## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of  
American Stock Transfer & Trust Company Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed an audit of the financial statements of American Stock Transfer & Trust Company Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of American Stock Transfer & Trust Company Retirement Savings Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section-

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report.

We are required to be independent of American Stock Transfer & Trust Company Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

### **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

## **INDEPENDENT AUDITOR'S REPORT (CONTINUED)**

### **2021 Supplemental Schedules Required by ERISA (continued)**

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of American Stock Transfer & Trust Company Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## AMERICAN STOCK TRANSFER & TRUST COMPANY RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

#### Note 1 Description of Plan

The following description of the American Stock Transfer & Trust Company Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan established to provide employees of American Stock Transfer & Trust Company, LLC, including participating employers, (the "Company") with retirement benefits in accordance with Sections 401(a) and 401(k) of the Internal Revenue Code ("IRC"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

During the year ended December 31, 2021, the Company was acquired by Siris Capital Group, LLC and was merged with Equiniti Group plc.

#### Eligibility

All benefit-eligible Company employees are eligible to participate in the Plan if they are over 18 years of age, except those covered by a collective bargaining agreement, leased employees, nonresident aliens, and Customer Services Representative I employees (as defined in the plan document).

#### Participant contributions

Participants may contribute up to 90% of eligible compensation, as defined by the Plan limited to the maximum amount allowable under the provisions of the IRC (\$19,500 in 2021). Further, participants who are 50 years of age or older as of December 31, 2021, may contribute an additional "catch up" contribution (\$6,500 in 2021). The Plan has adopted automatic deferral provisions for those employees who become participants unless the Plan is notified by the participant not to withhold contributions. The automatic deferral percentage is equal to 6% of compensation for each payroll period. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Plan allows participants to defer funds into a "Roth 401(k) deferral." These deferrals are subject to federal income taxes, and the maximum allowable combined contributions of the Roth 401(k) and pre-tax deferrals is \$19,500.

#### Employer contributions

The Company may make a discretionary matching contribution equal to a discretionary percentage of a participant's elective deferrals. Additional discretionary profit-sharing contributions may be made at the option of the Company's board of directors. To be eligible for discretionary profit-sharing contributions, a participant must be 18 years of age, work for 1 year, with 1,000 hours in the given Plan year, and be employed on the last day of the Plan year. Participants direct the investment of participant and employer contributions. Effective with the April 15, 2020 payroll, the Retirement Plan Committee adopted a resolution to suspend discretionary match contributions into the Plan. Effective with the September 15, 2021 payroll, discretionary matching contributions were reinstated. For the year ended December 31, 2021, employer matching contributions were \$226,952, and the Company made no discretionary profit-sharing contributions.

## AMERICAN STOCK TRANSFER & TRUST COMPANY RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 **Description of Plan (continued)**

**Participants' accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings or losses, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions and earnings thereon. Participants are also immediately vested in the Company's discretionary matching contributions and discretionary profit-sharing contribution portion of their accounts, plus actual earnings thereon.

**Payment of benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Further, withdrawals from the Plan before leaving the Company are available for special "hardship" reasons (as defined) or after attaining the age of 59½. Distributions to participants are recorded when paid.

Effective May 19, 2020, the Plan's retirement plan committee adopted the distribution provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act. A CARES act distribution allows certain eligible participants to take a coronavirus related distribution up to \$100,000 from the Plan retroactive to January 1, 2020 and through December 30, 2020. The Plan has not been formally amended to reflect these provisions. Plan amendments related to coronavirus related distributions must be adopted by December 31, 2022.

**Notes receivable from participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

**Forfeitures**

Forfeited non-vested accounts are used to reduce Plan administrative expenses. In addition, in accordance with the Plan document, forfeitures of the Company's discretionary matching contributions are to be used to offset the Company's discretionary matching contributions, and forfeitures attributable to amounts other than the Company's discretionary matching contribution are to be used to reduce employer contributions. During the year ended December 31, 2021, forfeitures were used to pay Plan administrative expenses. Forfeited non-vested accounts available at December 31, 2021 and 2020 were \$32,473 and \$32,133, respectively.

## AMERICAN STOCK TRANSFER & TRUST COMPANY RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 1 **Description of Plan (continued)**

**Other income**

Certain mutual fund and collective trust expenses that are charged by the mutual fund companies to the individual participants are credited to the Plan on a quarterly basis. These assets are held in a reserve account and may be used to pay for expenses of the Plan, as described in the agreement. Amounts unused for expenses may be allocated to eligible participant accounts based upon each participants' pro rata percentage of total plan investments. Such allocation is permitted to take place no more frequently than on a quarterly basis.

