Independent Auditor's Report

To the Administrative Committee of
Telapex Inc. Savings Plan
Ridgeland, Mississippi

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Telapex, Inc. Savings Plan, an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in *Note 3* to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Telapex, Inc. Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Telapex, Inc. Savings Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Telapex, Inc. Savings Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Telapex, Inc. Savings Plan ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Telapex, Inc. Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 9, 2021, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations under ERISA.

Telapex, Inc. Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of Plan

The following description of the Telapex, Inc. Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Telapex, Inc. and Subsidiaries (the Company) who have performed 30 days of service and are age 21 years or older. Participants become eligible in matching and discretionary contributions after one year of service, providing they worked at least 1,000 hours during the plan year. An employee becomes a participant of the Plan on the first day of the month coinciding with or next following date after completing 30 days of service. Active participation ceases upon termination of employment. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Members of senior management of the Company serve as the Plan Administrator and oversee the activities of the Plan. Great-West Company, LLC (Great-West) is the Custodian of the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contributions (net of any forfeitures of terminated participant's nonvested accounts) and plan earnings. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate, as defined by the agreement. Principal and interest are paid ratably through monthly payroll deductions.

Contributions

Employees may elect to contribute to the Plan not less than 1% nor more than 15% of their compensation. Unless employees make a contrary election, 2% of their compensation is automatically withheld and contributed to the Plan. Effective January 1, 2020, the Plan was amended to allow Roth-type employee and rollover contributions.

Each year, the Company contributes to the Plan an amount as determined by the sole discretion of the employer. Employer contributions shall be allocated, pursuant to the provisions of the Plan, to each participant's account in the proportion that such participant's eligible compensation bears to the total eligible compensation of all participants for the plan year. The Company elected to contribute 2% of compensation for all eligible employees that were employed as of December 31, 2021 and 2020. Additionally for 2021 and 2020, the Company elected to match contributions made by employees up to 4% of their compensation.

Participant Investment Account Options

Upon enrollment in the Plan, a participant may direct contributions in any of several investment options.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in the remainder of their accounts 20% per year of service after one year and are fully vested after five years of service. There is no partial vesting during the first year of service. The nonvested balance is forfeited upon termination of service. Forfeitures are used to reduce Company contributions.

Payment of Benefits

Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his account or installment payments. Participants may withdraw all or any part of their vested account balance after having attained age 59 1/2.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$158,802 and \$146,710, respectively. These accounts will be used to reduce future employer contributions. Employer contributions were reduced by \$123,952 and \$130,656 in 2021 and 2020, respectively, from forfeited nonvested accounts.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts, and the assets of the fund, after payment of expenses, shall be distributed to the participants.

Plan Tax Status

The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust/custodial document sponsored by Great-West. This prototype plan document has been filed with the appropriate agency. The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Code.

Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

CARES Act

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by the coronavirus (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan opted in to implement the following provisions:

- Through December 31, 2020, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- The maximum loan amount was increased to the lesser of \$100,000 or 100% of the participants vested account balance for loans taken prior to September 23, 2020. Through December 31, 2020, qualifying participants could also elect to delay loan repayment for up to one year. Interest on the outstanding loan continues to accrue and the term of the loan will be extended by the suspension period.
- Required minimum distributions for calendar year 2020 were waived for retired and retirement-aged individual.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The quality and reliability of the information used to determine fair value is ranked via a three-level hierarchy. The ordering of the priority reflects the degree to which objective prices in external active markets are available to measure fair value. The levels are defined as follows:

Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities

Telapex, Inc. Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The valuation methodologies and inputs used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of net assets available for benefits are described below. There have been no significant changes in the valuation techniques during 2021 or 2020.

- The Plan's investment securities consist of mutual funds and participant-directed brokerage accounts. Fair value is obtained from the quoted price on the active market on which the individual securities are traded placing them in Level 1 of the valuation hierarchy.
- The Plan holds no Level 2 or 3 investments.
- In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (NAV) [or its equivalent] are not classified in the fair value hierarchy but may be presented in the fair value table to permit reconciliation to the line items presented in the statement of net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Income Recognition

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain administrative functions for the Plan are performed by officers or employees of the Company. No such officer or employee receive compensation from the Plan. Expenses of maintaining the Plan may be paid by the Company or the Plan at the Company's discretion.

Note 3: Certification of Plan Custodian

Under the terms of the Trust Agreement, Great-West administers a trust fund on behalf of the Plan. The investments and changes therein of this trust fund have been reported to the Plan by Great-West as having been determined through the use of fair values for all assets and liabilities of the trust fund.

The Company has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure. Accordingly, Great-West, the Custodian of the Plan and a qualified institution, has certified the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020
- Investment income and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020
- Investment information and notes receivable from participants included in the accompanying schedule of assets (held at end of year) as of December 31, 2021

The Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4: Party-in-interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons. The Company provides certain administrative services at no cost to the Plan.

The Plan paid \$264,889 and \$207,800 of recordkeeping fees to Great-West during 2021 and 2020, respectively.

Stable value funds	5,310,532	-	-	-
Total	\$ 135,556,063	\$ 130,245,531	\$ -	\$ -

There are no unfunded commitments or participant redemption restrictions for the stable value funds. The Plan, however, has a daily redemption restriction requiring a single day's notice.

Note 5: Risks and Uncertainties

The plan participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 6: Transfer of Plan Assets

On December 11, 2020, the Company purchased 100% of the membership interests of Harbor Communications, LLC and Boihem Fiber, LLC (collectively, "Harbor"). An amendment was approved August 9, 2021 to merge the Harbor Communications LLC 401(k) Profit Sharing Plan & Trust with the Plan. An aggregate of \$180,107 was transferred into the Plan during the year ended December 31, 2021 and is included in the accompanying statement of changes in net assets.

Note 7: Subsequent Events

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date that the financial statements were available to be issued.

On December 27, 2021, the Company purchased 100% of the outstanding stock of Troy Cablevision, Inc. and its wholly-owned, Union Springs Telephone Company, Inc., and 100% of the membership interests of certain related entities (collectively, "Troy"). An amendment was approved May 17, 2022 to merge Troy Cablevision, Inc. 401(k) Profit Sharing Plan with the Plan effective July 15, 2022. An estimated \$9,000,000 will be transferred into the Plan during the year ended December 31, 2022.
