Independent Auditor's Report

To the Plan Administrator of
Helget Gas Products, Inc. Employees 401(k) Plan
Omaha, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Helget Gas Products, Inc. Employees 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 (Schedule 1) and schedule of delinquent participant contributions for the year ended December 31, 2021 (Schedule 2) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following description of the Helget Gas Products, Inc. Employees 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of Helget Gas Products, Inc. (Employer), as defined in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Management of the Employer is responsible for oversight of the Plan, as well as determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

B. Eligibility

Employees are eligible to make salary deferral contributions and receive discretionary Employer matching contributions and non-elective profit sharing contributions upon attaining age 20½ and completing sixty days of service. Entry dates into the Plan are the first day of the month after eligibility requirements are met.

C. Contributions

Participants may contribute up to 100% of pre-tax compensation and irregular pay (e.g. bonuses). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Employer may make discretionary matching contributions equal to a percentage of the participants' salary reductions. For the year ended December 31, 2021, the Employer contributed 25% of the participant's salary reduction up to 4% of eligible compensation. The Employer may also make non-elective profit sharing contributions. There was no non-elective profit sharing contribution for the year ended December 31, 2021.

All contributions are participant directed. Participants are allowed to invest in a variety of investment options offered by the Plan and may change their allocation on a daily basis. Contributions are subject to certain Internal Revenue Service (IRS) limits.

D. Participant Accounts

Each participant's account is credited with the participant's contributions (including rollovers), and allocations of (a) the Employer's contributions, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

E. Vesting

Participants are fully vested in their contributions (including rollovers), plus or minus actual earnings or losses thereon. A participant becomes vested with regard to the discretionary Employer matching and non-elective profit sharing contributions and the earnings or losses thereon based on the following vesting schedule:

Helget Gas Products, Inc. Employees 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

Completed Years of Service	Percentage of Account Vested
0-1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

If a participant incurs a separation from service as a result of death or disability, all contributions become 100% vested. Participants become 100% vested upon retirement.

F. *Payment of Benefits*

On termination of service due to death, disability, retirement, or other reason, a participant or a beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, substantially equal installments, or partial withdrawals. If the participant's account is less than \$5,000, the Plan can automatically cash out the account in a lump-sum payment. In-service withdrawals are permitted if the participant has reached age 59½. Hardship withdrawals for qualifying expenses are permitted by the Plan.

G. *Forfeitures*

Forfeitures are retained in the Plan and are used to reduce future Employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$4,413 and \$5,603, respectively. In 2021, Employer contributions were reduced by \$10,593 from forfeited nonvested accounts.

(2) Summary of Significant Accounting Policies

A. *Basis of Accounting*

The financial statements are prepared on the accrual basis of accounting.

B. *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. *Investment Valuation and Income Recognition*

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Employer determines the Plan's valuation policies utilizing information provided by the custodian.

The fair value of pooled separate accounts is determined by the net asset value of the funds' underlying investments held at year end adjusted for any dividends or distribution received by John Hancock Life Insurance Company (U.S.A.), the custodian, and the daily equivalent of any fee charged by the custodian pursuant to the contracts. There have been no changes in the methodology used at December 31, 2021 and 2020.

Helget Gas Products, Inc. Employees 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payments of Benefits

Benefit payments to participants are recorded when paid.

E. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

F. Subsequent Event

The Plan has evaluated subsequent events through July 22, 2022, the date the financial statements were available to be issued.

(3) Information Certified by John Hancock Life Insurance Company (U.S.A.)

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedules, that were prepared by or derived from information provided by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from John Hancock Life Insurance Company (U.S.A.) as of December 31, 2021 and 2020, and for the period ended December 31, 2021, that information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

The custodian certified to the completeness and accuracy of \$2,001,205 and \$1,690,227 of Plan assets at December 31, 2021 and 2020, respectively, and \$229,948 of net appreciation in fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year) for the year ended December 31, 2021.

Notes to Financial Statements December 31, 2021 and 2020

(4) Fair Value of Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)

The following table sets forth additional disclosures of Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2021 and 2020:

	2021 Fair Value	2020 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts -					
Asset allocation funds (a)	\$ 1,325,620	1,084,642	--	Daily	None
Large-cap stock funds (b)	363,106	290,568	--	Daily	None
Mid-cap stock funds (c)	131,765	119,977	--	Daily	None
Sector/specialty funds (d)	104,519	69,229	--	Daily	None
Foreign stock funds (e)	30,150	7,712	--	Daily	None
Small-cap stock funds (f)	22,035	14,049	--	Daily	None
Income funds (g)	19,597	98,447	--	Daily	None
	<u>\$ 1,996,792</u>	<u>1,684,624</u>			

- (a) These funds provide a diversified exposure to stocks, bonds, and cash for those investors who have a specific date or investment strategy in mind for retirement or another goal. The target date portfolios aim to provide investors with an optimal level of return and risk, based solely on the target date. Over time, fund managers adjust the allocation among asset classes to more conservative mixes as the target date approaches. The lifestyle portfolios aim to provide investors with aggressive, growth, balances, and conservative strategy goals.
- (b) This category seeks capital appreciation by investing primarily in large capitalization companies. Although it invests primarily in U.S. securities, investments in foreign companies may be made.
- (c) This category seeks long-term capital appreciation by investing primarily in mid-sized companies or smaller. Although it invests primarily in U.S. securities, investments in foreign companies may be made.
- (d) The funds in this category primarily invest in specific sectors such as healthcare or real estate.
- (e) This category seeks long-term capital appreciation by investing in foreign market securities. These funds invest primarily in the common stock of companies in both developed and developing foreign markets.
- (f) This category seeks capital appreciation by investing primarily in small capitalization companies. These funds generally invest in companies with growth characteristics or those believed to be undervalued.
- (g) This class typically invests in a strategic mix of global fixed income sectors to seek high income and diversification.

(5) Plan Termination

Although it has not expressed any intent to do so, the Board of Directors of the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all amounts credited to the participants' accounts will become 100% vested and nonforfeitable.

Helget Gas Products, Inc. Employees 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(6) Party in Interest Transactions

Certain Plan investments are managed by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan. Therefore, these transactions qualify as party in interest transactions which are exempt from the prohibited transaction rules.

(7) Tax Status

The Plan has adopted a prototype non-standardized profit sharing plan sponsored by Benefit Plans, Inc. and has received an opinion letter date June 30, 2020 from the IRS as to the plan's qualified status. The prototype non-standardized profit sharing plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) Prohibited Transactions

During the Plan year ending December 31, 2020, the Employer inadvertently failed to deposit \$228 of participant deferrals within the required timeframe as stated by the DOL. The Plan contributed the missed deferrals during the Plan year ending December 31, 2020. The plan remitted lost earnings on those deferrals during the Plan year ending December 31, 2021. The DOL considers late deposits to be prohibited transactions. The Employer filed Form 5330 and paid the applicable excise tax in 2021. The excise tax payment was made from the Employer's assets and not from assets of the Plan.
