Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of Dierbergs Collectively-Bargained Employees' 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 And 2020

1. Description Of The Plan

The following description of the Dierbergs Collectively-Bargained Employees' 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with a 401(k) feature established by Dierbergs Markets, Inc. (the Company) under Section 401(a) of the Internal Revenue Code (IRC). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Charles Schwab Trust Bank is the Plan's Trustee and EPIC Retirement Plan Services is the Plan's Recordkeeper.

Eligibility

Employees are eligible to participate in the Plan upon reaching age 21 and completing 12 consecutive months of employment. Participation is voluntary.

Contributions

Participants may defer salary up to 75% of their annual compensation, not to exceed IRC limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Additionally, participants age 50 or older, who are contributing to the Plan, are allowed to make catch-up contributions, as defined in the Plan.

The Company can make discretionary contributions on behalf of certain employees. No such contributions were made for the years ended December 31, 2021 or 2020.

The Company contributes on behalf of the Bakery, Confectionary, Tobacco Workers' and Grain Millers International Union (BCTGM Local No. 4). These contributions are calculated on a per day basis for full time employees with the maximum of 20 days per month. The contribution amounts per day were \$6.50 for the years ended December 31, 2021 and 2020. Total contributions under this agreement for the years ended December 31, 2021 and 2020 totaled \$65,598 and \$68,035 respectively.

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

Notes To Financial Statements (*Continued*)

The Company contributes on behalf of the Service Employees' International Union AFL-CIO-CLC (CTW Local No. 1). These contributions are calculated on a per hour basis for straight time hours worked up to a maximum of 40 hours per week. The contribution amount per hour is \$0.20. Total contributions under this agreement for the years ended December 31, 2021 and 2020 totaled \$34,906 and \$35,305, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan Document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The number of outstanding loans for any participant at any one time is limited to one. Only one loan may be made to any participant during any 12-month period. Loans may not extend beyond a term of five years except for a loan for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their voluntary contributions and Company contributions plus actual earnings thereon.

Investment Options

Upon enrollment in the Plan, a participant may direct elective contributions, rollovers, and Company contributions in any of the investment options available. The investment options consist of registered investment companies (mutual funds) and collective trust funds.

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

Notes To Financial Statements (*Continued*)

Benefits

Amounts in a participant's account, including the vested portion of a participant's Company contributions and earnings thereon, are distributed upon retirement, death, disability, or other termination of employment. The normal form of retirement benefit is a lump-sum payment or a series of equal payments over a period of time until fully distributed.

In-Service Withdrawals

Active participants who reach age 59-1/2 or experience a qualifying financial hardship may withdraw all or part of their vested accounts. Hardship withdrawals will be approved only if they conform to the Plan provisions and established IRC provisions.

Administrative Expenses

Participants are charged a fixed annual fee as well as other administrative expenses, including recordkeeping fees, professional fees and trust fees, which are paid from participant accounts.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements of the Plan's investments.

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

Notes To Financial Statements *(Continued)*

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment Of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.

3. Certified Investment Information

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule that was prepared by or derived from information certified by the Trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that the information provided to the Plan Administrator related to the following information is complete and accurate.

Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the following assets as of December 31:

	<u>2021</u>	<u>2020</u>
Investments - At Fair Value		
Registered investment companies	\$ 65,217,434	\$ 56,414,121
Collective trust funds	16,286,451	15,677,059
Notes receivable from participants	1,149,285	1,243,650

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

Notes To Financial Statements (*Continued*)

The Trustee also certified to the completeness and accuracy related the following investment income and interest income on notes receivable from participants for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Net change in fair value investments	\$ 8,779,879	\$ 9,500,226
Dividends from registered investment companies	3,491,648	2,087,642
Interest income on notes receivable from participants	61,106	77,908

4. Fair Value Measurements

The Plan follows accounting rules, which establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

Notes To Financial Statements (*Continued*)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies

Valued at the daily closing price as reported by the fund. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Valued at the NAV of units of the collective trusts. The NAV, as provided the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less liabilities. This practical expedient is not used when it is determined to be probable that a fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The methods described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

Notes To Financial Statements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

	December 31, 2021			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 65,217,434	\$ —	\$ —	\$ 65,217,434
Investments measured at net asset value (a)				16,286,451
Total Assets At Fair Value				\$ 81,503,885

	December 31, 2020			Total
	Level 1	Level 2	Level 3	
Registered investment companies	\$ 56,414,121	\$ —	\$ —	\$ 56,414,121
Investments measured at net asset value (a)				15,677,059
Total Assets At Fair Value				\$ 72,091,180

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Fair Value Of Investments In Entities That Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2021 and 2020:

Investment Type	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2021	2020			
Collective Trust Funds	\$ 16,286,451	\$ 15,677,059	None	Daily	None

There have been no changes in the valuation methodologies used at December 31, 2021 or 2020.

DIERBERGS COLLECTIVELY-BARGAINED EMPLOYEES' 401(k) PLAN

Notes To Financial Statements (*Continued*)

5. Income Tax Status

The Plan Sponsor adopted the Retirement Plan Services, LLC Volume Submitter document (Volume Submitter Plan). The Plan Sponsor relies on the most recent opinion letter dated March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Volume Submitter Plan, as designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since the Volume Submitter Plan received the latest opinion letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party In Interest Transactions

The Plan pays fees to various service providers related to operations of the Plan and invests in collective trust funds managed by the Trustee. In addition, certain employees have outstanding loans with the Plan as of December 31, 2021 and 2020. These are considered party in interest transactions that are allowable under ERISA.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in their accounts.

8. Risks And Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
