INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Sapp Bros., Inc. Retirement Plan
Omaha, Nebraska

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Sapp Bros., Inc. Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Sapp Bros., Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note O to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sapp Bros., Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sapp Bros., Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sapp Bros., Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sapp Bros., Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Sapp Bros., Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Sapp Bros., Inc. (the Company) who have five months of consecutive service, have completed at least 400 hours of service and are age 19 or older. Eligible employees become participants on the first day of the next calendar quarter coinciding with or next following the date on which entry requirements were fulfilled. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Assets of the Plan are allocated to participant accounts based on specific contributions made by each participant and respective matches made by the Company. Investment income (loss) is credited to each account based on appreciation (depreciation) of specific assets held in each participant account and any earnings thereon.

Contributions

Contributions to the Plan are made as follows:

Salary Reduction - The Plan allows participants to contribute up to the dollar limit that is set by law of their pre-tax compensation to the Plan, subject to Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Plan adopted Roth contributions effective January 1, 2021. Participants are permitted to contribute up to the dollar limit set by law a portion of their taxable compensation to the Plan, subject to IRC limitations.

On January 1, 2021, the Plan adopted an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 6% of eligible compensation. Contributions are automatically invested in a designated target age retirement fund until changed by the participant.

Employer Matching - The Company may elect to contribute discretionary matching contributions. The Company approved an employer matching contribution in 2021 and 2020 equal to \$1 for every \$1.50 contributed by the employee, subject to a maximum limitation of \$1,000 per employee. In addition, in 2021, the Company added a stretch match option whereby the Company matched 3% of wages up to \$1,000 for those employees contributing 6% or more. Participants must be actively employed on the last day of the plan year in order to receive matching contributions, unless separated due to death, disability, or attainment of normal age retirement. Employer matching contributions were \$285,047 and \$266,975 for the years ended December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN – CONTINUED

Participant Investment Rollovers - The Plan permits participants to transfer or rollover funds into the Plan from other qualified plans.

Employer Profit Sharing - The Company may elect to contribute discretionary profit sharing contributions to the Plan. There were no profit sharing contributions to the plan for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer matching and profit sharing contributions (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as lump-sum distribution.

Hardship withdrawals are permitted from participants' accounts if they meet the financial need requirement as permitted by the Internal Revenue Service (IRS).

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants become vested in the employer contributions and investment earnings according to the number of years of service as follows:

<u>Year of Service</u>	<u>Vesting %</u>
Less than two	0%
Two	20%
Three	40%
Four	60%
Five	80%
Six	100%

Investment Options

Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan with Capital Bank and Trust Company (the Trustee).

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Sapp Bros., Inc. Retirement Plan have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (GAAP). Investments held by a defined contribution plan are required to be reported at fair value.

Administration of the Plan

Although there is no requirement to do so, Sapp Bros., Inc. has paid certain administrative costs of the Plan. In addition, certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

If the Company does not elect to pay Plan related expenses from its own assets, the Plan permits the payment of Plan related expenses from Plan assets. In addition, the Company may elect to pay Plan expenses from forfeitures that may be created when participants leave the Company before becoming fully vested in their benefits. If the Company has not elected to pay expenses from its own assets and has elected to pay Plan expenses from forfeitures, there may be instances when the forfeitures do not cover all Plan expenses. In these cases, expenses will be allocated among the accounts of all participants.

All Plan assets are held and managed by Capital Bank and Trust Company, who invests cash received, interest and dividend income, and makes distributions to participants.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies. See Note C for discussion of fair value measurements.

Purchases and sales securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. These fees are reflected as a reduction in the net appreciation in fair value of investments.

The change in net unrealized appreciation (depreciation) of investments held from the beginning of the plan year to the end of the plan year is included with realized gains/losses as net investment income (loss) reported in the accompanying statements of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

SAPP BROS., INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Excess Contributions Payable

Amounts payable to participants in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to participant contributions.

Participants must be actively employed on the last day of the Plan year in order to receive matching contributions, unless separated due to death, disability, or attainment of normal retirement age. Excess contributions refundable to the Company are recorded as a liability with a corresponding reduction to employer contributions.

The total amount payable to participants for excess contributions was \$59,491 and \$50,167 at December 31, 2021 and 2020, respectively.

