and Plan Participants

Opinion

We have audited the financial statements of HomeStreet, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HOMESTREET, INC. 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the HomeStreet, Inc. 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General — The Plan is a trustee defined contribution 401(k) savings plan for employee retirement. The Plan is administered by the HomeStreet, Inc. Retirement Benefits Committee, which is comprised of certain officers and employees of HomeStreet, Inc. (the “Company” or “Plan Sponsor”). Charles Schwab Bank serves as trustee for all Plan assets. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility — Employees of the Company and its wholly owned subsidiaries, HomeStreet Bank and HomeStreet Capital, are eligible to participate in the Plan. Participants are eligible for plan participation after attainment of 18 years of age. Eligibility to make employee contributions begins immediately upon date of hire.

Contributions — Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) matching contributions made by the Company, and (iii) participant rollovers from another qualified plan.

Participants may elect to contribute a percentage of their eligible compensation to the Plan each year, subject to the limitations, as defined in the plan document. Such contributions are excluded from the participant’s taxable income for federal income tax purposes until received as a withdrawal or distribution from the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions; these additional contributions are ineligible for a Company matching contribution.

The Company makes a matching contribution of 100% on the first 3% and 50% on the next 2% of eligible compensation. The maximum contribution amount is 80% of eligible compensation as defined by the Plan.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain Internal Revenue Code (IRC) limitations.

Participant Accounts — Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution and Plan earnings, and charged with an allocation of administrative expenses. Expenses are allocated equally to participants with an account balance not less than \$2,000. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investments— Participants direct the investment of their contributions and the Company matching contributions in the Plan and earnings thereon into employer stock or any of the mutual and collective investment trust fund investment options of the Plan.

Participants may not acquire additional shares of HomeStreet, Inc. stock if more than 10% of their total account balance is in HomeStreet, Inc. shares.

Contributions may be temporarily held as cash balances prior to the execution of the investment according to participants' direction.

Vesting — Participants are vested 100% immediately in their contributions to the Plan, the Company's matching contributions, plus actual earnings thereon.

Forfeitures — Forfeitures in participants' Employer Matching Contribution Account will be used first to reduce eligible Plan expenses and then to reinstate any non-vested benefits required to be reinstated for rehired participants. Any remaining forfeitures will be used to reduce future Employer contributions to the Plan. At December 31, 2021 and 2020, there were \$7,901 and \$11,747, respectively, of unallocated forfeitures in the Plan.

Notes Receivable from Participants — Participants may borrow, first, from their rollover account, second, from their employee contribution accounts and, third, from their vested employer matching contribution account under the Plan. Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, excluding the value of HomeStreet, Inc. stock. The loan term may not exceed 5 years unless the loan is used to acquire the participant's principal residence. The loans are secured by the balance in the participant's account and the outstanding loans as of December 31, 2021, bear interest at rates that range from 4.25% to 7%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2021, the loans mature through 2035.

Payment of Benefits — The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. For termination of service with vested benefits of \$1,000 or less, a participant or beneficiary will automatically receive the value of the vested interest in his or her account as a lump sum distribution. If the total vested balance is greater than \$1,000, a participant may request a lump sum distribution, roll over the vested Plan account balance into an IRA or new employer's eligible retirement plan, or leave the balance with the Plan until April 1 of the calendar year following the calendar year in which they reach age 70-1/2 (or, until April 1 of the calendar year following the year in which the participant terminates employment, if later).

Hardship Withdrawals — Under certain conditions, participants, while still employed by the Company, are permitted to withdraw, in a single sum, the employee contribution portions of their account balance. These conditions include un-reimbursed medical expenses, the purchase of the participant's principal residence, the payment of burial or funeral expenses for the participant's deceased parent, spouse, child, dependent or designated beneficiary, certain expenses for the repair or damage to the participant's principal residence, the payment of postsecondary education tuition or to prevent eviction or foreclosure from the participant's principal residence. A participant's right to make deferrals to the Plan will be suspended for six months after the receipt of a hardship withdrawal.

Other — Certain administrative functions are performed by officers and employees of the Company, by Schwab Retirement Plan Services, Inc., the record-keeper, and by Charles Schwab Bank, the trustee. No Company officer or employee receives compensation from the Plan. All other expenses for

administration of the Plan including legal, investment management, recordkeeping and audit fees are paid out of the assets of the Plan.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual basis of accounting. Benefits are recorded when paid.

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants' account balances and the amounts reported in the financial statements.

