Independent Auditor's Report

To the Plan Administrator of the East Cambridge Savings Bank 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of East Cambridge Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of

internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for

Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements

Years Ended December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN

The following description of the East Cambridge Savings Bank 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and Plan Document for more complete information.

General

The Plan is a defined contribution plan covering substantially all employees of East Cambridge Savings Bank (the “Bank”). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan assets are currently invested in various pooled separate accounts and a guaranteed interest account offered by Empower Retirement (“Empower”). On January 4, 2021 Empower completed the acquisition of MassMutual Retirement Services (“MassMutual”) retirement plan business. Upon completion of the acquisition, Empower became the recordkeeper of the Plan, and maintains and administers the Plan’s investment assets for the benefit of participants. Great-West Life & Annuity Insurance Company (“Great-West”) became the custodian of the Plan.

Participation and Contributions

To become eligible for participation, an employee must be at least age 21 and must have completed three months of service. The employee will become a Participant in the Plan on the first day of the payroll period coinciding with or next following the date on which an employee meets the eligibility requirements. Interns and other temporary employees with less than 12 months of service are ineligible to participate in the Plan. Upon reaching retirement age, a Participant can direct distribution of balances under several options described by the Plan Document.

Participants may elect to contribute between one and seventy-five percent of their compensation on a pretax basis subject to maximum annual limits. If an employee does not complete a salary deferral agreement prior to becoming eligible to make salary deferrals, 3% of the employee’s compensation will be withheld each pay period and will be contributed to the Plan as a salary deferral. The auto enrollment deferral percentage will increase by 1% each year, up to a maximum of 10% of compensation. The first automatic increase occurs at the beginning of the second full Plan year following the Plan year in which automatic contributions begin under the Plan. In addition, Roth salary deferrals are permitted under the Plan and deducted from employee compensation on a post-tax basis. Employees may enter into a salary deferral agreement at any time to select an alternative deferral amount or elect not to defer under the Plan. Participants may change their investment options and/or elective deferrals during the year and these changes will become effective at the beginning of the next payroll period.

See independent auditor’s report.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements (Continued)

DESCRIPTION OF THE PLAN (continued)

Participation and Contributions (concluded)

The Bank also will match a portion of the Participant's contribution in an amount equal to 25% of the Participant's elective deferrals, up to a maximum of 6% of compensation for those employees who are active in the Bank's pension plan. For employees not active in the pension plan, the Bank will match 100% of employee contributions up to the first 3% of compensation, and then 50% of employee contributions up to the next 3% of compensation.

An employee, whether or not an active participant may, with permission of the Plan Administrator, contribute to the Plan their distributions from other qualified plans or individual retirement accounts, if the contributions satisfy the tax law requirements for a qualified rollover. Any rollover contributions are fully vested and nonforfeitable.

Participant accounts

Each participant's account is credited with the participant's contributions and Bank matching contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are at all times 100% vested in their own contributions to the Plan. Bank matching contributions will be 100% vested after one year of service.

Plan Termination

Although it has not expressed any intent to do so, the Bank has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become 100% vested in their accounts.

Notes Receivable from Participants

Loans may be made to Participants when directed by the Plan Administrator upon request by the Participant. Each loan shall bear interest at the prime rate, as published in the Wall Street Journal on the last day of the previous month prior to the origination of the loan, plus one percentage point. Interest and principal are repaid and credited to the Participant's account based on their current investment choices. Participant loan refinances are allowed under the Plan.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements (Continued)

DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants (concluded)

The maximum loan amount is one half of the Participant's vested 401(k) account balance, not to exceed \$50,000. The minimum loan amount is \$1,000. Loans are repayable over a period of up to five years, unless such loan is used to acquire a principal residence of the Participant in which case the term may be extended to a maximum of 20 years.

Effective January 1, 2017, the Plan Administrator amended the Plan to reduce permitted participant notes receivable outstanding, at any time, from 2 to 1. This amendment did not require the acceleration of any existing participant notes receivable outstanding.

Pursuant to the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020 for one year. The participant's note was re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act increased the limit for Plan loans to \$100,000.

Distributions

Participants who retire, become disabled, or die will be entitled to 100% of their account balance. The Plan provides for normal retirement at age 65 and also provides an election for a pre-retirement distribution upon reaching age 59½. Upon termination of employment for any reason other than retirement, disability, or death, the Participant shall be entitled to receive the vested amount of their account. Participants may withdraw vested contributions in the case of financial hardship, subject to consent of the Plan Administrator.

Pursuant to the CARES Act that was signed into law on March 27, 2020, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.

Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

See independent auditor's report.

