INDEPENDENT AUDITOR'S REPORT

To the Investment Committee
Murcor, Inc. 401(k) Profit Sharing Plan
Pomona, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Murcor, Inc. 401(k) Profit Sharing Plan (the "Plan"), employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits- modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits – modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Great-West Trust Company, LLC, the trustee ("Trustee"), as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter- Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) – modified cash basis ("supplemental schedule") as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Murcor, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution savings plan sponsored by Murcor, Inc., pursuant to Section 401(a) and related provisions of the Internal Revenue Code ("IRC"), was established effective January 1, 1998 and restated effective September 1, 2021 to provide retirement benefits to eligible employees. Participating employers consist of the following affiliated companies: Vendor Resource Management, Inc.; Hightide Settlement Services, LLC; and VRM Lending, Inc. and Subsidiary, together with Murcor, Inc., referred to as the "Company". The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination or financial hardship. The Plan covers all employees of the Company who meet certain eligibility requirements as defined by the Plan. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent laws.

Plan administration

The Company is the administrator of the Plan and, as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. The Plan's investments are held by the trustee of the Plan, Great-West Trust Company, LLC (the "Trustee"). Trustee and recordkeeping services are provided by the Trustee, or one of its affiliates.

Eligibility

Employees who have completed three (3) months of service, are age eighteen (18) or older and who are not included in collective bargaining units, part-time employees, temporary employees, seasonal employees, leased employees, non-resident aliens, or whose regular scheduled service is less than 1,000 hours, are eligible to participate in the Plan. The Plan is a safe harbor plan.

1. DESCRIPTION OF THE PLAN (continued)

Contributions

Participants may elect to contribute through payroll deductions amounts up to 100% of their annual eligible compensation, as defined by the Plan, on a tax-deferred or after-tax basis, up to the maximum amount allowed by the IRC. Maximum allowed deferral amounts were \$19,500 for 2021. Participants age 50 or over may also contribute an additional \$6,500 to the Plan for 2021. The Plan includes an automatic enrollment feature at a deferral rate of 2% on a pre-tax basis which enrolls eligible participants who have not opted out of the Plan or elected a different deferral percentage. Until elected otherwise by participants, the deferral election increases 1% each year, up to a maximum deferral of 5%. Participants are also allowed to rollover contributions from other qualified employer-sponsored retirement plans.

The Company makes a safe harbor matching contribution every year equal to 100% of the participant's salary deferrals that do not exceed 3% of participant's eligible compensation plus 50% of participant's salary deferrals in excess of 3% to 5% of participant's eligible compensation. The Company may make a non-elective profit sharing contribution for eligible employees, as defined, who are actively employed at the end of the Plan year and who completed at least 1,000 hours of service, as defined by the Plan, during the Plan year. The Company did not make a non-elective profit sharing contribution during 2021. The Company may also make employer matching contributions at their discretion. The Company did not make a discretionary employer matching contribution during 2021.

Participant accounts

Each participant's account is credited with the participant's contributions (including rollovers from the participant's previous plan), and allocations of (a) the Company's contributions, if applicable and (b) Plan earnings or losses, and charged with an allocation of administrative expenses not paid by the Company. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct their investments in the various fund options offered by the Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings or losses thereon. Vesting in the Company's safe harbor matching contributions, plus actual earnings and losses thereon are immediately vested.

1. DESCRIPTION OF THE PLAN (continued)

Vesting (continued)

Non-elective contributions and discretionary matching contributions, if any, are subject to a 6-year graded vesting schedule as follows:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0 %
2	20 %
3	40 %
4	60 %
5	80 %
6	100 %

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's accounts and bear interest at a fixed rate equal to the prime rate at the time the loan is taken, plus 1%. The repayment of principal plus interest is generally required by the Plan to be made through payroll deductions over five years unless the loan is used for the purchase of a primary residence. Loans outstanding during 2021 carried interest rates that ranged between 4.25% and 6.50%. Principal and interest is paid ratably through monthly payroll deductions.

Payment of benefits

Distributions and withdrawals are payable upon retirement, termination, financial hardship, disability or to a beneficiary upon a participant's death. In-service withdrawals from a participant's account are permitted for participants who are 59 1/2 or older. If a participant's account balance is equal to or less than \$1,000, the balance will be distributed immediately in a lump-sum payment unless a direct rollover into another qualified benefit plan is requested. If a participant's account balance is between \$1,000 and equal to \$5,000, the balance will be directly rolled over to an individual retirement account ("IRA") as designated by the Plan administrator, unless a direct rollover into another qualified benefit plan or a lump-sum cash payment is requested. If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment, a direct rollover into another qualified plan or postpone payment to a later date and remain in the Plan as described in the Plan document.

