INDEPENDENT AUDITOR'S REPORT

July 27, 2022

To the Board of Directors of
Curtis Lumber Co., Inc.
Employees' Savings and Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Curtis Lumber Co., Employees' Savings and Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Curtis Lumber Co., Employees' Savings and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Curtis Lumber Co., Employees' Savings and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Curtis Lumber Co., Employees' Savings and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Curtis Lumber Co., Employees' Savings and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Curtis Lumber Co., Employees' Savings and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule, that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Curtis Lumber Co., Employees' Savings and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CURTIS LUMBER CO., INC. EMPLOYEES' SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Curtis Lumber Co., Inc. Employees' Savings and Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution and profit sharing plan that qualifies as a cash or deferred arrangement under Section 401(k) of the Internal Revenue Code. Effective May 1, 2021, the Plan is extended to all employees of Curtis Lumber Co., Inc. (Company) who have completed at least 90 days of service. Prior to May 1, 2021, the Plan was extended to all employees of the Company who had completed at least three months of service and were at least age eighteen. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Contributions Receivable

Participants may elect to contribute, on a pre-tax basis (elective deferrals), from 1% to 80% of their pay up to a maximum calendar year limit. The Company may make a qualified matching contribution to the Plan on behalf of the participants equal to a discretionary percentage of the employees' salary deferrals. The matching contribution may also be limited to salary deferrals of a certain amount or a certain percentage of the employees' compensation. In 2021 and 2020, the matching contribution was 50% of employee deferrals up to 5% of employees' compensation. Employer matching contributions amounted to \$846,677 and \$701,303 for the years ended December 31, 2021 and 2020, respectively.

At its discretion, the Company may also contribute a profit sharing contribution to the Plan for each employee that meets the eligibility requirements. For 2021 and 2020, the Company profit sharing contribution amounted to \$1,500,000 and \$0, respectively.

Investments

The Plan currently offers twenty-five (25) mutual funds through a regulated investment company and one common collective trust fund. Participants may change their investment options daily.

Participant Accounts

Each participant's account is credited with the participant's contributions, along with an allocation of (a) the Company's contributions, and (b) Plan earnings and losses. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The entitled benefit is the participant's account balance subject to vesting.

Vesting

Participants are immediately vested in their voluntary contribution, plus actual earnings/losses thereon. Vesting in the Company profit sharing contribution and employer matching contribution portion of individual accounts, plus earnings thereon, is based on years of continuous service. For the employer matching contribution and the profit sharing contribution, a participant becomes 100% vested after three years of service. The Company does not have an incremental vesting schedule therefore participants are fully vested after they complete the minimum years of service. The nonvested portion of a participant's account shall be forfeited as of the end of the Plan year in which the participant has 5 or more consecutive 1-year breaks in service or at the time of distribution of the participant's vested interest, if earlier.

1. DESCRIPTION OF PLAN (Continued)

Forfeitures

Forfeitures are used to offset the employer contributions. During 2021 and 2020, forfeitures from nonvested accounts were \$43,653 and \$10,481, respectively. As of December 31, 2021 and 2020, the balance of forfeited nonvested accounts available to be used to reduce future employer contributions was \$42,856 and \$14,768, respectively. In 2021 and 2020, employer contributions were reduced by \$15,564 and \$21,000 from forfeited nonvested accounts, respectively.

Benefits

The Plan provides for normal retirement benefits upon reaching age 65 and has provisions for early retirement, disability, and termination benefits. The Plan provides for payments of benefits in an amount equal to the participant's vested portion of the Company contributions and investment income, plus any employee contributions and related investment income. Benefits may be paid as a lump sum payment in cash or in equal installments over a period of assumed life expectancy at the time of distribution.

The Coronavirus Aid Relief and Economic Security Act ("CARES Act") was passed by the U.S. Senate on March 26, 2020. Plan Management approved provisions to the Plan on April 20, 2020 in response to the CARES Act, which permitted eligible Plan participants to request penalty-free distributions until December 31, 2020 of up to the lesser of \$100,000 or 100% of their vested balance for qualifying coronavirus-related reasons. These reasons include adverse financial consequences due to being quarantined, furloughed, laid-off, having work hours reduced or being unable to work due to a lack of childcare due to COVID-19. Additionally, the CARES Act waived the 10% penalty tax for early withdrawals, and any early withdrawals would be included in the impacted participant's taxable income over a three-year period, unless the participant elected to have the withdrawal fully taxed in the year of distribution. There was no limit to the number of withdrawals each participant could make, and repayments of the withdrawal amounts are allowed if repayment occurs within three years of distribution. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Notes Receivable from Participants

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50 percent of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant notes fund. Generally, loan terms range from several months to 5 years. If the loan is used to purchase a primary residence, the loan may be repaid over a reasonable period of time that may be longer than 5 years. The loans are secured by the balance in the participant's account and bear interest at the prime rate of interest plus 1%. Principal and interest are paid ratably through payroll deductions, which cannot be less frequently than quarterly.

