrawals by the participant before attaining age 59 ½ are subject to Internal Revenue Service (IRS) penalties.

Participants that die during a period of qualified military service (as defined in Code Section 414(u)), become fully vested and the participant's survivors are entitled to any additional benefits (other than contributions relating to the period of qualified military service, but including vested service credit for such period and ancillary life insurance or other survivor benefits) that would have been provided under the Plan had the participant resumed employment on the day preceding the participant's death and then terminated employment on account of death.

(e) *Forfeitures*

Participants' forfeited unvested accounts are used to pay Plan administrative expenses, reinstate accrued benefits, and reduce Company contributions. As of December 31, 2021 and 2020, forfeited unvested accounts available to reduce future Company contributions were \$75,868 and \$27,972, respectively. In 2021, the Company applied \$439,531 of forfeitures against Company contributions and administrative expenses.

(f) *Notes Receivable from Participants*

Participants may borrow a minimum of \$1,000 up to a maximum of 50% of their vested account balance but no more than \$50,000. The minimum term for a loan is 12 months and the maximum is 60 months (180 months for primary residence loans). Effective January 1, 2019 the Plan began allowing only one outstanding loan at any time. Participants that currently had two loans outstanding prior to January 1, 2019 can continue to make loan payments through payroll deductions on both loans until they are paid off. Both loans will need to be paid off before taking a new loan. A loan administrative fee is deducted from the participant's loan proceeds. Interest rates charged on loans ranged from 4.01% to 6.50% during December 31, 2021 and 3.67% to 9.25% during December 31, 2020. The loans are secured by the balance in the participant's account and are carried at amortized cost. Principal and interest is paid ratably through monthly payroll deductions. Participants may also make additional payments throughout the month directly to the record keeper. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

(g) Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of a Plan termination, participants become fully vested in their accounts.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

All investments held by the Plan are required to be reported at fair value.

(b) Investment Valuation and Income Recognition

Investments are measured at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on an accrual basis. Dividend income is recognized when dividends are declared and paid.

(c) Short-term Investments

Short-term investments are comprised of money market funds. The money market funds are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

(d) Net Appreciation (Depreciation) of Investments

In the Statement of Changes in Net Assets Available for Benefits, the Plan presents the net appreciation (depreciation) in the fair value amount of its investments which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments.

(e) Plan Expenses

The Plan pays administrative expenses, consisting primarily of recordkeeping, trustee, audit, and legal fees. All investment fees have been included in the quarterly performance gains or losses reported for individual Plan funds.

Quarterly general administrative fees are charged to participant accounts with balances over \$1,000. Individual service fees associated with specific features or services offered under the Plan are charged separately to participants' accounts.

(f) Benefits Paid to Participants

Benefits paid to participants in cash are reported when paid. Common stock distributions to participants are recorded at fair value when distributed.

Notes to Financial Statements

December 31, 2021 and 2020

(g) *Use of Estimates*

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect (1) the reported amounts of net assets available for benefits at the date of the financial statements and (2) the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

(h) *Risks and Uncertainties*

The Plan provides for investments in collective trust funds, mutual funds, and HMEC common stock. Investment securities are exposed to various risks including, but not limited to, interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

(i) *Subsequent Events*

The Plan has evaluated subsequent events through July 27, 2022, the date these financial statements were available to be issued.

(3) *Investments*

(a) *Collective Investment Trust Funds*

The Plan's investments in collective investment trust fund units of ownership are based on the Plan's dollar amount invested as a multiple of the collective trusts' net asset value (NAV). Investments are carried at fair value. The fair value of investments is based upon the NAVs of the underlying securities and allocated on a pro rata basis based on units in the collective investment trust fund. Management's estimate of the fair value of these investments is based on estimates provided by the Trustee. The investments of the underlying collective investment trust funds, which were valued at fair value, included stable value investment contracts, fixed income instruments, money market instruments, common stock, and depositary receipts. There are no restrictions on redemptions.

(b) *Mutual Funds*

The Plan's investments in mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds of the Plan are deemed to be actively traded. There are no restrictions on redemptions.

(c) *HMEC Common Stock*

The Plan's HMEC Common Stock as of December 31, 2021 and 2020 consisted of 33,920 units and 59,089 units, respectively, of HMEC common stock, which is traded on the New York Stock Exchange under the symbol HMN. See Note (1)(a) for further information regarding freezing future contributions to the HMEC Common Stock fund effective April 1, 2020.

(4) **Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held and notes receivable from participants at December 31, 2021, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Northern Trust. The following is a summary of such information:

Investments, at fair value	\$ 243,983,117
Notes receivable from participants	2,613,099
Net appreciation in fair value of investments	29,617,781
Interest	273
Dividends	757,919
Accrued interest and dividends	32,267

(5) **Fair Value of Financial Instruments**

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between knowledgeable, unrelated and willing market participants on the measurement date. In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs that may be used to measure fair value are:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities.
- Level 2 Unadjusted observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities. Level 2 assets and liabilities include fixed maturity securities with quoted prices that are traded less frequently than exchange-traded instruments.
- Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities. Level 3 assets and liabilities include financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

When the inputs used to measure fair value fall within different levels of the hierarchy, the level within which

Horace Mann 401(k) Plan

Notes to Financial Statements

fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement in its entirety. As a result, a Level 3 fair value measurement may include inputs that are observable (Level 1 or Level 2) and unobservable (Level 3). Transfers into or out of Level 3 are reported as having occurred at the end of the reporting period in which the transfers were determined. There were no transfers into or out of Level 3 in either 2021 or 2020, respectively.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments carried at fair value in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020:

Benefits paid to participants per the Form 5500	<u>\$30,557,273</u>

(7) Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service dated December 13, 2017, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (Code), and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt. The Plan Administrator believes the Plan is no longer subject to income tax examination for years prior to 2018.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
