INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
3C Packaging, Inc. Safe Harbor 401(k) Plan
Clayton, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of 3C Packaging, Inc. Safe Harbor 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 (in liquidation), and the related statement of changes in net assets available for benefits for the year then ended (in liquidation), and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agree to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 3C Packaging, Inc. Safe Harbor 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

As discussed in Note 2 to the financial statements, the governing body of 3C Packaging, Inc. Safe Harbor 401(k) Plan approved a plan of liquidation on December 27, 2021, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 3C Packaging, Inc. Safe Harbor 401(k) Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 3C Packaging, Inc. Safe Harbor 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 3C Packaging, Inc. Safe Harbor 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the liquidation basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statement as a whole are presented fairly, in all material respects, in accordance with the liquidation basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 3C Packaging, Inc. Safe Harbor 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

3C PACKAGING, INC. SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of Plan

The following description of 3C Packaging, Inc. Safe Harbor 401(k) Plan (the "Plan") provides only general information for the Plan sponsored by 3C Packaging, Inc. (the "Company"). In September 2020, the Company was acquired by Essentra Packaging U.S. Inc. ("Essentra Packaging"). Participants in the Plan should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan became effective on January 1, 2010 as a trustee profit sharing 401(k) salary deferred plan. The Plan covers all full-time employees of the Company who are 21 years of age and have completed 60 days of service. The Plan does not cover union employees whose benefits are the subject of good faith bargaining and nonresident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On December 27, 2021, the Board of Trustees approved a plan of liquidation of the Plan and participation ceased effective January 1, 2022. The Plan merged into Essentra Packaging's plan, Essentra USA Deferred Savings Plan, and was fully liquidated by January 5, 2022.

Contributions

The Plan accepts employee pre-tax and Roth (after-tax) deferral contributions remitted to the Plan through payroll deductions not to exceed the maximum amount allowed by the Internal Revenue Service ("IRS"). Prior to January 1, 2018, the Company made safe harbor matching contributions at a rate of 100% of the first 3% of employee elective contributions and 50% of the next 2% of employee elective contributions. Effective January 1, 2018, the Plan was amended to remove the safe harbor matching provision. The Company may make a discretionary employer match. Each year, the Company may also contribute to the Plan out of its current profits such amount as shall be determined by the Company. In order to receive profit sharing contributions, a participant is required to be employed by the Company on the last day of the plan year or complete at least 500 hours of service in the applicable plan year. There were no discretionary employer matching contributions or profit sharing contributions in 2021. At the discretion of the plan administrator, participants may deposit rollovers from another qualified plan into the Plan.

Participants' Accounts

Employee contributions, employer contributions, and rollover contributions activity are maintained separately in each participant's account. Participants direct the investment of their account balances into various investment options offered by the Plan. Participants may change their investments daily. Each participant's account is credited with the participant's contributions, the Company's contribution, and the participant's account earnings or losses. Allocations are based on participants' compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in the salary reduction amount contributed to the Plan and the Employer Safe Harbor Matching contributions. Participants are fully vested in the discretionary employer match and the employer profit sharing contributions after six years of credited service.

1. Description of Plan (Continued)

Forfeited Accounts

The portion of a participant's account to which he is not entitled upon termination of employment is deemed a forfeiture. Forfeited accounts totaled \$0 at December 31, 2021. Forfeited amounts of unvested employer contributions can be used to reduce the Company's future contributions or pay Plan expenses.

Payment of Benefits

Generally, a participant becomes eligible to receive benefits on their normal retirement age (65), death, disability, termination of employment, or reasons of proven financial hardship. Early retirement is also permitted at age 59.5. For retirement, death or disability, the participant or beneficiary may receive 100% of their account balance as a lump sum or as a continuous right of withdrawal. Participants who terminate their employment will receive their vested account balance under the same options as above.

Hardship Withdrawals

Upon approval by the plan administrator, a participant may withdraw all or part of their vested contributions for immediate and severe financial need. In accordance with IRS regulations, the participant must exhaust all other assets available prior to obtaining the hardship withdrawal. Effective January 1, 2019, the Plan adopted the provisions of the Bipartisan Budget Act of 2018, which included the following changes to the rules for hardship withdrawals: (1) earnings on elective deferral contributions can be included as part of a hardship withdrawal; and (2) the requirement that a participant suspend their contributions for a six-month period after receipt of a hardship withdrawal was eliminated.

Coronavirus Aid, Relief, and Economic Security Act

The COVID-19 outbreak in the United States caused business disruption through mandated and voluntary closings of businesses in numerous industries. On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that included numerous employee benefit plan provisions to assist plan sponsors and participants. A participant must be a qualified individual in order to receive a COVID related distribution. A participant is considered a qualified individual if one or more of the following criteria are met:

- (a) The participant, spouse, or dependent is diagnosed with COVID-19.
- (b) The participant experiences adverse financial consequences as a result of being quarantined, furloughed, laid off, or having hours reduced due to COVID-19; unable to work due to lack of child care due to COVID-19; or closing or reduced hours of a business owned or operated by an individual due to COVID-19.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

1. Description of Plan (Continued)

Coronavirus Aid, Relief, and Economic Security Act (Continued)

A description of the CARES Act provisions for COVID related distributions is summarized below:

COVID Related Distributions

The 10% federal tax penalty is waived for COVID related distributions up to \$100,000 for qualified individuals through December 31, 2020. Participants have the option to pay tax on the income from the COVID related distribution over a three-year period or to repay the amount withdrawn back to the Plan over a three-year period. Repayments are not subject to contribution limits.

