INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Long Beverage, Inc.
401(k) Profit Sharing Plan
Raleigh, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Long Beverage, Inc. 401(k) Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits, as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed, in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank, similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank, similar institution, or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution, as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the December 31, 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the ***Auditor's Responsibilities for the Audit of the December 31, 2021 Financial Statements*** section –

- the amounts and disclosures in the December 31, 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the December 31, 2021 financial statements related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the December 31, 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the ***Auditor’s Responsibilities for the Audit of the December 31, 2021 Financial Statements*** section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements, in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor’s Responsibilities for the Audit of the December 31, 2021 Financial Statements

Except, as described in the ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the December 31, 2021 Financial Statements*** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we –

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters – December 31, 2021 Supplemental Schedules Required by ERISA

Auditor's Report on the December 31, 2020 Financial Statements

The financial statements of the Plan, as of December 31, 2020, were audited by a predecessor auditor. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by Wells Fargo Bank, N.A. and Delaware Charter Guarantee and Trust Company, dba/Principal Trust Company ("the Trustees"). Their report, dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the Trustees, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

A. DESCRIPTION OF PLAN

The following description of the Long Beverage, Inc. (“the Company”) 401(k) Profit Sharing Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

1. **General.** The Plan is a defined contribution plan covering all employees of the Company who have met the eligibility requirements. To be eligible to enroll in the Plan and make salary deferrals, an employee must have attained the age of twenty-one (21) and completed ninety (90) days of service. Once an employee meets the age and service requirements, the employee may participate in the Plan on the first day of the next month after meeting or coinciding with meeting the service requirements. The Plan also has a Safe Harbor Matching provision wherein the employer will match participant contributions. To be eligible to receive Safe Harbor Matching contributions, the employee must have attained the age of twenty-one (21) and completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Company’s Board of Directors (“the Board”) is responsible for oversight of the Plan, as well as oversight of the Plan’s investment offerings and monitors investment performance. The Plan was established on May 1, 1976, and was last amended on February 10, 2020, to allow the years of service accrued by employees of Mims Distributing Company, Inc., which the Company acquired, to count toward eligibility and vesting requirements.

On March 27, 2020, Congress signed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”). The CARES Act took immediate effect and contains several provisions that temporarily impact qualified plans, including a new hardship withdrawal option and a loan payment pause option. The Company incorporated these provisions into the Plan effective March 27, 2020.

2. **Contributions.** Each year participants may contribute up to 100% of pre-tax or after-tax annual compensation as defined in the Plan, up to the maximum amount allowable for the Internal Revenue Code (“IRC”). Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company matches 100% of the first 3% of base compensation plus 50% between 3% and 5% of base compensation. The Company contributed \$223,495 of safe harbor matching contributions for the year ended December 31, 2021.
3. **Participant Accounts.** Each participant’s account is credited with the participant’s contributions and allocations of the Company’s safe harbor matching contributions, Plan earnings (losses), charged with benefits paid to participants, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
4. **Vesting.** Participants are immediately vested in their contributions and rollover contributions, plus actual earnings thereon. Vesting in the Company’s contribution portion, prior to January 1, 2018, plus actual earnings thereon, was based on years of continuous service. A participant vests 20% per year of service beginning with year two (2) and is 100% vested after six (6) years of continuous service.
5. **Investment Options.** Upon enrollment in the Plan, a participant may direct employee and employer contributions in any of the investment options offered by the Plan. Participants may change their investment allocations daily and their contribution percentages quarterly.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

A. DESCRIPTION OF PLAN [cont'd]

- 6. Notes Receivable from Participants.** Participants may borrow, from their fund accounts, a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 2%, as determined by the Plan Administrator. Participants are allowed a maximum of one loan outstanding from the Plan at a time. Loans must be repaid within five (5) years, unless the loan is for the purchase of a residence, which the repayment terms are thirty (30) years. Interest rates on the outstanding loans were 5.25% to 7.50% at December 31, 2021, and mature through October 2026. Principal and interest are paid ratably through payroll deductions.
- 7. Payment of Benefits.** Upon termination of service due to death, disability, retirement, or other termination of service, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Normal retirement is age sixty-five (65). Early retirement is age sixty (60) with ten (10) years of service. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.
- 8. Forfeited Accounts.** As of December 31, 2021 and 2020, there were no balances in forfeited nonvested accounts and no forfeitures added or used in forfeited nonvested accounts. These accounts can be used to reduce future Company safe harbor matching contributions or pay Plan expenses.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements, in conformity with GAAP, requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments in stable value common/collective funds are reported at net asset value ("NAV"). The Plan's management determines the Plan's valuation policies utilizing information provided by Wells Fargo Bank, N.A. and Delaware Charter Guarantee and Trust Company, dba/Principal Trust Company ("the Trustees"). See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the period.

