| <b>Part I</b> | <b>Service Provider Information (see instructions)</b> |
|---------------|--------------------------------------------------------|

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

**1 Information on Persons Receiving Only Eligible Indirect Compensation**

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## **Independent Auditors' Report**

Trustees and Plan Administrator  
Paulo Products Company 401(k) Plan  
St. Louis, Missouri

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of Paulo Products Company 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**Paulo Products Company 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020**

**1. Plan Description**

The following description of the Plan is provided for financial reporting purposes only. Participants of the Plan should refer to the plan document and summary plan description for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan as defined by Section 401 of the Internal Revenue Code ("IRC") covering all eligible employees of Paulo Products Company (the "Company" and "Plan Sponsor") except leased employees and employees of Paulo Products Company through acquisition, merger or start-ups after July 1, 2001. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

**Eligibility**

Employees may become participants on the first day of employment.

**Contributions**

Participants may contribute up to 60 percent of pretax and after-tax annual eligible compensation, as defined in the plan document, not to exceed certain dollar limits established by the IRC. Certain participants, as defined in the plan document, are automatically enrolled at five percent of eligible compensation with an annual increase of one percent up to a total of ten percent. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor matches the participants' contribution with an amount equal to 50 percent of the amount contributed by each participant, up to a maximum of five percent of eligible compensation. The Plan also provides for a discretionary non-elective employer contribution. These contributions may be suspended or discontinued at any time. Participants must be actively employed at the end of the Plan year to receive employer contributions.

**Participant Accounts**

Each participant's account is credited with the participant's and the Plan Sponsor's contribution, allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Paulo Products Company 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020**

**Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching and discretionary contribution portion of their account plus earnings is based on years of service, as defined in the plan document, in accordance with the following schedule:

| <u>Years of Service</u> | <u>% Vested</u> |
|-------------------------|-----------------|
| 1-2                     | 0%              |
| 3 and after             | 100%            |

The nonvested balance is forfeited upon termination of service. Participants become fully vested upon death, termination of the Plan, normal retirement age, or total disability. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$141,440 and \$145,679, respectively.

The forfeited accounts will be used to reduce future employer contributions or pay administrative expenses. For the years ended December 31, 2021 and 2020, employer contributions were reduced by \$63,321 and \$141,447, respectively, from forfeited nonvested accounts.

**Notes Receivable from Participants**

The plan document includes provisions authorizing loans from the Plan to active eligible participants. Participants may borrow from their accounts a minimum of \$1,000 up to the maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The maximum number of loans available to any participant is one. The loans are secured by the balance in the participant's account and bear interest at a fixed rate determined by the Plan's administrator, based on the prevailing market conditions, over the life of the note. The interest rate on outstanding loans at December 31, 2021 ranged from 4.25 percent to 6.50 percent, which is determined by the plan administrator and is based on the rates available for similar loans from commercial lending institutions. The loan repayment period is dictated by the plan document based on the original use of the funds. Principal and interest are paid ratably through payroll deductions.

**Payment of Benefits**

Prior to separation from service with the Plan Sponsor, a participant may request a distribution of rollover contributions. In the event of a financial hardship, certain participant funds, as defined in the plan document, may be requested for distribution. In-service distributions may also be requested by participants who are at least age 59 ½.

**Paulo Products Company 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020**

Upon attainment of normal retirement age, total disability, or death, the amount credited to a participant's account is payable in a lump sum or installments. Upon termination of employment for reasons other than retirement, total disability, or death, the participant's account balance will be distributed in a manner based on the value of the account. If a separated participant's account does not exceed \$1,000, the benefit will be distributed in a lump sum within a reasonable time after termination of employment. If the participant's account balance exceeds \$1,000, the participant may elect to receive the benefit in a lump sum or installments in accordance with the plan document.