The Plan is required to be amended for the adoption of the CARES Act by December 31, 2022. Upon the merger on January 1, 2022, the Plan's assets were covered under CARES Act amendment previously adopted by the Essentra USA Deferred Savings Plan.

2. Significant Accounting Policies

Basis of Accounting

The 2020 financial statements of the Plan have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

On December 27, 2021, the Board of Trustees approved a plan of liquidation, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2020 financial statements to the liquidation basis used in presenting the 2021 financial statements.

Use of Estimates

The preparation of financial statements in conformity with the liquidation basis of accounting (2021) and GAAP (2020) require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are comprised of collective investment trust funds and pooled separate accounts. Investments in pooled separate accounts are valued using the Net Asset Value ("NAV") provided by the administrator of the fund, based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The pooled separate accounts do not have finite lives, unfunded commitments relating to these types of investments, or significant restrictions on redemptions.

3C PACKAGING, INC. SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

2. Significant Accounting Policies (Continued)

The contract value of the participation unit values owned by the Plan in the collective investment trust funds is based on quoted redemption values as determined by The Lincoln National Life Insurance Company ("Lincoln") on the last business day of the Plan year. The fair value of the participation unit values owned by the Plan in the collective investment trust funds is based on the market value of all of the trust's investments as determined by the custodian on the last business day of the Plan year.

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized appreciation and depreciation in value of investments are allocated to the participant accounts based on participant holdings in each fund.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses

Certain plan expenses are paid by the plan sponsor as provided by the plan document. Expenses related to specific participant transactions (distributions) are charged directly to the participant's account.

3. Federal Income Taxes

The Plan adopted a Prototype Volume Submitter Profit Sharing Plan document. This document received an opinion letter from the IRS on March 31, 2014, in which the IRS stated that the document was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). As allowed by the IRS, the Plan is relying on the opinion letter issued on the plan document for its own qualification. The plan document has been amended for changes required by the IRS since receiving the opinion letter. Plan management believes the Plan is currently designed and operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The liquidation basis of accounting (2021) and GAAP (2020) require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Plan Liquidation

Effective January 1, 2022, the Plan merged with Essentra USA Deferred Savings Plan and any remaining participant account balances were transferred to that plan. The Plan was liquidated as of January 5, 2022.

5. Investments

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained or derived from information certified as complete and accurate by Lincoln, the custodian of the Plan, and was not subject to audit for the years ended December 31:

	<u>2021</u>	<u>2020</u>

Collective Investment Trust Funds	137,785	147,974
Net Change in Value of Investments	\$ 489,931	

6. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits.

	<u>Total</u>
<u>December 31, 2021:</u>

6. Fair Value Measurements (Continued)

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels:

- Level 1 Inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority.
- Level 2 Inputs are based on significant other observable inputs such as:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. The Plan uses Level 2 inputs when market prices are not attainable but other observable inputs are available to arrive at a fair value, and Level 3 inputs were used only when Level 1 or Level 2 inputs were not available. There were no Level 1, 2, or 3 investments in the Plan.

7. Collective Investment Trust Funds

The collective investment trust funds invest in fully benefit-responsive investment contracts and are reported at contract value. Contract value represents the amount participants would receive if they were to initiate a transaction under the terms of the ongoing plan. Interest is credited daily at an interest rate not less than the guaranteed minimum interest rate, as shown on the contract specifications. The crediting rate is declared on a quarterly basis. The contract amount is guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on Lincoln's ability to meet its financial obligations from general assets.

The contract can be terminated under the following circumstances: (1) the contract owner breaches the contract; (2) if the Plan ceases to meet the requirements of the appropriate code sections; or (3) if, after a reasonable amount of time, the account has not grown sufficiently.

Trust units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals. The Plan is not required to provide advance written notice prior to redemption of trust units.

3C PACKAGING, INC. SAFE HARBOR 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

8. Party-in-Interest Transactions

Plan investments are managed by Lincoln. Certain Plan assets are shares of pooled separate accounts and collective investment trust funds managed by Lincoln. Lincoln is the custodian as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Lincoln and other parties-in-interest for investment management and administrative services amounted to \$18,029 for the year ended December 31, 2021.

9. Risks and Uncertainties

The Plan invests in various investment securities as directed by its participants. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of COVID-19, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impact could occur though such potential impact is unknown at this time.

10. Prohibited Transactions

During 2021, the Company failed to deposit \$13,927 of participant deferrals within the required timeframe as stated by the Department of Labor ("DOL"). The DOL considers late deposits to be a prohibited transaction. The Company calculated and deposited lost earnings related to these late remittances during 2021 and will file Form 5330 for applicable excise taxes on the delinquent participant contributions. The excise tax payment will be made from the plan sponsor's assets and not from assets of the Plan.

11. Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure in the financial statements through July 21, 2022, which is the date the financial statements were available to be issued.

The Plan merged into the Essentra USA Deferred Savings Plan on January 1, 2022. The Plan was fully liquidated by January 5, 2022. Upon the merger, the Plan's assets were covered under CARES Act amendment previously adopted by the Essentra USA Deferred Savings Plan.
