INDEPENDENT AUDITORS' REPORT

To the 401(k) Committee

AMTECH SYSTEMS, INC. 401(k) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed the audit of the financial statements of **Amtech Systems, Inc. 401(k) Plan** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2021 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by Principal Life Insurance Company and Principal Trust Company, qualified institutions, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AMTECH SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the Plan

The following description of Amtech Systems, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** – The Plan is a defined contribution plan. The Plan was originally established January 1, 1988 by Amtech Systems, Inc. (the "Sponsor"). Domestic employees of the Sponsor and three of the Sponsor's subsidiaries, Bruce Technologies, Inc. ("Bruce"), P.R. Hoffman Machine Products Inc. ("PR Hoffman"), and BTU International, Inc. are covered by the Plan. On March 3, 2021, the Sponsor acquired 100% of the issued and outstanding shares of capital stock of Intersurface Dynamics, Inc. ("IDI"). Effective March 15, 2021, the Plan was amended to include IDI as an adopting employer, resulting in the domestic employees of IDI being covered by the Plan under the same provisions as employees of Bruce, PR Hoffman, and BTU International, Inc.

Additionally, the amendment on March 15, 2021, lowered the age limit for participation to 18 years of age. All employees that have completed 90 days of service are eligible to participate in the elective deferral and employer contribution portions of the Plan unless such employee is (1) less than 18 years of age (21 years of age prior to March 15, 2021) or (2) a person classified by the Sponsor as an independent contractor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

- B. **Contributions** – Each year, participants may elect to make pre-tax and/or Roth contributions up to 100% of eligible compensation as defined in the Plan, subject to certain limitations established by the Internal Revenue Service. Participants may also contribute amounts representing qualified distributions from other plans. Under the Plan's automatic enrollment feature, newly eligible participants are automatically enrolled in the Plan, and 4% of the participant's compensation is contributed on a pre-tax basis unless another election is made by the participant. The automatic contribution amount shall be automatically increased as soon as administratively feasible on or after each January 1 by 1% up to a maximum automatic contribution of 10%. Effective June 1, 2022, newly eligible participants are automatically enrolled in the Plan, and 6% of the participant's compensation is contributed on a pre-tax basis unless another election is made by the participant. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$6,500. The Sponsor may make a matching contribution equal to a percentage of employees' 401(k) elective deferral contributions. The Sponsor may also make an additional discretionary matching contribution after year end to participants employed as of year-end. For the year ended December 31, 2021, the Sponsor made matching contributions equal to 60% of the employees' elective deferrals, up to 3.6% of the participants' eligible compensation for each payroll period.
- C. **Participant accounts** – Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution and allocations of the Sponsor's contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.
- D. **Vesting** – Participants are immediately vested in their pre-tax, Roth, and rollover contributions and actual earnings thereon. Vesting in the Sponsor's matching contributions plus actual earnings thereon is based on years of service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
1	33%
2	66%
3	100%

AMTECH SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the Plan (continued)

- E. **Notes receivable from participants** – Participants may borrow against their vested account balances a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balances in the participants' account and bear interest at a fixed rate based on the U.S. prime rate at the time the loan is distributed. Loans are expected to be repaid over a period of no more than 5 years, unless such loan is used to acquire the principal residence of the participant. Principal and interest are paid ratably through bi-weekly payroll deductions.
- F. **Payment of benefits** – Participants may withdraw their vested account balances in full or partial lump sums or installments upon retirement, disability or termination. Beneficiaries may withdraw vested account balances upon the death of a Plan participant. Participants may also withdraw all or a portion of their contributed account balances for specific hardship reasons subject to approval by the Plan administrator.
- G. **Forfeitures** – Forfeitures of non-vested Sponsor contributions can be used to pay Plan expenses and offset Sponsor contributions. As of December 31, 2021 and 2020, there were no forfeited non-vested accounts. During the year ended December 31, 2021, forfeitures of approximately \$4,000 were used to reduce the employer matching contributions made by the Plan Sponsor.
- H. **Administrative expenses** – Recordkeeping and ancillary fees for distributions, loans and qualified domestic relations orders are paid directly by the participant who incurs the event. Plan expenses for general administration and recordkeeping of the plan can be charged to participant accounts, but are generally paid by the Sponsor.
- I. **Plan termination** – Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

(2) Significant accounting policies

The significant accounting policies followed by the Plan are as follows:

Basis of accounting – The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America. Accordingly, income is recognized when earned and expenses are recorded when incurred.