401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *[cont'd]*

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded, as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant note receivable balance is reduced and a benefit payment is recorded as a defaulted distribution bases upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid. As of December 31, 2021 and 2020, there were no distributions approved but not paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses include professional fees related to the preparation of the Plan's tax returns, audit fees, attorney fees, and recordkeeping/custodian fees. Fees incurred by the Plan are charged against the individual participant's account and are included in administrative expenses. See Note H for discussion of expenses for the year ended December 31, 2021.

Risks and Uncertainties

The Plan provides for various investment fund options. Investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

As a result of the spread of the coronavirus ("COVID-19"), economic uncertainties have arisen triggering volatility in financial markets and a significant negative impact on the global economy. As the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the number of potential losses that will be recognized in subsequent periods, if any, cannot be determined. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report.

C. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES

All investment information disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest, dividends, and investment expenses for the year ended December 31, 2021, were obtained, or derived from, information supplied to the Plan Administrator and certified as complete and accurate by the Trustees.

C. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEES *[cont'd]*

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held, during the year), appreciated in value as follows:

Investment Income:

Net appreciation in fair value of investments	\$ 828,276
Dividends, interest, and other income	<u>66,978</u>
	<u>\$ 895,254</u>

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information included in the financial statements and supplemental schedule.

D. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Codification establishes a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three (3) levels of the fair value hierarchy under FASB Codification are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liabilities;
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

D. FAIR VALUE MEASUREMENTS *[cont'd]*

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and classified as Level 1.

Stable value collective funds: This investment is a public investment vehicle valued using NAV provided by the administrator to the fund as a practical expedient. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The common/collective trust is not classified within fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,249,023	\$ ---	\$ ---	\$ 6,249,023
Total mutual funds at fair value	<u>\$ 6,249,023</u>	<u>\$ ---</u>	<u>\$ ---</u>	
Stable value collective trust fund measured at NAV*				<u>901,641</u>
Investments at fair value				<u>\$ 7,150,664</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value, as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,901,549	\$ ---	\$ ---	\$ 5,901,549
Total mutual funds at fair value	<u>\$ 5,901,549</u>	<u>\$ ---</u>	<u>\$ ---</u>	
Stable value collective trust fund measured at NAV*				<u>942,333</u>
Investments at fair value				<u>\$ 6,843,882</u>

* In accordance with GAAP, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**LONG BEVERAGE, INC.
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

D. FAIR VALUE MEASUREMENTS *[cont'd]*

The following table summarizes investments measured at fair value, based on NAV per share, as of December 31, 2021:

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Applicable)	Redemption Notice Period
Collective trust	\$ 901,641	N/A	Daily	12 months

The following table summarizes investments measured at fair value, based on NAV per share, as of December 31, 2020:

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Applicable)	Redemption Notice Period
Collective trust	\$ 942,333	N/A	Daily	12 Months

E. COLLECTIVE TRUST

The Plan invests in a collective trust investment offering, the Wells Fargo Stable Return Fund (“the Fund”). The Fund is a collective trust fund with investments in contracts at fair value of the underlying investments, and then adjusted by the issuer to NAV. The Fund may invest in fixed interest insurance investment contracts, money market funds, corporate and government bonds, mortgage-backed securities, bond funds, and other fixed income securities. Participants may ordinarily direct the withdrawal or transfer of all, or a portion of, their investment at NAV. NAV represents contributions made to the Fund, plus earnings, less participant withdrawals. The risk of the collective trust and its net realizable value are dependent upon the financial stability of the issuing entity and its ability to fulfill the terms of the contract. For the Fund, there were no reserves established against contract value for credit risk at December 31, 2021 and 2020.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed as outlined in the Plan document.

G. TAX STATUS

The Plan uses a prototype plan document sponsored by Principal Life Insurance Company. Principal Life Insurance Company received an opinion letter from the Internal Revenue Service (“IRS”) dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan has been amended since receiving the opinion letter. The Plan itself has not received a determination letter from the IRS. However, the Plan sponsor believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

**LONG BEVERAGE, INC.
401(K) PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

G. TAX STATUS [cont'd]

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. PARTY-IN-INTEREST TRANSACTIONS

Fees paid to the Trustees were \$54,839 for the year ended December 31, 2021. These transactions qualify as party-in-interest transactions.

Note receivables from participants qualify as party-in-interest transactions.

I. SUBSEQUENT EVENTS

In accordance with GAAP related to subsequent events, the Plan has evaluated all events subsequent to the statement of net assets available for benefits date of December 31, 2021 through July 8, 2022, which is the date these financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure.

J. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits, per the accompanying 2021 and 2020 financial statements to Schedule H of Form 5500, as of December 31:
