Independent Auditors' Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The Fort Miller Group Incentive Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Fort Miller Group Incentive Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Fort Miller Group Incentive Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Fort Miller Group Incentive Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are no conditions or events, considered in the aggregate, that raise substantial doubt about The Fort Miller Group Incentive Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedules Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

2021 Supplementary Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in accordance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The Fort Miller Group Incentive Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, The Fort Miller Group Incentive Savings Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE FORT MILLER GROUP INCENTIVE SAVINGS PLAN

Notes To Financial Statements

Note 1: Description Of Plan

The following description of The Fort Miller Group Incentive Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan was established in October 1987, and is a defined contribution plan covering substantially all full-time non-union employees of The Fort Miller Group, Inc. and Subsidiaries (the Company). Individuals are eligible to participate following completion of six months of service and reaching 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions - Participants may contribute up to 75% of their annual compensation as defined by the Plan on a before-tax basis (or after-tax basis for Roth accounts). The Plan has an automatic contribution arrangement whereby absent a salary deferral agreement, participants are automatically enrolled in the Plan at a salary deferral rate of 5%, on the first day of the month following their eligibility. Eligible employees who have attained age 50 before the close of the Plan year shall be eligible to make catch-up contributions in accordance with Internal Revenue Code provisions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company may make a discretionary matching contribution each year to the Plan equal to a percentage of the amount of participant contributions. In making the contribution, only participant contributions up to 10% of a participant's compensation shall be considered. For the years ended December 31, 2021 and 2020, the Company made discretionary matching contributions equal to 50% of participants' contributions up to 10% of their compensation. An additional discretionary amount determined each year by the Company may be contributed after any discretionary matching contributions. All contributions are subject to Internal Revenue Code limitations.

Participants' accounts - Each participant's account is credited or charged, as applicable, with all participant contributions and allocations of the Company's contributions, transfers, plan earnings (losses), payments, forfeitures, withdrawals, expenses, or other distributions made to or from such accounts during the period. Allocations of company discretionary contributions and forfeitures are based on the participants' qualified compensation. Earnings or losses are allocated based on participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting - Participants are immediately vested in their voluntary contributions and allocated investment earnings. Upon the attainment of three years of service, participants become fully vested in company discretionary contributions. Under the terms of the Plan, a year of service for vesting purposes is defined as 1,000 hours of service during any plan year. There is no partial vesting for less than three years of service. In the event of a participant's retirement, death, or disability, the participant becomes fully vested in the employer discretionary contribution for any plan year provided a year of service has been completed.

THE FORT MILLER GROUP INCENTIVE SAVINGS PLAN

Notes To Financial Statements

Note 1: Description Of Plan (Continued)

Forfeited accounts - As of December 31, 2021 and 2020, non-vested forfeited accounts totaled \$63,132 and \$38,014, respectively. For the years ended December 31, 2021 and 2020, forfeitures used to reduce employer contributions or expenses were \$56,791 and \$1,129, respectively.

Payments of benefits - On the termination of service or separation of service due to death, disability, or retirement, a participant or their beneficiary will be entitled to receive payment of their vested interest in a single lump-sum distribution. A participant or their beneficiary will also be entitled to receive payment of their vested interest in equal annual installments over a set number of years, or in partial distributions.

Participant loans - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their elective deferral and rollover amounts. The loans must be adequately secured and bear a reasonable rate of interest, and payments must be made in accordance with the terms of the Plan.

Plan termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the account of each participant shall become fully vested in all contributions, and distributed in accordance with the Plan Agreement.

Note 2: Summary Of Significant Accounting Policies

Investment valuation and income recognition - Accounting principles generally accepted in the United States of America establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The three levels of the fair value hierarchy in accordance with accounting principles generally accepted in the United States of America are described below:

Level 1: Unadjusted quoted prices in active markets for identical, unrestricted assets, or liabilities that the Plan has the ability to access at the measurement date;

Level 2: Quoted prices which are not active, quoted prices for similar assets or liabilities in active markets, or inputs other than quoted prices that are observable (either directly or indirectly) for substantially the full term of the asset or liability; and

THE FORT MILLER GROUP INCENTIVE SAVINGS PLAN

Notes To Financial Statements

Note 2: Summary Of Significant Accounting Policies (Continued)

Level 3: Significant unobservable prices or inputs (including the Plan's own assumptions in determining the fair value of investments) where there is little or no market activity for the asset or liability at the measurement date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Purchases and sales of securities are recorded on a trade-date basis with the gain or loss based upon the average-cost method. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants - Loans to participants are reported at their unpaid principal balance plus any accrued but unpaid interest.