Notes to Financial Statements (Continued)

DESCRIPTION OF THE PLAN (concluded)

Investment Options

Participants may direct the investment of their deferrals and any employer matching contributions to any investment funds offered by the Plan through Empower. Earnings in these funds and/or market gains or losses are reflected in their changing unit values or returns.

Forfeitures

Forfeitures may be used to reduce the Bank's matching contributions to the Plan. Employer contributions were reduced by \$1,500 and \$1,435 from forfeited non-vested accounts for the years ended December 31, 2021 and 2020, respectively. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$184 and \$454, respectively.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates

The presentation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefit Payments

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments in pooled separate accounts are reported at fair value utilizing information provided by the Plan's investment advisers and custodians. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

The Plan's investment in the Guaranteed Interest Account, which is a fully benefit-responsive investment contract, is reported at contract value based on information reported by Empower.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements (Continued)

SIGNIFICANT ACCOUNTING POLICIES (concluded)

Investment Valuation and Income Recognition (concluded)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Administrative Expenses

Substantially all administrative costs of the Plan were paid by the Bank for the years ended December 31, 2021 and 2020, except for loan set up fees and processing of distributions. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. INFORMATION CERTIFIED BY GREAT-WEST

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West, except for comparing such information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has obtained a certification from the Custodian for 2021 and 2020 that such information is complete and accurate.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements (Continued)

INFORMATION CERTIFIED BY GREAT-WEST (concluded)

Information certified as of and for the years ended December 31, 2021 and 2020 is as follows:

	2021	2020
Investments at fair value:		
Pooled separate accounts	\$17,574,019	\$16,669,820
Investments at contract value:		
Guaranteed interest account	3,937,035	4,097,029
Notes receivable from participants	223,291	254,507
Investment income:		
Net appreciation in fair value of investments	2,483,682	2,392,229
Interest income	102,445	115,726
Interest income on notes receivable from participants	12,104	14,529

The Custodian also certified the information utilized in the Schedule of Assets (Held at End of Year).

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 – Valuation is based on quoted prices in active markets for identical assets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets.

Level 2 – Valuation is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements (Continued)

FAIR VALUE MEASUREMENTS (concluded)

Level 3 – Valuation is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets. Level 3 assets include financial instruments whose value is determined using unobservable inputs to pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant management judgment or estimation.

In certain cases, inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

The PSAs are valued daily based on the market value of the underlying net assets in each separate account. The majority of the underlying net assets have observable Level 1 and/or 2 quoted pricing inputs which are used to determine the unit value of the PSA which is not publicly quoted. These PSAs are classified as Level 2. The redemption frequency of each of these PSA is daily, and there are no redemption restrictions. There are no unfunded commitments related to the Plan's investment in PSAs.

5. GUARANTEED INTEREST ACCOUNTS

The Plan has entered into a fully benefit-responsive investment contract with Empower which maintains the contributions in a separate account. The traditional investment contract is reflected in the financial statements at contract value as reported to the Plan by Empower.

Since the guaranteed investment contract meets the fully benefit-responsive investment contract criteria, contract value is the relevant measure. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus credited interest, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a methodology agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a semi-annual basis for resetting.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements (Continued)

GUARANTEED INTEREST ACCOUNTS (concluded)

Certain events may limit the ability of the Plan to transact at contract value with the contract issuer. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement except under certain circumstances outlined in the contract.

6. TAX STATUS OF THE PLAN

The Plan is one of the plans administered by Great-West Trust Company, LLC which has been approved by the Internal Revenue Service ("IRS"). As described in Note 1, the Plan has been amended since receiving the determination letter, including the adoption of the Great-West Trust Company, LLC adoption agreement nonstandardized defined contribution pre-approved plan. The IRS has determined and notified Great-West Trust Company, LLC by a letter dated June 30, 2020 that the form of the plan is acceptable under section 401 of the Code for use by employers for the benefit of their employees. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, therefore, they believe that the Plan was qualified as of the financial statement date, and no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the Department of Labor ("DOL"). The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL, however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to examinations for years prior to December 31, 2018.

See independent auditor's report.

East Cambridge Savings Bank 401(k) Plan

Notes to Financial Statements (Concluded)

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RELATED-PARTY TRANSACTIONS

Plan investments consist of pooled separate accounts and investment contracts of MassMutual (acquired by Empower Retirement effective for the 2021 plan year). Empower Retirement is the recordkeeper and Great-West is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. For the Plan years ended December 31, 2021 and 2020, administrative expenses paid to Great-West or MassMutual amounted to \$2,436 and \$2,754, respectively.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events through July 19, 2022, which is the date the financial statements were available to be issued. There were no subsequent events that require adjustment to or disclosure in the financial statements.

See independent auditor's report.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
