REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator and Participants
Business Jet 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Business Jet 401(k) Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (collectively, the “2021 Financial Statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Nationwide Life Insurance Company, the “Trustee” of the Plan as of December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 Financial Statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 Financial Statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment

information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 - Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 Financial Statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the December 31, 2020 Financial Statements ("2020 Financial Statements") of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BUSINESS JET 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan

The following description of the Business Jet 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement or Summary Plan Description for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution profit sharing plan covering all the full-time employees of Business Jet Services, Ltd. and Business Jet Center, Ltd. (the “Company” or “Employer”).

The Plan is designed to comply with the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), and the Internal Revenue Code (“IRC”). In addition, the financial statements have been prepared in compliance with ERISA. The Plan is administered by the Company and the custodian of the Plan’s assets is Nationwide Life Insurance Company (the “Trustee”). See Note 6.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) was signed into law. The CARES Act contained several provisions that temporarily impacted 401(k) plans, such as the waiver of required minimum distributions, a new hardship withdrawal option, and increased loan limits. The Company has incorporated these provisions into the Plan.

Contributions

Each year, participants may contribute between 1 and 85 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at five percent (5%) of eligible compensation and their contributions invested in the Plan’s Qualified Default Investment Account until changed by the participant.

The Company may make discretionary matching contributions, non-elective discretionary contributions, and required minimum contributions. The discretionary matching contribution, if any, is limited to 50% of the first five percent of compensation that a participant contributes to the Plan. Non-elective discretionary contributions are allocated to participants based upon total compensation for all participants. Participants are not required to make elective deferrals to receive an allocation of discretionary contributions.

BUSINESS JET 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan – (Continued)

Contributions – continued

For the year-ended December 31, 2021, the Company declared a matching contribution of approximately \$157,000 which will be offset by forfeitures of approximately \$4,800. For the year-ended December 31, 2020, the Company declared a matching contribution of approximately \$171,000, which was offset by forfeitures of approximately \$5,100. As of December 31, 2021 and 2020, approximately \$152,000 and \$166,000 was recorded as an employer contribution receivable. There were no non-elective discretionary contributions or required minimum distributions made for the year ended December 31, 2021.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of any Employer contributions and plan earnings and losses, and charged with an allocation of administrative expenses. Allocations of plan earnings and losses are based on a participant's account balance in each investment option as a percentage of the total of all participants' account balances and the allocation of forfeitures is based on the participant's compensation as a percent of the total of all participants' compensation.

Eligibility

All employees are eligible to participate in the Plan from the first day of employment. Participants must complete 1,000 hours of service and be employed on the last day of the plan year to be eligible for matching contributions.

Vesting

Participants are vested immediately in their contributions, and any income or loss thereon. Company contributions and earnings thereon vest at a rate of 20% per year of service. An employee is fully vested after five years of service.

Payment of benefits

The benefit a participant is entitled to is the value of the participant's vested interest in his or her account. Upon death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the participant's account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Employer has the option to require terminated participants with vested account balances less than \$1,000 to take lump-sum distributions unless a rollover is requested by the participant. Account balances of \$1,000 to \$5,000 will be distributed to an Individual Retirement Account or Annuity for the benefit of the participant.

Note 1 - Description of the Plan – (Continued)

Payment of benefits

The Plan allowed eligible participants who were impacted by the COVID-19 pandemic to request penalty-free distribution of up to \$100,000 without penalty during 2020. The distributions are repayable to the Plan within three years. In addition, the required minimum distributions were waived for the 2020 calendar year and resumed for the 2021 calendar year.

Forfeitures

Forfeitures of non-vested discretionary and matching contributions may be used to reduce future employer contribution and pay administrative expenses. Forfeitures are allocated in the same manner as discretionary Employer contributions. See Note 3.

Investment options

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a number of pooled separate accounts and a guaranteed investment contract as investment options for participants.

Notes receivable from participants

Under provisions of the Plan, participants are allowed to borrow from their plan accounts. The maximum amount that a participant may borrow is the lesser of (i) 50% of their total vested account balance or (ii) \$50,000. The minimum amount of a note is \$1,000. The notes are secured by the balance in the participant's account and bear interest at prime rate plus one percent. Principal and interest are paid ratably through periodic payroll deductions.

In accordance with the CARES Act, the Plan permitted qualifying participants to delay loan repayments that were due between March 27, 2020 and December 31, 2020.

Administrative expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

BUSINESS JET 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies – (Continued)

Use of estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting periods. Actual results could differ from those estimates. See Note 5 for discussion of significant estimates used to measure fair value of investments.

Risks and uncertainties

The Plan and its participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances.

Investment valuation and income recognition

Participants may direct the allocation of amounts deferred to the available investment options. Provisions of the Plan allow participant contributions in 5% increments to be invested in any of the available options.

The Plan provides for investments in a guaranteed investment contract ("GIC") and pooled-separate accounts. The Plan's investments in pooled-separate accounts are valued at net asset value ("NAV") as a practical expedient to estimate fair value. The GIC investment is fully benefit-responsive and is stated at contract value, which is equal to principal plus accrued interest. See Note 4.

