INDEPENDENT AUDITORS' REPORT

To: The Plan Administrator and Fiduciary Committee of
Universal Insurance Company Profit Sharing
and Savings Plan – US

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed audit of the financial statements of Universal Insurance Company Profit Sharing and Savings Plan – US, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U. S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE POWER OF BEING UNDERSTOOD
AUDIT | TAX | CONSULTING

RSM Puerto Rico is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any Jurisdiction.

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Universal Insurance Company Profit Sharing and Savings Plan – US and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Insurance Company Profit Sharing and Savings Plan – US's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Universal Insurance Company Profit Sharing and Savings Plan – US, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Universal Insurance Company Profit Sharing and Savings Plan – US 's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Universal Insurance Company Profit Sharing and Savings Plan – US's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Universal Insurance Company Profit Sharing and Savings Plan – US's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Universal Insurance Company Profit Sharing and Savings Plan – US. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In addition, a participant who has attained age 50 by the end of a calendar year, may elect to make additional voluntary contributions (catch-up contributions). Catch up contributions will not be taken into account in applying any matching contribution under the Plan. These contributions are limited to \$6,500.

The Employer shall make a matching contribution equal to \$.50 per \$1.00 of the participant's deferral; contribution up to 6% of a participant's compensation. In addition, the Employer may contribute a discretionary amount during each Plan year determined by the Employer.

The note must be repaid over a period not to exceed five (5) years, unless the loan qualifies as a home loan. A "home loan" is a loan used to acquire a dwelling unit which, within a reasonable time, the Participant will use as a principal residence. The note is repaid ratably through payroll deductions and allocated to the various investment funds based on the participant's contribution percentages.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

- E) Participant accounts – Individual accounts are maintained for each of the Plan's participants to reflect the participants' and Employer's contributions as well as the participant's share of the discretionary contribution of the Employer and any administrative expenses paid by the Plan. The benefit to which a participant is entitled to is the benefit that can be provided from the participants vested accounts.
- F) Vesting – Participants are vested immediately in their voluntary contributions, plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service.

The participant's right to the Employer's matching contributions and non-elective profit sharing contributions are summarized as follows:

Years of Service	Vested Percentage
At least 1 year	0%
At least 2 years	25%
At least 3 years	50%

- G) Payment of benefits – On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest or annual installments over a fixed period of time, if balance is greater than \$5,000. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
- H) Distributions – The Plan Administrator, pursuant to the election of the Participant, shall direct the Trustee to distribute to a participant or such participant's beneficiary the amount (if any) to which the Participant (or Beneficiary) has become entitled under the Plan in one or more of the following methods:
- One lump-sum payment in cash (this shall be the normal form of payment, except as otherwise provided below).
 - Payments over a period certain in monthly, quarterly, semiannual, or annual cash installments. In order to provide such installment payments, the Plan Administrator may (a) segregate the aggregate amount thereof in a separate, federally insured savings account, certificate of deposit in a bank or savings and loan association, money market certificate or other liquid short-term security or (b) purchase a nontransferable annuity contract for a term certain (with no life contingencies) providing for such payment. The period over which such payment is to be made shall not extend beyond the participant's life expectancy (or the life expectancy of the participant and the participant's designated beneficiary). Once payments have begun, a participant may elect to accelerate the payments (reduce the term and increase payments).
 - Partial withdrawals, with a minimum of \$1,000.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

- I) Forfeited accounts – Forfeitures represent non-vested portions of contributions of the Employer on the day of a participant's death or termination. Forfeitures may be first used to pay any administrative expenses. Any remaining forfeitures are used to reduce Employer contributions. As of December 31, 2021 and 2020, there were forfeited non-vested accounts amounting to approximately \$255,300 and \$177,400, respectively.

2) Summary of significant accounting policies:

- A) Basis of accounting – The accompanying financial statements have been prepared in accordance with the accrual basis of accounting.
- B) Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- C) Notes receivable from participants – Are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.
- D) Investment valuation and income recognition – Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

For investments in mutual funds, that are registered with the Securities and Exchange Commission, and collective trust funds, fair value is determined using net asset values (NAV). The NAV per share of investment in mutual funds is published daily and is calculated by each fund based on the market value of the underlying securities within each fund. The NAV per share of investment in collective trusts is calculated daily by taking the fund's total assets (securities, cash, and accrued earnings), subtracting the fund's liabilities, and dividing by the number of shares outstanding. The reported values for fully benefit-responsive investment contracts are reported and presented in the statements of net assets available for benefits at contract value. See Note 4 for discussion of fair value measurements.

Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year ended. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

- E) Contributions – Employer and participants' contributions are recorded in the Plan year in which the Employer makes the payroll deductions.
- F) Benefits – Benefit payments to participants are recorded when paid.
- G) Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3) Information certified by the custodian:

Plan's net assets information as of December 31, 2021 and 2020 and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, was prepared by or derived from information provided by the custodian furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the custodian that information provided to the plan administrator by the custodian related to Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information, which appears throughout the financial statements and supplemental schedule:

Description	2021	2020
Mutual funds at fair value	\$ 11,494,545	\$ 9,734,197
Collective trust funds at fair value	\$ 3,541,927	\$ 3,456,279
Guaranteed investment contracts at contract value	\$ 1,334,994	\$ 1,984,815
Notes receivable from participants	\$ 330,151	\$ 286,710

Great-West Trust Company, LLC also certified the completeness and accuracy of \$1,512,515 of net appreciation on investments stated at net asset value and \$756,264 of interest and dividends related to the aforementioned assets for the year ended December 31, 2021.

4) Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The valuation techniques are based upon observable or unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's market assumptions. These two types of inputs create the following fair value hierarchy:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

UNIVERSAL INSURANCE COMPANY

PROFIT SHARING AND SAVINGS PLAN - US

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

As of December 31, 2021 and 2020, investments in mutual funds registered with the Securities and Exchange Commission and held by the Plan, are considered Level 1 type investments within the fair value hierarchy. Collective trust funds are valued based on NAV and thus are not categorized within the fair value hierarchy.

5) Guaranteed investment contracts with insurance company

The Plan entered into a fully benefit-responsive guaranteed investment contracts with Great-West Trust Company, LLC (Great-West). Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contracts issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contracts at December 31, 2021 and 2020 were \$1,334,994 and \$1,984,815, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 2%. Such interest rates are reviewed on a quarterly basis for resetting.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6) Excess contributions payable

The Plan failed the discrimination test for the year ended December 31, 2020. Excess contributions amounting to \$10,440, were recorded as a liability in the accompanying statements of net assets available for benefits and as a reduction of participant-directed contributions in 2021. The Plan reimbursed these excess contributions to its participants during 2021.

There were no excess contributions payable as of December 31, 2021.

7) Tax status:

The Plan has obtained determination letters, the most recent dated March 31, 2014 from the US Department of the Treasury, to the effect that the Plan is exempt from income taxes according to Section 401(a) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination of taxing authorities. The Plan Administrator evaluated the tax positions taken by the Plan and concluded that the Plan as of December 31, 2021 and 2020, had maintained its tax exempt status and had taken no uncertain tax positions that would require adjustments or disclosures to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

8) Risks and uncertainties:

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

On January 30, 2020, the World Health Organization declared the COVID-19, a novel strain of coronavirus, a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of COVID-19 include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The COVID-19 and the actions taken to mitigate the spread of it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries. The extent of the impact of the COVID-19 outbreak on the financial performance of the Plan's investments will depend on future developments, including the duration and severity of the outbreak and its impact on the financial markets and the overall economy, all of which are highly uncertain and cannot be predicted. If the financial markets and/or the overall economy are impacted for an extended period, the Plan's investment results may be materially adversely affected.

Additionally, a prolonged widespread epidemic could adversely impact global economies and financial markets resulting in an economic downturn that may disrupt the demand for a Plan sponsors goods and/or services. Such disruptions could adversely affect Plan sponsor profitability, cash flows, financial results, and the ability to make required Plan contributions.

9) Party-in-interest transactions:

The Employer is a party-in as defined by ERISA. In addition, the Plan invests in mutual funds and collective trusts that pertains to Great-West Trust Company, LLC, who is the custodian as defined by the Plan. There were no prohibited party-in-interest transactions during the year ended December 31, 2021.

10) Plan termination:

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer's contributions.

11) Subsequent events:

The Plan Administrator is not aware of subsequent events, which would require recognition and/or disclosure in the financial statements. The Plan Administrator has evaluated subsequent events through June 15, 2022, the date on which the financial statements were available to be issued.
