INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Trustees of the
DeMoulin Brothers & Company Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed audits of the financial statements of DeMoulin Brothers & Company Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of DeMoulin Brothers & Company Retirement Savings Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material

respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of DeMoulin Brothers & Company Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DeMoulin Brothers & Company Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the DeMoulin Brothers & Company Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DeMoulin Brothers & Company Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION

The following description of the DeMoulin Brothers & Company Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) feature sponsored by DeMoulin Brothers & Company (the "Company") for the benefit of all full-time employees who have at least one year of service. Entry dates are the first of any month following the date eligibility requirements are satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is governed by its Board of Trustees. Charles Schwab Bank serves as the Plan custodian.

Contributions

Each year participants may contribute up to the maximum limitation set by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes matching contributions equal to 50% of the first 4% of qualifying compensation that each participant contributes to the Plan. The Company makes a qualified non-elective profit sharing contribution in the amount of 1%. The Company also makes a discretionary profit sharing contribution to all eligible participants in the amount of 1% of qualifying compensation however, it was suspended for 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**DEMOULIN BROTHERS & COMPANY
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION (Continued)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus earnings is based on years of continuous service. Upon completion of three years of continuous service, participants become 100% vested.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms generally range from three to five years, but may be extended for the purchase of a primary residence. The loans are secured by the balance in the participant's account. The loan interest rate is based on local prevailing rates at loan inception as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a specified period of time, not exceeding a participant's life expectancy or joint life expectancy of a participant and participant's designated beneficiary. An eligible rollover distribution is also permitted. If the value of a participant's account is less than \$5,000, a lump sum distribution will be made without regard to the consent of the participant as soon as administratively feasible.

The Plan also allows for in-service distributions once a participant has attained age 59 1/2, which may be made only from accounts which are 100% vested.

Forfeited Accounts

The Plan uses forfeitures to pay plan administrative expenses and any remaining forfeitures are used to reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$0 and \$286, respectively. In 2021 and 2020, \$1,038 and \$395 in forfeitures were used to pay administrative expenses, respectively.

RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

**DEMOULIN BROTHERS & COMPANY
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

Charles Schwab Bank (the "Custodian") has certified the completeness and accuracy of certain information which management used in preparing the financial statements, and accompanying supplemental schedule. Accordingly, this information was not audited. The following is a summary of information, which the Custodian furnished:

- a. Investments and notes receivable from participants as reported in the statements of net assets available for benefits at December 31, 2021 and 2020
- b. All items of income and expense related to Plan investments, and all transactions for the year ended December 31, 2021
- c. Investments as reported in the supplementary schedule of assets (held at end of year) as of December 31, 2021

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**DEMOULIN BROTHERS & COMPANY
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the quoted market prices, which represents the net asset values (NAV) of the shares held by the Plan at year end. The mutual funds held by the Plan are deemed to be actively traded.

**DEMOULIN BROTHERS & COMPANY
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (Continued)

Collective investment funds: Valued at fair value based on the underlying assets and liabilities held in the funds. They are diversified asset allocation funds that invest in a mixture of equities, fixed income instruments and other alternative strategies through mutual funds, ETFs or other pooled funds. The funds have no restrictions on redemptions and have no unfunded commitments.

Common collective trust funds: Valued at fair value based on the underlying assets and liabilities held in the funds. The funds seek to maximize total return through both current income and price appreciation, consistent with the preservation of capital and prudent risk taking. The funds have no restrictions on redemptions and have no unfunded commitments.

The Wells Fargo Stable Value Fund C invests totally in the Wells Fargo Stable Return Fund G. This fund invests primarily in investment contracts and security-backed contracts. An investment contract is a contract issued by a financial institution to provide a stated rate of return to the buyer of the contract for a specified period of time. A security-backed contract has similar characteristics as a traditional investment contract and is comprised of two parts: the first part is a fixed-income security or portfolio of fixed-income securities; the second part is a contract value guarantee (wrapper) provided by a third party. Wrappers provide contract value payments for certain participant-initiated withdrawals and transfers, a floor crediting rate, and return of fully accrued contract value at maturity.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

There were no significant transfers between Level 1 and Level 2 investments during the year ended December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

5. PLAN TERMINATION

The Plan was established January 1, 1984. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

6. TAX STATUS

The Internal Revenue Service has determined and informed Retirement Plan Services LLC, the volume submitter plan sponsor, by a letter dated March 31, 2014 that the Plan, as then designed, is in accordance with the applicable requirements of the Internal Revenue Code (IRC). The volume submitter plan sponsor has informed the Plan's administrator that the Plan was restated since receiving the determination letter to comply with the Pension Protection Act of 2006, HEART Act and other IRS guidance. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by a plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that change in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statement of Changes in Net Assets Available for Benefits.

**DEMOULIN BROTHERS & COMPANY
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

7. RISKS AND UNCERTAINTIES (Continued)

In March 2020, the current outbreak of the novel strain of coronavirus (“COVID-19”) was declared a pandemic by the World Health Organization. The COVID-19 pandemic has caused significant volatility in financial markets and the global economy, which has affected and may continue to affect the market value of the Plan’s investments. The COVID-19 pandemic continues to evolve and the impact to the financial markets remains uncertain. The ongoing extent of the impact of the COVID-19 pandemic is currently unknown and cannot be reasonably estimated at this time.

8. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid certain expenses related to general administration and record keeping to various service providers. These transactions are party-in-interest transactions under ERISA. In addition, the Plan Sponsor pays a portion of these expenses and certain accounting and auditing fees relating to the Plan.

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 27, 2022, the date the financial statements were available to be issued.