Following the enactment of the CARES Act in March 2020, through September 22, 2020, qualifying participants could borrow up to \$100,000 from the total of their vested balance for a maximum of five years with the option to delay repayment until 2021. A written amendment to the Plan to reflect this operational change will be adopted at a later date in accordance with applicable law and IRS guidance.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes in those assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates, particularly given the economic disruptions and uncertainties associated with the ongoing COVID-19 pandemic, and such differences may be significant.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

Financial Instruments Measured at Fair Value

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in mutual funds. The collective investment trust is measured using the net asset value (NAV) per share practical expedient as determined by the issuer based on current fair values of the underlying assets of the fund as of December 31, 2021 and 2020.

Fair Value Measurement - Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value and classifies into a three level hierarchy based on the nature of the inputs. Level 1 valuations are based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Level 2 valuations are based on inputs, other than quoted prices included within Level 1 that are observable either directly or indirectly. Level 3 valuations are based on inputs that are unobservable and significant to the overall fair value measurement. The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end based on quoted market prices.

Collective investment trust: Valued based on the fair value using the NAV practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The plan was provided with the asset classification by the Plan trustee, State Street Bank and Trust Company.

Risks and Uncertainties

The Plan provides for various investment options in a variety of investment securities. Investment securities are exposed to various risks, such as interest rate risk, financial market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

The United States is presently in the midst of a national health emergency related to a virus, commonly known as Novel Coronavirus (COVID-19). The COVID-19 pandemic has led to volatility in financial markets and has affected and may continue to affect Plan assets. The potential economic impact brought by, and for the duration of, COVID-19 is difficult to assess or predict and will depend on future developments that are highly uncertain and cannot be predicted.

Administration

The Profit Sharing Plan Committee of Curtis Lumber Co., Inc. is responsible for the administration of the Plan. The majority of the direct administrative costs are absorbed by the Plan Sponsor.

Payment of Benefits

Benefits to terminated participants are recorded when paid.

3. FAIR VALUE MEASUREMENTS

At December 31, 2021, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			<u>Total</u>
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	
Mutual funds	<u>\$62,264,948</u>	<u>\$ -</u>	<u>\$ -</u>	\$62,264,948
Investments measured at net asset value as a practical expedient				<u>1,544,407</u>
Total investments, at fair value				<u>\$63,809,355</u>

At December 31, 2020, the Plan's investments are measured at fair value on a recurring basis and are valued within the fair value hierarchy as follows:

	Fair Value Measurements at the End of the Reporting Period Using:			<u>Total</u>
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	
Mutual funds	<u>\$54,574,105</u>	<u>\$ -</u>	<u>\$ -</u>	\$54,574,105
Investments measured at net asset value as a practical expedient				<u>2,008,434</u>
Total investments, at fair value				<u>\$56,582,539</u>

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured using the Net Asset Value per Share Practical Expedient

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2021</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>

<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Eligible)</u>	<u>Redemption Notice Period</u>
Collective investment trusts	\$2,008,434	N/A	Daily	Daily

Collective Investment Trusts

Reliance/MetLife Stable 25053 Class 0 is a stable value fund with an intended purpose of preserving principal while generating earnings at rates competitive over time with short-term high quality fixed income investments.

4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

5. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee, State Street Bank and Trust Company, as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Cash and cash equivalents	\$ 83,758	\$ 51,632
Investments, at fair value	\$ 63,809,355	\$ 56,582,539

Interest income on notes receivable from participants	\$ 22,174	\$ 26,738

Schedule of Assets (Held at End of Year) - Schedule I

6. PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2021 and 2020, the cash reserve account was managed by State Street Bank and Trust Company, who also is the recordkeeper and trustee of the Plan. Therefore, transactions amongst this account qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

The Plan also allows current employees who are participants to receive loans under specific circumstances. As such, transactions between the participants that have notes receivable to the Plan qualify as party-in-interest transactions.

7. TAX STATUS

The Plan is tax-exempt under Section 401(a) of the Internal Revenue Code. The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended subsequent to receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 27, 2022, which is the date the financial statements were available to be issued.