Management's use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amount of net assets available for benefits and changes therein. Actual results may differ from those estimates.

Investment valuation and income recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

AMTECH SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(2) Significant accounting policies (continued)

Risks and uncertainties – The Plan provides for various investment fund options which in turn invest in any combination of stocks, bonds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Payment of benefits – Benefit payments to participants are recorded when paid.

Subsequent events – Plan management has evaluated subsequent events through July 27, 2022, which is the date the financial statements of the Plan were available to be issued.

(3) Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodology used for investments.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan at year end, which are readily determinable fair values of those shares as they are published daily and are the basis for current transactions.

Pooled separate accounts: Investments in sub-accounts of the Plan's group annuity contract with Principal Life Insurance Company (U.S.A.) are valued at unit value, which is based on the aggregate fair value of the underlying assets in relation to the total number of units outstanding. Unit value is the equivalent of NAV, which is a practical expedient for estimating the fair values of these investments. Each of these investments may be redeemed daily with a notice period of one day. The Plan had no unfunded commitments as of December 31, 2021 or 2020.

AMTECH SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(3) Fair value measurements (continued)

Common collective trust: Investments in common collective trusts are valued at the NAV of units of the collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Participant withdrawals will be paid promptly. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments as of December 31, 2021 or 2020.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 30,363,272	\$ -	\$ -	\$ 30,363,272
Pooled separate accounts – measured at NAV*	-	-	-	3,049,248
Common collective trust – measured at NAV*	-	-	-	2,843,796
Total investments, at fair value	<u>\$ 30,363,272</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 36,256,316</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 22,679,351	\$ -	\$ -	\$ 22,679,351
Pooled separate accounts – measured at NAV*	-	-	-	6,325,347
Common collective trust – measured at NAV*	-	-	-	2,939,153
Total investments, at fair value	<u>\$ 22,679,351</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 31,943,851</u>

* In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

AMTECH SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(4) Information certified by the custodians

The Plan administrator has elected the method of annual reporting compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company and Principal Trust Company ("Principal"), the custodians of the Plan, have certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate with respect to investments:

- Investments
- Net appreciation in fair value of investments
- Interest and dividends
- Schedule of assets (held at end of year)

The Plan's independent public auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Party-in-interest transactions

The Sponsor is the Plan sponsor and, together with its subsidiaries, provides all employer contributions to the Plan. Therefore, these transactions are party-in-interest transactions.

Certain Plan investments are held in funds managed by Principal, which also functions as the record keeper for the Plan; therefore, transactions with this party qualify as party-in-interest transactions. Fees for the year ended December 31, 2021 in the amount of \$95,821 paid to Principal qualify as party-in-interest transactions and are presented as administrative expense in the statement of changes in net assets available for benefits.

Revenue sharing payments are made from the total expenses paid by participants investing in the funds offered under the Plan. During the year ended December 31, 2021, the Plan received revenue sharing payments of \$104,666 from the investment fund managers which qualify as party-in-interest transactions and are presented as other income in the statement of changes in net assets available for benefits.

(6) Income tax status

The Internal Revenue Service issued an opinion letter dated August 8, 2014, stating that the Plan was designed in accordance with the applicable Internal Revenue Code ("IRC") requirements as of that date. The Plan administrator and the Sponsor believe that the Plan is currently operating in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was tax-exempt as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

(7) Reconciliation of financial statements to Form 5500

The following is a reconciliation of the financial statements as of December 31, 2021 to the Form 5500:

Net assets available for benefits per the financial statements	\$ 36,404,809
Adjustment for excess contributions refundable	<u>9,198</u>
Total net assets per Form 5500	<u>\$ 36,414,007</u>

AMTECH SYSTEMS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(7) Reconciliation of financial statements to Form 5500 (continued)

The following is a reconciliation of the net increase in net assets as reported in the financial statements for the year ended December 31, 2021 to net income reported in the Form 5500:

Net increase in net assets reported in the financial statements	\$ 4,297,717
Adjustment for excess contributions refundable	<u>9,198</u>
