INDEPENDENT AUDITORS' REPORT

July 21, 2022

TO THE MONETA GROUP SALARY SAVINGS PLAN
TRUSTEE COMMITTEE
Moneta Group Salary Savings Plan
Clayton, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **Moneta Group Salary Savings Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from The Charles Schwab Trust Company (a qualified institution), custodian of the plan, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of Moneta Group Salary Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Moneta Group Salary Savings Plan's ability to continue as a going concern for the year ended December 31, 2021.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Moneta Group Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Moneta Group Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. MONETA GROUP SALARY SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Moneta Group Salary Savings Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering the employees of Moneta Group, LLC (the "Company").

To be eligible for salary reduction contributions, matching and discretionary profit-sharing contributions, an employee must not be a union employee whose employment is governed by a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining, leased employee, or intern. An employee also cannot be part-time/temporary or seasonal who are regularly scheduled to work less than 1,000 hours during the year.

In addition, employees are eligible for salary reduction contributions if they are age twenty-one or older.

For employer matching and discretionary profit-sharing contributions, eligibility to participate is based on age twenty-one or older and completion of one year of service.

Upon reaching the eligibility requirements, employees can begin to participate on the first day of the month coinciding or following the date the eligibility requirements are satisfied.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Each year, participants may contribute up to 100% of pretax annual compensation subject to certain limits, as defined in the Plan. In addition, the Plan allows for Roth Elective Deferrals. Accordingly, the term "Elective Deferrals" includes pretax elective deferrals and Roth elective deferrals.

Additionally, the employer will make matching contributions to the Plan based on participants' elective deferrals. Company matching contributions are based on 50% of salary deferrals, not to exceed 6% of compensation.

The Company may also make discretionary profit-sharing contributions. The amount, if any, is determined each year by the Company. For the year ended December 31, 2021, the Company had committed to discretionary profit-sharing contributions of \$2,483,614, less forfeitures totaling \$38,816.

Participants' Accounts - Each participant's account is credited with the participant's contribution and allocations of the Companies' contributions and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is based on the participant's vested account balance.

The contributions to the Plan, both employee and employer, are allocated to various funds at the direction of the participant. The Plan provides for various investment options for participant's elective and employer contributions. Participants should refer to each fund's prospectus for a description of the fund's investment objectives.

Notes to Financial Statements

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (Continued)

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions plus earnings is based on years of continuous service.

Company contributions and earnings are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
0-1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participant Notes Receivable - Participants may borrow from their pre-tax deferral and Roth deferral accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participants' accounts. Interest rates are set at prime plus 1%. Participants may only have one outstanding loan at any time. At December 31, 2021 and 2020, the Plan had outstanding participant loans of \$268,576 and \$246,412, respectively.

Distributions - Upon termination of service, an employee may elect to receive either a lump-sum amount equal to the value of his or her account or a joint and survivor annuity.

The Plan Administrator will direct the Custodian to make a lump sum distribution if the vested account balance excluding rollovers is less than or equal to \$5,000 regardless of whether a request for a distribution is made. Written consent will be required for any distribution if the vested account balance is greater than \$5,000. In the event of a distribution greater than \$1,000 that is made without the participant's consent, the Plan Administrator shall pay the distribution in a direct rollover to an individual retirement plan.

Forfeited Accounts - The non-vested balance of a participant's account is forfeited upon termination of service. Forfeitures of terminated participants' non-vested account balances occur as of the earlier of (1) the last day of the Plan year in which the participant incurs five consecutive one-year breaks in service or (2) the distribution of the entire vested portion of the participant's account. At December 31, 2021 and 2020, forfeitures totaled \$39,157 and \$39,234, respectively, and was mostly used to reduce employer matching and profit-sharing contributions subsequent to the respective year end.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants - Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Operating Expenses - Expenses of maintaining the Plan are paid by the Company and the Plan (see Note G).

Concentrations - The Plan had investments in three investment funds, Growth Fund, sponsored by American Funds, and Retirement Advocate Aggressive Fund, sponsored by Ameritrade Trust Company, which represented approximately 26% of net assets available for benefits as of December 31, 2021. The Plan had investments in three investment funds, Growth Fund and Europacific Growth Fund, sponsored by American Funds, and Retirement Advocate Aggressive Fund, sponsored by Ameritrade Trust Company, which represented approximately 37% of net assets available for benefits as of December 31, 2020.

Management's Review of Subsequent Events - For the year ended December 31, 2021, the Plan evaluated subsequent events for potential recognition and disclosure through July 21, 2022, the date of financial statements were available to be issued.

NOTE D - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement and accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs consist of quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, or inputs other than quoted prices that are observable. Level 3 inputs are unobservable and are only used when Level 1 or Level 2 inputs are not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The mutual funds held by the Plan are considered to be actively traded.

In accordance with FASC 820-10, other investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

The investments in the collective investments funds are valued as a practical expedient utilizing the net asset value.

Collective investment trust - The collective investment trust has a 0.08% ownership interest in Wells Fargo Stable Return Fund G. The Wells Fargo Stable Return Fund G invests in investment contracts and security-backed contracts. The net asset value of the investment is calculated daily. Investments in the collective investment trust valued using the practical expedient fair value totaled \$5,251,275 and \$6,614,580 at December 31, 2021 and 2020, respectively.

Other collective investment funds - Other collective investment funds include investments in U.S. stock, international stock, fixed income, indexed, and real estate funds. The net asset value of the investment is calculated daily. Units of the fund are issued and redeemed at the daily unit value. Investments in these collective investment funds valued using the practical expedient fair value totaled \$30,715,548 and \$26,906,421 at December 31, 2021 and 2020, respectively.

NOTE F - INVESTMENTS

During the Plan year ended December 31, 2021, the Plan's investments (including investments bought, sold and held during the year) increased by \$11,629,403 as follows:

	Realized Gains	Net Change in Fair Value	Total
Mutual funds	\$3,586,027	\$ 3,134,600	\$ 6,720,627
Collective investment funds	2,619,251	2,289,525	4,908,776
	<u>\$6,205,278</u>	<u>\$ 5,424,125</u>	<u>\$11,629,403</u>

NOTE G - PARTY-IN-INTEREST TRANSACTIONS

The Plan has a number of service providers. Such parties are parties-in-interest under ERISA. The Plan Sponsor pays certain accounting and auditing fees relating to the Plan.

NOTE H - PLAN TERMINATION

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE I - TAX STATUS

The Internal Revenue Service has determined and informed the Company by letter dated February 8, 2010 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

MONETA GROUP SALARY SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE I - TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and Internal Revenue Service. The Plan Administrator analyzes tax positions taken by the Plan, as applicable, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE J - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization characterized coronavirus (COVID-19) as a pandemic. Citizens and the economies of the United States and other countries have been significantly impacted. The duration and impact are unknown, but so far have been expansive. Economic uncertainties have arisen where it is reasonably possible that the net assets available for benefits and the changes in net assets available for benefits may be adversely impacted in the near term. Such potential impact, if any, is unknown and cannot be reasonably estimated at this time.