Estimates

The preparation of financial statements in accordance with GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE C - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs are only used if Level 1 or Level 2 inputs are not available. There were no plan assets requiring the use of Level 2 or Level 3 inputs at December 31, 2021 or 2020, respectively.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset value of the shares held by the Plan at year-end. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at the price. The mutual funds held by the Plan are considered to be actively traded.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE C - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

		Fair Value Measurements at Reporting Date Using:		
		Quoted Price in Active Markets Identical Assets (Level 1)	Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
	Fair Value			
2021				
Mutual funds	\$ 22,249,048	\$ 22,249,048	\$ -	\$ -
Total assets in fair value hierarchy	22,249,048	22,249,048	-	-
Investments measured at net assets value (NAV)	1,292,915	-	-	-
Total investments at fair value	<u>\$ 23,541,963</u>	<u>\$ 22,249,048</u>	<u>\$ -</u>	<u>\$ -</u>
2020				
Mutual funds	\$ 18,690,309	\$ 18,690,309	\$ -	\$ -
Total assets in fair value hierarchy	18,690,309	18,690,309	-	-
Investments measured at net assets value (NAV)	1,569,040	-	-	-
Total investments at fair value	<u>\$ 20,259,349</u>	<u>\$ 18,690,309</u>	<u>\$ -</u>	<u>\$ -</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020 there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

The Plan has investment options with collective trust funds, which is valued at net asset value (NAV). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

SAPP BROS., INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE C - FAIR VALUE MEASUREMENTS - CONTINUED

The following table summarizes investments measure at fair value based on NAV per share as of December 31, 2021 and 2020, respectively:

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>

Collective trust Invesco stable value fund	<u>421,899</u>	N/A	Daily	12 months
Total	<u><u>\$ 1,569,040</u></u>			

NOTE D - DEPOSITS WITH INVESTMENT COMPANY

The Plan's investments are held in collective investment by Capital Bank and Trust Company. These collective investments consist of numerous mutual fund options and a stable value fund, with a range of investment objectives. Returns are based upon the underlying mutual funds and stable value funds in which the assets are invested.

For each participant, the account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by the Trustee. The investments are included in the financial statements at fair value, as reported to the Plan by the Trustee.

The method for allocating expenses among participant accounts will be either proportional, based on the value of the account balances, or as an equal dollar amount per account. The particular method of allocation selected depends on the nature of the expense itself.

Upon termination of employment with the Company, the Company reserves the right to charge the employee's account for their share of the Plan's expenses, regardless of whether the current employees also pay a portion of these expenses.

The Company may, from time to time, change the manner in which expenses are allocated.

The plan administrator has received information from the Trustee certifying the fair values and earnings of the investments.

SAPP BROS., INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE E - NON-PARTICIPANT DIRECTED INVESTMENTS

There was no non-participant directed investments for the years ended December 31, 2021 and 2020.

NOTE F - FORFEITURES

The Plan provides that forfeited nonvested accounts may be used to reduce the employer's current year contributions. These forfeitures do not affect the contribution percentage received by the participants. Employer contributions were reduced by forfeited nonvested accounts by \$26,258 and \$32,583 for the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$14,953 and \$29,006, respectively.

NOTE G – BENEFITS PAYABLE TO WITHDRAWING PARTICIPANT

There are no persons who had withdrawn from participation in the earnings and operations of the Plan at December 31, 2021 and 2020 that had not yet been paid.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the participants' accounts are 100% vested and nonforfeitable.

NOTE I - TAX STATUS

The IRS has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE K - CONCENTRATION OF CREDIT RISK

At December 31, 2021 and 2020, all of the investments are with Capital Bank and Trust Company. The investments are diversified into several investment funds held in mutual funds and stable value funds. Although neither the market value nor the fund shares are insured in any manner, the investment risk of underlying funds of the pooled separate accounts is felt to be comparable to investments of similar type.

NOTE L - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE M - RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Capital Bank and Trust Company. Capital Bank and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Capital Bank and Trust Company investment management services were \$24,110 and \$14,514 for the years ended December 31, 2021 and 2020, respectively.

SAPP BROS., INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE N - PLAN AMENDMENTS

The Plan was restated on January 1, 2021 to adopt Roth 401(k) provisions and add automatic enrollment provisions for employees commencing employment on or after January 1, 2021.

The Plan was restated on September 21, 2021 to reflect regulatory provisions of the Bipartisan Budget Act of 2018, which are the regulatory requirements for hardship distributions.

The following were regulatory changes affecting the plan in 2020:

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 that contained the largest package of retirement reform in over a decade. There are various provisions that require changes to plan administration and recordkeeping.

Due to the Covid-19 pandemic, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act on March 27, 2020. This act included numerous employee benefit plan provisions to assist plan sponsors and participants, including allowing participants to withdraw up to \$100,000 from their retirement account without penalty. In addition, the CARES Act increased the available participant loans to 100% of the participant's balance up to \$100,000, with loan payments delayed up to one year.

NOTE O – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends, from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Capital Bank and Trust Company (the trustee of the Plan).

NOTE P - SUBSEQUENT EVENTS

The Plan management has evaluated transactions and events occurring subsequent to December 31, 2021 and through July 26, 2022, the date the financial statements were available to be issued. There were no significant transactions or events subsequent to December 31, 2021 that would require recognition or disclosure in the financial statements.