Valuation methods may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes the valuation methods are appropriate and consistent with other market participants, the use of differing methodologies or assumptions to determine the fair values of the Plan's investments could result in different fair value measurements at the reporting dates.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plans gains and losses on investments bought and sold, as well as held during the year.

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies – (Continued)

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid principal balance plus any accrued but unpaid interest. An allowance for credit losses is not necessary as the notes are collateralized by the participants' account balance. Delinquent notes from participants are reclassified as distributions based upon provisions of the Plan document.

Distributions of benefits

Benefits paid to participants are recorded as a reduction of net assets available for benefits when paid.

Subsequent events

Management of the Plan evaluated events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the notes to the financial statements. The accompanying financial statements consider events through July 27, 2022, the date which the financial statements were available to be issued.

Note 3 - Nonparticipant-Directed Investments

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	December 31,

BUSINESS JET 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 4 - Investments in Insurance Contracts

The Plan maintains one GIC related investment option, the Nationwide Fixed Select Option (“Fixed Select”), which is a traditional investment contract. The underlying investments options of this contract are considered to be fully benefit-responsive as described in FASB ASC 946, Plan-Accounting-Defined Contribution Pension Plans, and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.48%. The crediting rate is reviewed on a quarterly basis for resetting.

The determination of credited interest rates, as determined by the service provider, reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains and/or losses realized on the sale of invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder.

The underlying contract has no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial plan termination or merger with another plan) (ii) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions; or (iii) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

The Fixed Select contract does not have a maturity date. The Fixed Select contract’s provisions do not provide for a distribution at book value as some specified future date. The Fixed Select contract continues in force until all assets have been distributed, or no further payments are due.

Note 5 - Fair Value Measurements

The FASB's Accounting Standards Codification 820 – *Fair Value Measurements and Disclosures* ("ASC 820") establishes a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. All of the Plan's investments recorded at fair value of approximately \$5,136,000 and \$4,385,000 at December 31, 2021 and 2020, respectively, are pooled separate accounts. As discussed in Note 2, The Plan's investment in pooled separate accounts are valued, as a practical expedient, based on Nationwide's Plan's NAV of units held by the Plan at year-end. The calculated NAV is directly related to the NAV of the underlying investment adjusted for dividends or distributions received by Nationwide and the daily equivalent of any fees charged. The investments held by each pooled separate account are traded on an active market.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020.

- (b) The investment seeks to maximize total return, consistent with preservation of capital. The fund invests primarily in investment grade securities, including investments in bonds.
- (c) The investment seeks capital appreciation and income consistent with its current asset allocation. The fund is a "fund of funds" that invests in affiliated and unaffiliated mutual funds representing a variety of asset classes. It invests in a professionally selected mix of different asset classes that is tailored for investors planning to retire.
- (d) The investment seeks long-term growth of capital and income. The fund invests primarily in common stocks of companies that appear to offer superior opportunities for capital growth and most of which have a history of paying dividends.
- (e) The investment seeks to track the performance of a benchmark index that measures the investment return of mid-capitalization growth stocks. The S&P MidCap 400 Index includes approximately 400 stocks of midcap U.S. companies in a wide range of businesses.
- (f) The investment seeks long-term capital growth primarily by investing in equity securities of small-capitalization companies. The fund normally invests in equity securities of small cap companies. Small cap companies are companies with market capitalizations.
- (g) The investment seeks long-term growth of capital. The fund generally invests in a diversified portfolio consisting of equity securities of companies located throughout the world, including the U.S., that have a history of attractive dividend yields and positive growth in operating cash flow.
- (h) The investment seeks long-term capital appreciation.
- (i) The investment seeks maximum, real return, consistent with prudent management. The fund generally invests in commodity index-linked derivative investments backed by a portfolio of inflation-indexed bonds and other fixed income securities.
- (j) The investment seeks to offer investors attractive income, returns and meaningful portfolio diversification.
- (k) The investment seeks to deliver consistent and attractive risk-adjusted excess total returns over the long term and focuses on constructing benchmark-differentiated portfolios with sources of potential alpha broadly diversified. The fund invests in listed equity of REITs, REOCs, and other real estate companies that own income-producing property, develop real estate assets or perform other property related activities in global markets.

Note 6 - Information Certified to by the Trustee

The following information included in the accompanying Financial Statements and supplementary schedules was obtained from data that has been prepared and certified by the Trustee.

	December 31,

The Trustee also prepared and certified the \$705,372 of net appreciation of investments and \$4,475 of interest income for the year ended December 31, 2021.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 8 - Income Tax Status

The Plan obtained its latest determination letter dated September 18, 2001, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. The Plan also obtained a volume submitter profit sharing plan with Cash or Deferred Arrangement letter dated January 31, 2006. The plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements. Therefore, no provision for income taxes has been included in the Plan's financial statements.

BUSINESS JET 401(k) SAVINGS PLAN

Notes to Financial Statements

Note 8 - Income Tax Status – (Continued)

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The IRS generally has the ability to examine Plan activity for up to three years.

Note 9 - Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering services to the Plan, the Employer, and certain others. As such, transactions conducted by the Trustee qualify as party-in-interest transactions.