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of the Plan have been prepared in accordance with the provisions of the Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (the "FASB ASC"), which is the source of authoritative, non-governmental accounting principles generally accepted in the United States of America ("GAAP"). All references to authoritative accounting guidance contained in our disclosures are based on the general accounting topics within the FASB ASC.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the Plan's management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Fair Value Measurements**

The Plan follows guidance issued by the FASB on fair value measurements, which establishes a framework for measuring fair value, clarifies the definition of fair value within the framework, and expands disclosures about the use of fair value measurements. This guidance applies whenever fair value is the applicable measurement. The three general valuation techniques used to measure fair value are the market approach, cost approach, and income approach.

**Paulo Products Company 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent loans are treated as distributions based upon the terms of the plan document.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts established by the IRC are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2020 and 2021 excess contributions to the applicable participants prior to the following March 15.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account, recordkeeping fees are allocated to participant accounts based on the account balance, and both are included in administrative expenses. Investment related expenses are included in the net appreciation in fair value of investments.

**3. Information Certified by the Trustee**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and expenses for the years ended December 31, 2021 and 2020, was obtained from information supplied to the Plan Sponsor and certified as complete and accurate by Fidelity Management Trust Company ("Fidelity."), the trustee of the Plan.

**Paulo Products Company 401(k) Plan  
Notes to Financial Statements  
December 31, 2021 and 2020**

**4. Fair Value Measurements**

The framework for measuring fair value establishes a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value into Levels 1, 2, and 3. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                              |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical instruments in active markets.                                                                                                                                                                                                                                                                |
| Level 2 | Inputs to the valuation methodology to include quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in inactive markets, inputs other than quoted prices that are observable for the instrument, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                          |

The instruments' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 investments consist of publicly traded mutual funds. These securities are valued at the daily closing price of the funds at year-end.

Investments also consist of a common collective trust that is valued at the net asset value ("NAV") of units of a bank collective trust held by the Plan at year-end. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust. Participant transactions (issuances and redemptions) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Investments measured at fair value based on NAV per share practical expedient as of December 31, are as follows:

Notes to Financial Statements  
December 31, 2021 and 2020**

**5. Related Party and Party-in-Interest Transactions**

At December 31, 2021 and 2020, certain Plan investments are shares of mutual funds of Fidelity. Fidelity Management Trust Company provides trustee services and Fidelity Workplace Services LLC provides administrative and recordkeeping services to the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. During 2021 and 2020, recordkeeping fees of \$68,167 and \$35,390, respectively, were allocated to plan participants' accounts and are included in administrative expenses.

During 2021 and 2020, the Plan Sponsor paid certain administrative and other operating expenses of the Plan.

**6. Plan Amendment**

The Families First Coronavirus Response Act and the Coronavirus Aid, Relief and Economic Security Act (the "Acts") were enacted in 2020 in response to the coronavirus outbreak, which among other things contained numerous tax, funding and other provisions that affect pension benefits. The Plan continues to evaluate the impact of the Acts on its Plan provisions, operations and cash flows.

**7. Plan Termination**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Plan Sponsor contribution portion of their account.

**8. Tax Status of Plan**

The Plan adopted the Fidelity Management Volume Submitter Defined Contribution Plan. The prototype plan uses the Fidelity Management advisory letter for qualification issued by the Internal Revenue Service ("IRS") on March 31, 2008 stating that the prototype plan is designed in accordance with the applicable section of the IRC. On October 27, 2021, the Plan Sponsor adopted the Fidelity Pre-Approved Defined Contribution Plan - Basic Plan Document No. 17 with an IRS qualification letter dated June 30, 2020. The Plan has been amended since the date of the advisory letter. Plan Sponsor management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

**Paulo Products Company 401(k) Plan**  
**Notes to Financial Statements**  
**December 31, 2021 and 2020**

In accordance with GAAP, the Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan's management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan management believes the Plan is no longer subject to income tax examinations for the years prior to 2018. The Plan is also subject to routine audits by the Department of Labor, generally for six years after the statutory due date of the annual information return. There are currently no audits in progress for any tax periods.

**9. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**10. Subsequent Events**

The Plan has evaluated subsequent events through July 25, 2022, the date on which the financial statements were available to be issued.

Effective March 1, 2022, the Plan has been amended to allow rollover contributions from an eligible retirement plan.
