**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## **Independent Auditor's Report**

RSM US LLP

Participants and Board of Directors  
Relation Insurance, Inc. Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We have performed an audit of the financial statements of Relation Insurance, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule H, Part IV, Line 4a—Schedule of delinquent participant contributions for the year ended December 31, 2021 and Schedule H, Part IV, Line 4i—Schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated September 17, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**General:** The Plan is a defined contribution plan covering all employees meeting the eligibility requirements of Relation Insurance, Inc. (the Company). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state laws. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

**Eligibility:** Employees who are at least 21 years old become participants in the Plan. To be eligible for discretionary matching and nonelective contributions, the employee must complete six months of service with at least one hour in each month consecutively. Eligible employees may enter the Plan on the first day of each month upon meeting the requirements. Excluded groups of employees include members of collective bargaining groups and nonresident aliens.

**Contributions:** The Plan allows participants to contribute up to 75% of their compensation, subject to Internal Revenue Service (IRS) limitations, to the Plan on a pretax basis. The Plan also allows participants to make Roth individual retirement account contributions, subject to IRS limitations, on a post-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Plan provides for an automatic election to have elective deferral contributions made. For participants who enter or reenter the Plan, the automatic elective deferral contribution is 6% of compensation, unless the participant elects a different deferral percentage. Beginning January 1, 2017, the automatic elective deferral contribution is automatically increased as soon as administratively feasible on or after each January 1 by 1% up to a maximum automatic elective deferral contribution of 10% of compensation.

For the period from January 1, 2021 through September 30, 2021, the Plan provided discretionary matching contributions of 50% of a participant's contributions, provided that such employee contribution amount does not exceed 3% of a participant's base compensation. As of October 1, 2021, the discretionary matching contribution was increased to 50% of 6% of a participant's compensation. The Company made \$925,030 of such contributions for the year ended December 31, 2021. The Company may also make a nonelective contribution. No such nonelective contributions were made for the year ended December 31, 2021.

Contributions are subject to certain limitations.

**Investment options:** Participants direct their salary deferral and Company contributions to selected investments as made available by the Plan Administrator. Participants may change their investment options at any time throughout the year via access to Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.

**Participant accounts:** Each participant's account is credited with the participant's contribution and an allocation of (a) Company contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### Note 1. Description of Plan (Continued)

**Vesting:** Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Participants vest in the discretionary match and nonelective contributions and related earnings thereon according to the following schedule:

| Credited Years of Service | Percentage of Vested Interest |
|---------------------------|-------------------------------|
| Less than two             | 0                             |
| Two                       | 20                            |
| Three                     | 40                            |
| Four                      | 60                            |
| Five                      | 80                            |
| Six and after             | 100                           |

**Forfeitures:** Amounts of participants' forfeited accounts are used to pay administrative expenses of the Plan or to reduce employer contributions. During the year ended December 31, 2021, forfeitures of \$18,706 were used to pay administrative expenses and \$36,107 were used to reduce employer contributions. Forfeited nonvested account balances were \$125 and \$24 at December 31, 2021 and 2020, respectively.

**Payment of benefits:** Upon termination of service, death or retirement, benefits are paid in lump-sum payments. Benefits are paid in accordance with the participant's vesting. In-service distributions are not permitted unless the participant has attained age 59½ or certain hardship conditions are met.

**Notes receivable from participants:** Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable transactions are treated as a transfer to (from) the investment fund from (to) the participant notes receivable fund. The notes receivable terms range from one to 15 years and are secured by the balance in the participant's account and bear interest at rates at ranging from 3.25% to 6.50%, which are commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

#### Note 2. Significant Accounting Policies (Continued)

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.

**Notes from participants:** Notes from participants are measured at the unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are treated as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in supplemental schedule, Schedule H, Part IV, Line 4i—Schedule of assets (held at end of year).

**Payment of benefits:** Benefit payments to participants are recorded when paid. There were no material withdrawals approved but not yet paid as of December 31, 2021.

**Administrative expenses:** Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation in the fair value of investments.

#### **Note 3. Information Certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Trustee)**

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedules, obtained by management and agreed to or derived from information certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and ERISA-required supplemental schedules related to the following assets:

|                                    | December 31   |               |
|------------------------------------|---------------|---------------|

| Investments, at fair value:        |               |               |
| Mutual funds                       | \$ 50,719,093 | \$ 45,481,574 |
| Pooled separate accounts           | 11,586,930    | 5,891,285     |
| Collective trust investments       | 10,832,706    | 8,904,896     |
| Notes receivable from participants | 935,782       | 707,803       |

Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company also certified to the completeness and accuracy of \$7,960,857 of net appreciation in fair value of investments, \$1,029,927 of dividends, and \$36,473 of interest income on notes receivable from participants related to the aforementioned Plan assets for the year ended December 31, 2021.

#### **Note 4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value measurements hierarchy under Accounting Standards Codification (ASC) Topic 820 are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

#### Note 4. Fair Value Measurements (Continued)

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Mutual funds:** Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Pooled separate accounts:** Pooled separate accounts are valued at the NAV of the underlying assets at the end of the Plan year. The NAV, as provided by the trustee, is used as the practical expedient to estimating fair value.

**Collective trust investments:** Collective trust investments are valued based on the NAV of units of the common collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

|                                  | Assets at Fair Value as of December 31, 2021 |         |         |               |
|----------------------------------|----------------------------------------------|---------|---------|---------------|
|                                  | Level 1                                      | Level 2 | Level 3 | Total         |
| Mutual funds                     | \$ 50,719,093                                | \$ -    | \$ -    | \$ 50,719,093 |

| Collective trust investments (a) |                                              |         |         | 8,904,896     |
| Total investments at fair value  |                                              |         |         | \$ 60,277,755 |

- (a) In accordance with the Fair Value Measurements topic, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.

#### Note 4. Fair Value Measurements (Continued)

**Transfers between levels:** The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

The Plan has evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021, there were no significant transfers in or out of Level 3.

**Investments measured using the NAV per share practical expedient:** The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| Investment                   | Fair Value           |                      | Unfunded<br>Commitment | Redemption<br>Frequency | Redemption<br>Notice Period |

#### Note 5. Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Other expenses of the Plan are paid by the Plan and Plan Sponsor.

#### Note 6. Income Tax Status

The Plan adopted a volume submitter plan sponsored by Principal Life Insurance Company. The volume submitter plan has received an opinion letter from the IRS as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken any significant uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### Note 7. Related-Party and Party-in-Interest Transactions

Certain Plan investments, including mutual funds, pooled separate accounts and collective trust investments, were managed by the trustee, Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company. These transactions qualify as party-in-interest transactions. Transactions with Principal Trust Company are also considered party-in-interest transactions. Fees paid by the Plan to Principal Trust Company amounted to \$151,484 for the year ended December 31, 2021.

#### Note 9. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

#### Note 10. Prohibited Transactions

During 2017, 2018 and 2019, the S.T. Good Insurance, Inc. 401(k) Profit Sharing Plan (a plan that merged into the Plan during fiscal year 2020) inadvertently failed to deposit \$138,172 of contributions within the required time frame as stated by the DOL's regulations. The Plan Sponsor deposited lost earnings in the amount totaling \$440 to correct this failure in 2021. The Plan Sponsor will file Form 5330 and pay the applicable excise tax to the IRS in 2022. The correction and any excise payments will be made from the Plan Sponsor's assets and not from the assets of the Plan.