The longer-term impact of the pandemic to our results of operations and financial position cannot be reasonably estimated at this time. Since March 2020, the communities where we do business have been under varying degrees of restrictions on social gatherings and retail operations due to the COVID-19 global pandemic. These restrictions, combined with related changes in consumer behavior and significant increases in unemployment, have resulted in extreme financial hardship for certain industries, especially travel, energy, hotel, food and beverage service and retail. While some governmental programs have provided assistance to unemployed consumers and certain businesses that have been especially hard hit, these programs are of limited scope and duration, and the ultimate impact of those programs is not yet known. As a result, it is not currently possible to ascertain the overall impact of COVID-19 on the Plan.

Concentration of Investments — Included in investments at December 31, 2021 and 2020, are shares of the Plan Sponsor's common stock totaling \$8,449,064 and \$6,068,844, respectively. This investment represents 4.6 percent and 3.8 percent of total investments at December 31, 2021 and 2020, respectively. A significant decline in the market value of the Plan Sponsor's stock would significantly affect the net assets available for benefits.

Investment Valuation — The Plan's investments are stated at fair value, or net asset value ("NAV") for the stable value fund ("the Fund"). Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3, "Fair Value Measurements" for discussion on fair value measurements.

Income Recognition - Net appreciation (depreciation) in fair value of investments represents realized gains and losses and the change in fair value of investments from one period to the next. Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants — Participant loans are classified as notes receivable from participants, which are segregated from plan investments and measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on

the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Administrative Expenses — All administrative expenses, investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Payment of Benefits — Benefit payments to participants are recorded upon distribution. Amounts allocated to accounts of persons who have elected to withdraw from the Plan, but have not yet been paid, were \$0 and \$8,986 at December 31, 2021 and 2020, respectively.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques — Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

HomeStreet, Inc. Common Stock — Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds — Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund — Composed primarily of fully benefit-responsive investment contracts and is reported at fair value using net asset value (“NAV”) as a practical expedient. The stable value fund calculates NAV per share in a manner consistent with the measurement principles in ASC 946, Financial Services — Investment Companies. Those measurement principles indicate that, in the determination of a stable value fund’s NAV, the relevant measurement is net assets, which include the fully benefit responsive investment contracts held by the fund at contract value. This NAV represents the Plan’s fair value since this is the NAV at which the Plan transacts with the fund. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different

methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2021 and 2020:

December 31, 2021				
	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
HomeStreet, Inc. common stock	\$ 8,449,064	\$ -	\$ -	\$ 8,449,064

Total	<u>\$ 172,358,480</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 172,358,480
Investments measured at NAV (1)				11,440,490

December 31, 2020				
	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
HomeStreet, Inc. common stock	\$ 6,068,844	\$ -	\$ -	\$ 6,068,844
Mutual Funds	141,976,897	-	-	141,976,897
Total	<u>\$ 148,045,741</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 148,045,741
Investments measured at NAV (1)				13,645,514
Total investments				<u>\$ 161,691,255</u>

(1) Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits

A summary of the Plan's investments at December 31, 2021 and 2020, where fair value is estimated based on the NAV is presented below:

Investment	2021 Fair Value	2020 Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Restrictions	Notice Period
Stable value fund	\$ 11,440,490	\$ 13,645,514	\$ -	Same day	None	None

4. STABLE VALUE FUND

The Wells Fargo stable value fund (the “Fund”) is a collective trust fund sponsored by Wells Fargo Bank, N.A. The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund’s constant NAV of \$1 per unit. Distribution to the Fund’s unit holders is declared daily from the net investment income and automatically reinvested in the Fund on a monthly basis, when paid. It is the policy of the Fund to use its best efforts to maintain a stable net asset value of \$1 per unit; although there is no guarantee that the Fund will be able to maintain this value.

5. PLAN TERMINATION

Although the Company does not have intent to do so, it has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. FEDERAL INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated March 30, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC. Therefore, no income tax provision has been included in these financial statements.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

7. PARTY IN INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of HomeStreet, Inc. stock and Charles Schwab mutual funds trusted by Charles Schwab Bank. Charles Schwab Bank is the trustee for these investments as defined by the Plan and HomeStreet, Inc. stock is issued by the employer. The Plan issues loans to participants, which are secured by the vested balances in the participants’ accounts. These transactions qualify as party-in-interest transactions.

At December 31, 2021 and 2020, the Plan held 162,437 and 179,738 shares, respectively, of common stock of the Company, the sponsoring employer, with a cost basis of \$3,583,036 and \$3,807,777, respectively. During the years ended December 31, 2021 and 2020, the Plan recorded \$164,782 and \$113,485 dividend income related to the common stock of the Company.

8. SUBSEQUENT EVENTS

The Plan has evaluated the events that have occurred subsequent to December 31, 2021 and has included all material events that would require recognition in the 2021 financial statements and disclosure in the notes to the financial statements.