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN (continued)

Payment of benefits (continued)

The Plan also allows participants to obtain a distribution to satisfy certain immediate and heavy financial needs, as defined in the Plan document. Immediate and heavy financial needs include: (1) medical expenses; (2) purchase of a principal residence; (3) to prevent eviction from principal residence; (4) to pay for education expenses; (5) funeral expenses; or (6) repair damage on principal residence. Participants must first exhaust all other assets reasonably available prior to obtaining a hardship withdrawal.

Forfeiture accounts

As of December 31, 2021 and 2020 forfeited nonvested accounts totaled \$0 and \$1,275 respectively. The Plan document allows that forfeitures be used to pay Plan administrative expenses or reduce the Company's nonelective contributions, if any. During the year ended December 31, 2021, \$1,280 of forfeitures were used to pay Plan administrative expenses.

Administrative expenses

Certain administrative expenses of the Plan were paid directly by the Company during the year ended December 31, 2021. The Plan is not required to reimburse the Company for expenses paid on its behalf. Loan setup and maintenance fees are paid by the individual participants receiving a loan. Investment fees, which may vary according to the individual funds selected, are deducted directly from participants' investment returns. Investment advisory and management fees paid by the Plan amounted to \$121,968 for the year ended December 31, 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). Under this basis, investments are recorded at fair value on the settlement date, contributions are recorded when received and benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Murcor, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
Modified Cash Basis
December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Investment valuation and income recognition

The Plan's investments in mutual funds and a collective trust fund are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded when received. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year and are net of related investment fees.

Contributions

Contributions from participants are recorded based on the date the contributions have been separated from a participant's pay by the Company, which is the pay date. The Plan records Company matching contributions are recorded in the year they are earned and coincide with the year in which the Company records the contributions in the general ledger. Rollover contributions are recorded when they are received by the Plan and allocated to participant accounts.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. No allowance for credit losses was recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and, upon the occurrence of a distributable event, the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

December 31, 2021 and 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Administrative expenses are recorded when incurred.

Subsequent events

The Plan has evaluated subsequent events through July 29, 2022, the date the financial statements were available to be issued. No other subsequent events have occurred that would have a material impact on the Plan's financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of ERISA. The Trustee has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits - modified cash basis as of December 31, 2021 and 2020;
- Net appreciation in fair value of investments, dividends and interest (including interest income from notes receivable from participants) reflected on the accompanying statement of changes in net assets available for benefits - modified cash basis for the year ended December 31, 2021;
- Investments and notes receivable from participants reflected on the schedule of assets (held at end of year) - modified cash basis as of December 31, 2021.

Accordingly, as permitted under such election, the Plan administrator has instructed the Plan's independent auditor not to perform any auditing procedures with respect to the information, and related activity, certified by the Trustee as accurate and complete, except for comparing such information to corresponding information included in the Plan's financial statements and supplemental schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS

Accounting standards require that fair value be determined based on the price that would be received for an asset or paid to transfer a liability ("exit price") in the principal or most advantageous market, in an orderly transaction between market participants. Such fair value is a market-based measurement, not an entity-specific measurement. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements).

Murcor, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
Modified Cash Basis
December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENTS (continued)

At December 31, 2021 and 2020, all mutual fund investments were considered to be Level 1.

- *Level 1* - inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date.
- *Level 2* - inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full-term of the assets or liabilities; or
- *Level 3* - unobservable inputs for the asset or liability that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust: a stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. The collective trust fund is a direct filing entity. There were no unfunded commitments at December 31, 2021 and 2020.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 29,123,363</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 29,123,363
Investments measured at NAV*				<u>2,530,811</u>
				<u>\$ 31,654,174</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investments, by type, at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Fair Value</u>
Mutual funds	<u>\$ 27,126,542</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 27,126,542
Investments measured at NAV*				<u>3,187,676</u>
				<u>\$ 30,314,218</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in unvested non-elective contributions, if any, that were subject to the 6-year vesting schedules.

6. TAX STATUS

The Plan has adopted a prototype plan that obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC, and that any employer adopting this form of the prototype plan will be considered to have a plan qualified under applicable sections of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, no provision for income taxes has been included in the Plan's financial statements.

Murcor, Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements

December 31, 2021 and 2020

7. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

ERISA defines parties-in-interest similarly to financial accounting standards except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. We did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

Parties-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons. As such, transactions conducted by the Trustee, including any fee offset or revenue-sharing agreements, qualify as exempt parties-in-interest transactions. Purchases and sales of investments managed by either the Trustees, or their affiliates, while considered parties-in-interest transactions under ERISA regulations, are permitted under the provisions of the plan documents and are specifically exempt under ERISA.

The Trustee also earns compensation in the form of short-term interest (or "float") when funds are received either without investment instructions or past the point in a day when funds can be invested. Such amounts are held by a financial institution and earn interest at an interest rate provided by the financial institution from time to time.

Also, fees and expenses paid by the Company on behalf of the Plan qualify as exempt parties-in-interest transactions. During the year ended December 31, 2021 administrative fees paid to the Trustee and other Plan advisors totaled \$121,968.