Income taxes - The Plan is exempt from federal income tax under the Internal Revenue Code. Tax positions are evaluated and recognized in the financial statements when it is more-likely-than-not the position will be sustained upon examination by tax authorities.

The Plan has adopted a prototype plan document which has an opinion letter dated August 19, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. The application of these accounting principles involves the exercise of judgment and use of assumptions as to future uncertainties and, as a result, actual results could differ from these estimates. The Plan periodically evaluates estimates and assumptions used in the preparation of the financial statements and makes changes on a prospective basis when adjustments are necessary.

Presentation - Certain reclassifications, when applicable, are made to the prior year financial statement presentation to correspond to the current year's format. Reclassifications, when made, have no effect on net assets available for benefits or changes in net assets available for benefits.

THE FORT MILLER GROUP INCENTIVE SAVINGS PLAN

Notes To Financial Statements

Note 3: Investments

The statements of net assets available for benefits, the investment activities included in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the accompanying notes to the financial statements (other than the assignment of levels) were prepared in part or entirely from information certified by Reliance Trust Company, the Trustee of the Plan from January 1, 2020 through September 26, 2021, and T. Rowe Price Trust Company, the Trustee of the Plan from September 27, 2021 through December 31, 2021, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of \$81,920,074 and \$72,306,147 at December 31, 2021 and 2020, respectively, and related investment income of \$10,400,752 and \$12,014,046 for the years ended December 31, 2021 and 2020, respectively.

Note 4: Fair Value Measurements

The following is a description of the valuation methodologies used for assets at fair value at December 31, 2021 and 2020:

Mutual funds: Valued at quoted market prices in active markets.

Common trust funds: Valued daily at the close of the New York Stock Exchange. Investments in the underlying trusts are valued at their closing Net Asset Value (NAV) per unit on the day of valuation.

Stable value funds: The stable value funds are composed primarily of investment contracts contained in a collective trust and are valued at the NAV of the units of the collective trust. The NAV is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. The objective of the Funds is to provide preservation of capital and relatively stable returns consistent with comparatively low risk.

The preceding methods may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Total Investments At Fair Value				<u>\$ 71,424,546</u>

In accordance with accounting principles generally accepted in the United States of America, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit the reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

THE FORT MILLER GROUP INCENTIVE SAVINGS PLAN

Notes To Financial Statements

Note 5: Related Party Transactions

Fees for certain administrative services may be paid by the Company.

Certain Plan investments are managed by T. Rowe Price Trust Company, as denoted on the supplementary Schedule of Assets (Held at End of Year). T. Rowe Price Trust Company is the recordkeeper for the Plan as of December 31, 2021 and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of return earned on each fund.

Certain Plan investments were managed by Empower Retirement (formerly known as MassMutual). Empower Retirement was the recordkeeper for the Plan from January 1, 2020 through September 26, 2021 and, therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of return earned on each fund.

Note 6: Commitments And Contingencies

The Plan follows the guidance for uncertainty in income taxes. As of December 31, 2021, the Plan believes that it has appropriate support for the income tax positions taken and to be taken on its returns based on an assessment of many factors including experience and interpretations of tax laws applied to the facts of each matter. The Plan has concluded that there are no significant uncertain tax positions requiring disclosure, and there are no material amounts of unrecognized tax benefits.

Note 7: Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

Notes To Financial Statements

Note 7: Reconciliation Of Financial Statements To Form 5500 (Continued)

The following is a reconciliation of the increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2021:

Increase in net assets available for benefits per financial statements	\$ 9,589,218
Adjustment for prior year employer contributions receivable	<u>24,709</u>
Total Net Income Per Schedule H Of Form 5500	<u>\$ 9,613,927</u>

Note 8: Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which could continue to impact current and future operating results. However, the duration and any related impact is unknown at this time.

Note 9: Subsequent Events

Subsequent events have been evaluated through July 26, 2022, which is the date the financial statements were available to be issued.
