## Independent Auditors' Report

---

**To the Plan Administrator**  
**Rhodes International, Inc. Employee Savings & Investment Plan**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of the Rhodes International, Inc. Employee Savings & Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of assets available for benefits as of December 31, 2021, the related statement of changes in assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Rhodes International, Inc. Employee Savings & Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Rhodes International, Inc. Employee Savings & Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

---

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

---

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedule Required by ERISA**

### **1. Description of the Plan**

The following description of the Rhodes International, Inc. Employee Savings & Investment Plan (the Plan) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

#### ***General***

The Plan is a defined contribution plan covering employees of Rhodes International, Inc. (the Employer or Plan Sponsor). Eligible employees may begin participating in the Plan at the start of each month following attainment of age 18 and 30 days of service. The Plan was established January 1, 1993, is intended to be a qualified retirement plan under the Internal Revenue Code (IRC), and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

#### ***Contributions***

Participants may contribute up to 100% of their compensation as defined in the Plan, subject to the maximum amount allowable under the IRC of \$19,500 for the year ended December 31, 2021. Participants who are age 50 or older before the end of the Plan year were eligible to make catch-up contributions of \$6,500 for the year ended December 31, 2021. Participants direct the investment of their contributions, and the related matching contributions made by the Plan Sponsor, into various investment options offered by the Plan.

The Plan Sponsor makes safe harbor matching contributions to all participants equal to 100% of participants' contributions up to 3%, plus an additional 50% match on participants' contributions which are over 3%, but not over 5%. The Plan allows the Employer to make additional discretionary contributions, which, when paid, are allocated to participants based on the proportion of a participant's compensation compared to the total compensation of all participants. The Employer elected not to make additional discretionary contributions during the year ended December 31, 2021.

During 2021 and 2020, the Plan automatically enrolled participants at a deferral rate of 6%.

Participants may also make contributions by rollover of distributions from other qualified retirement plans and in-plan Roth rollovers.

#### ***Participant Accounts***

Each participant's account is adjusted for the participant's contributions, the Employer's contributions, and an allocation of the Plan's actual earnings or losses and administrative expenses specifically identified with the participant's investment account.

#### ***Vesting***

Effective January 1, 2019, the Plan adopted a 2-year cliff vesting schedule for all qualified Employer contributions that is based on periods of services without regard to hours of service. After two years of service (effective January 1, 2019) or on the date the participant dies, becomes disabled or reaches their normal or early retirement age, participants will become fully vested in all Employer contributions. Prior to 2019, participants were automatically fully vested in all contributions.

#### ***Payment of Benefits***

Upon a participant's death, retirement, early retirement, disability, or termination of employment, a participant or his or her beneficiaries may receive a distribution equal to the vested balance in the participant's account. The Plan allows participants to withdraw all or part of their elective deferral contributions in the event of an undue financial hardship. The Plan adopted the following provision during 2020 under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act): Required minimum distributions are suspended in 2020.

---

### ***Administrative Expenses***

Plan administrative expenses may be paid by the Plan Sponsor or paid by the Plan and deducted from participants' individual accounts. During the year ended December 31, 2021, the Plan paid \$79,187 in administrative expenses. The Plan Sponsor pays significant administrative costs, which the Plan would otherwise incur, including third-party legal and accounting fees, as well as internal administrative costs.

### ***Notes Receivable from Participants***

Participants may borrow up to the lesser of \$2,500 or 50% of his or her vested account balance, with a minimum loan amount of \$1,000. Loans and associated interest are repayable over a period not to exceed five years, unless for the purchase of a principal residence, through payroll deductions. The loans are collateralized by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined periodically by the Plan Administrator. Participants may have only one outstanding loan at a time.

Notes receivable from participants have interest rates ranging from 4.25% to 6.50%, mature from January 2022 through June 2027, and are recorded at the unpaid principal balance plus any accrued, unpaid interest. Interest income is recognized over the term of the note at the rate specified in the loan documents. Fees related to notes receivable from participants are recorded as administrative expenses when they are incurred. If a participant defaults, the carrying amount of the note receivable from the participant is eliminated and a benefit payment is recorded at the time the participant has a distributable event.

## **2. Summary of Significant Accounting Policies**

### ***Basis of Accounting***

The accompanying financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

### ***Risks and Uncertainties***

The Plan provides for investments in securities that are exposed to various risks, such as interest rate, currency exchange rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

### ***Use of Estimates***

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

### ***Investment Valuation and Income Recognition***

The Plan's investments in mutual funds are valued at fair value based on daily quoted net asset value (NAV) closing prices as reported by the mutual fund on stock exchanges.