As of December 31, 2021 and 2020, the balance in the reserve account amounted to \$3,628 and \$2,486, respectively. During the year ended December 31, 2021, funds credited to the Plan amounted to \$122,751, and are included in other income in the accompanying statement of changes in net assets available for benefits.

Note 2 **Summary of significant accounting policies**

The following is a summary of significant accounting policies followed by the Plan.

**Basis of accounting**

The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Investment valuation and income recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Administrative expenses**

The Company may, at its discretion, pay certain expenses incidental to administering the Plan. In the event the Company does not pay all or part of such expenses, the expenses shall be paid by the Plan.

**AMERICAN STOCK TRANSFER & TRUST COMPANY RETIREMENT SAVINGS PLAN**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2021 and 2020**

**Note 2      Summary of significant accounting policies (continued)**

**Fair value**

Accounting standards provide a common definition of fair value and establish a framework to make the measurement of fair value in generally accepted accounting principles more consistent and comparable. Accounting standards also require expanded disclosures to provide information about the extent to which fair value is used to measure certain financial and non-financial assets and liabilities, the methods and assumptions used to measure fair value, and the effect of fair value measures on earnings. The Plan's financial assets reflected in the financial statements at fair value include its investments (see Note 8).

**Subsequent events**

The Plan has evaluated subsequent events through July 29, 2022, which is the date the financial statements were available to be issued.

Effective March 23, 2022, the Plan document was restated to change the entry date for employee and employer contributions to immediate.

**Note 3      Information certified by the Plan's trustee**

The Company, acting in its capacity as the Plan Administrator, has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (the "DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The investment assets and cash, notes receivable from participants, investment transactions and investment income presented in the Plan's financial statements and supplemental schedule was prepared by or derived from information prepared by Fidelity Management Trust Company, the trustee, and furnished to the Company. The Company has obtained a certification from the trustee as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that such information is complete and accurate.

**Note 4      Tax status**

The Plan has adopted a Volume Submitter Defined Contribution Plan sponsored by Fidelity Management & Research Company, which has received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, indicating that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the IRC. The plan administrator believes and represents that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

## AMERICAN STOCK TRANSFER & TRUST COMPANY RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2021 and 2020

Note 5 **Related party transactions**

Fidelity Management Trust Company is the trustee of the Plan. Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Therefore, transactions related to these investments qualify as party-in-interest transactions. Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments.

Note 6 **Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

Note 7 **Risks and uncertainties**

The Plan provides for various investment options in accounts that invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that these changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 8 **Fair value measurements**

Accounting standards require that financial and non-financial assets and liabilities, recognized or disclosed in financial statements on a recurring basis (at least annually), be measured at fair value. These standards define fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. These standards also establish a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

These standards describe three levels of inputs that may be used to measure fair value:

Level 1 – Quoted prices in active markets for identical assets or liabilities that are accessible at the measurement date.

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets; quoted prices for similar assets or liabilities in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for the assets or liabilities.

Level 3 - Unobservable inputs for the asset or liability that are significant to the fair value measurement. These inputs reflect the Plan's assumptions about the assumptions a market participant would use in pricing the asset or liability.

Note 8 **Fair value measurements (continued)**

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 and Level 3 inputs are only used when higher level inputs are not available.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open- ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust* - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(a) The Plan invests in a collective trust fund offered through the Wells Fargo Stable Return Fund M ("Stable M"), a collective trust fund which invests all assets in the Wells Fargo Stable Return Fund G ("Stable G"). Stable G invests in investment contracts, including traditional guaranteed investment contracts and security-backed contracts issued by insurance companies and other financial institutions. Participant transactions (purchases and sales) may occur daily. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the collective trust fund at contract value and will be honored when received. The collective trust contains several redemption restrictions to withdraw, including the right to require a 12-month advance notice period for fund withdrawals initiated by the Plan sponsor. As of each of the years ended December 31, 2021 and 2020 there were no unfunded commitments; the redemption frequency for participant transactions in the collective trust fund is daily upon receipt of an authorized request on or prior to the valuation date. In accordance with the Financial Accounting Standards Board's Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for Plan benefits.