The Plan's investments in collective investment trusts are stated at fair value based on NAV per share. NAV serves as the practical expedient to estimate the fair value of the Plan's collective investment trusts as it represents the value at which the plan transacts with the trusts. NAV is based upon the quoted redemption value of underlying assets in the collective investment trusts on the last day of the Plan year.

The guaranteed investment contract is fully benefit-responsive and is recorded at contract value, which is calculated as contributions, plus earnings, less participant withdrawals and administrative expenses.

---

Net appreciation in the fair value of investments includes realized and unrealized gains on investments and is recognized in income currently. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Dividends and interest are reinvested as earned.

### ***Payments of Benefits***

Benefits are recorded when paid by the Plan.

### ***Subsequent Events***

The Plan Administrator has evaluated subsequent events through June 3, 2022, which is the date the financial statements were available to be issued.

## **3. Guaranteed Investment Contract**

The Principal fixed income guaranteed option is a fully benefit-responsive group annuity contract issued by Principal Life Insurance Company (Principal). The contract guarantees a specified rate of return to the participants in the Plan. The guaranteed rate is reset on a semi-annual basis and is never allowed to be set below a guaranteed minimum interest rate established by the contract. The assets under the contract are backed by the general assets of Principal, and accordingly, the contract is considered to be a traditional guaranteed investment contract.

The Principal fixed income guaranteed option contract is an insurance contract. As a result, the Plan may transact at contract value, according to the terms defined in the contract, at any time. Certain events limit the ability of the Plan to transact at contract value with the issuer of the contract. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (ii) changes to the Plan's prohibition on competing investment options and (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor events (e.g., divestiture or spin-off of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA). The Plan Administrator does not believe that the occurrence of any event which would limit the Plan's ability to transact at contract value with participants is probable.

If the Plan Sponsor terminates the contract, Principal will pay out the value of the Plan's interest in the contract, subject to a surrender charge. Such notification of termination is irrevocable. Termination of a Plan's interest is made pursuant to the Plan Sponsor's request. The contract with Principal terminates on the date when 1) no guaranteed interest balances have been established that are accepting deposits and 2) there are no guaranteed interest balances with a value greater than zero under the contract. Provisions relating to annuities in the course of payment will continue to govern payment of such annuities until the final payment under each such annuity is made.

## **4. Fair Value Measurement**

Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. To increase consistency and comparability in fair value measurements, the fair value hierarchy prioritizes observable and unobservable inputs used to measure fair value into three broad levels. These levels, in order of highest priority to lowest priority, are described as follows:

- Level 1 - Quoted prices in active markets for identical assets or liabilities that are accessible on the measurement date.
- Level 2 - Observable inputs other than Level 1 including quoted prices for similar assets or liabilities, quoted prices in less active markets, or other observable inputs that can be corroborated by observable market data.
- Level 3 - Unobservable inputs supported by little or no market activity for financial instruments whose value is determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

The following table summarizes the fair values of the Plan's investments and the levels of inputs under which those investments were valued as of December 31:

| Description                                                             | 2021         |         |         | Total         |

*<sup>(a)</sup> In accordance with Subtopic 820-10, certain investments that are measured using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of assets available for benefits.*

Fair Value Measurement and Disclosure (Topic 820): *Investments in Certain Entities that Calculate Net Asset Value Per Share (or its equivalent)* requires disclosures of certain attributes in entities that calculate NAV per share (or its equivalent) and do not have a readily determinable fair value. The following table sets forth the attributes as of:

|                                                      | Fair Value    | Unfunded Commitments | Redemption Frequency | Redemption Notice Period |

## 5. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

## 6. Income Tax Status

The Plan Sponsor adopted a volume submitter profit sharing plan which has obtained a favorable tax opinion letter from the Internal Revenue Service dated March 31, 2014, stating that the Plan is qualified under the appropriate sections of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes is included in the accompanying financial statements.

---

Management evaluates tax positions taken by the Plan and recognizes an income tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. Plan management has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions that require either recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities for tax years for which the applicable statutes of limitations have not expired. There are currently no audits for any tax periods in progress.

## **7. Exempt Party Transactions**

Plan investments include collective investment trusts, mutual funds, and an investment contract managed by entities which are part of Principal Financial Group, of which Principal Global Investors Trust Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the Plan's trustees, are members. As of December 31, 2021 and 2020, investments managed by parties-in-interest totaled \$17,131,424 and \$15,141,523, respectively. The notes receivable from participants are also exempt party-in-interest transactions.

## **8. Trustee Certifications**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under that election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Principal Global Investors Trust Company and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustees of the Plan, except for comparing such information certified by the trustees to information included in the Plan's financial statements and supplemental schedule:

- The investment assets of the Plan.
- The Plan's investment transactions and related income and loss.
- The Plan's notes receivable from participants and associated transactions.
