INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Commonwealth Senior Living 401(k) Plan
Charlottesville, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Commonwealth Senior Living 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of Commonwealth Senior Living 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from two qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section -

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Commonwealth Senior Living 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Senior Living 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commonwealth Senior Living 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commonwealth Senior Living 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2021 Supplemental Schedules Required by ERISA (Continued)

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Commonwealth Senior Living 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COMMONWEALTH SENIOR LIVING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 1. Plan Description

The following description of the Commonwealth Senior Living 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Commonwealth Senior Living, LLC (the “Company”) and affiliates. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan trustees are responsible for oversight of the Plan, determining the appropriateness of the Plan’s investment offerings, and monitoring investment performance.

Eligibility

All full and part-time employees not in specifically excluded categories, such as leased employees, are eligible to participate in the Plan. Prior to June 1, 2021, participants entered the plan immediately for participant contributions. After June 1, 2021, participants enter the plan after completing 3 months of service. Participants are eligible for matching contributions after one year of service as defined by the Plan. After one year of service and satisfying age requirements, participants are eligible for nonelective profit sharing contributions. Prior to June 1, 2021, participants were required to be 21 years of age. After June 1, 2021, participants were eligible to enter the plan when they satisfied other requirements and were 18 years of age or older. Entry dates for employer contributions are the first days of January, April, July and October.

Contributions

Each year, participants may contribute up to the maximum allowed by law of their compensation, as defined by the plan. Prior to November 15, 2021, participants could elect to designate all or a portion of their elective deferrals as Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. All voluntary contributions are made by payroll deductions. The Company makes a safe-harbor matching contribution equal to 100 percent of a participant’s elective deferrals that do not exceed 4 percent of the participant’s compensation. The Company may make additional matching contributions equal to a discretionary percentage of salary deferrals and profit-sharing contributions to eligible participants. No additional match or profit-sharing contributions were made by the Company for the year ended December 31, 2021. Participants direct the investment of all contributions into various investment options offered by the Plan. Contributions are subject to certain IRS limitations

Participant accounts

Each participant’s account is credited with the participant’s contributions, the Company’s safe harbor matching contributions, discretionary matching contributions, allocations of the Company’s profit sharing contribution, if applicable, and allocations of Plan earnings. Participant accounts are charged with an allocation of administrative fees paid by the plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Note 1. Plan Description (Continued)

Vesting

Participants are immediately vested in their contributions and all employer contributions plus actual earnings thereon.

Payment of benefits

Upon termination of service, attainment of retirement age, or in the case of death or disability, participants may receive their accrued benefits in a single lump sum that can be rolled over into another qualified plan or paid in cash to the participant. If the participant's balance is under \$5,000 upon termination, the participant's vested interest in his or her account may be automatically distributed. Participants age 59½ or older may receive in-service withdrawals from their deferral and employer funded accounts. Hardship withdrawals are also permitted, subject to provisions described in the Plan document.

Notes from participants

Participants may borrow from their traditional account balance a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested balance. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at market rates as determined by the Plan administrator. At December 31, 2021, the interest rate on loans was 5.25%. Principal and interest are paid ratably through payroll deductions.

Forfeited accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$26 and \$298, respectively. Forfeitures can be used to reduce future employer contributions or to pay administrative expenses of the Plan. In 2021, forfeitures of \$398 were used to pay plan expenses. No forfeitures were used in 2021 to reduce employer contributions.

Note 2. Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 2. Significant Accounting Policies (Continued)

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to benefits paid are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Benefit payments

Benefits are recorded when paid.

Subsequent events

Subsequent events have been evaluated through July 22, 2022, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority.

(Continued)

COMMONWEALTH SENIOR LIVING 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Note 3. Fair Value Measurements (Continued)

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

	Fair Value Measurements at Reporting Date Using:	
		Quoted Prices In Active Markets For Identical Assets (Level 1)
<u>December 31, 2021</u>	<u>Fair Value</u>	
Mutual funds	\$ 5,079,705	\$ 5,079,705
Money market fund	4,612	4,612
Total	<u>\$ 5,084,317</u>	<u>\$ 5,084,317</u>
<u>December 31, 2020</u>		
Mutual funds	<u>\$ 3,793,563</u>	<u>\$ 3,793,563</u>
Total	<u>\$ 3,793,563</u>	<u>\$ 3,793,563</u>

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted net asset values of the shares held by the Plan at year end. The fair values of money market funds are based on the stated value of assets held.

Note 4. Related Party Transactions

Certain administrative functions are performed by employees of the Company. These employees are also Plan participants. No such employee receives compensation from the Plan.

Prior to June 1, 2021, plan participants invested in funds held or managed by American Funds. American Funds is owned by Capital Group Companies, Inc, who was the recordkeeper and custodian of the plan through May 31, 2021. Investments in funds issued and managed by the Custodian are considered related-party transactions. Fees paid to the Custodian for administrative services were \$1,175 for the year ended December 31, 2021.

Note 4. Related Party Transactions (Continued)

After June 1, 2021, plan participants may investment in funds held or managed by Vanguard, the Custodian of the plan for the period beginning June 1, 2021. Investments in funds issued and managed by the Custodian are considered related-party transactions. Fees paid to the Custodian for administrative services were \$30,880 for the year ended December 31, 2021.

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6. Tax Status

The Plan was restated and amended effective June 1, 2021 to an approved prototype plan sponsored by Ascensus, L.L.C. The Internal Revenue Service has determined and informed the pre-approved plan sponsor by a letter dated June 30, 2020, that the pre-approved plan and related trust are designed in accordance with applicable sections of the *Internal Revenue Code (IRC)*. Although the pre-approved plan has been amended since receiving the advisory opinion letter, the Plan administrator and the pre-approved plan sponsor believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the *IRC* and, therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 7. Certification

Certain information was certified as complete and accurate by the Plan's Custodian, Capital Bank and Trust Company, for the period from January 1, 2021 through June 1, 2021, and the Plan's Trustee, Ascensus Trust Company for the period from June 1, 2021 through December 31, 2021. This information is as follows:

Note 8. COVID-19

In March of 2020, the World Health Organization classified the COVID-19 outbreak as a global pandemic, adversely affecting global economic activity and financial markets. As the COVID-19 outbreak continues to evolve, the extent of the impact on Plan Sponsor's operations, plan activity, and plan investments is uncertain and cannot be predicted.

The Plan adopted provisions under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). These included increasing the allowed amounts for certain qualifying distributions and suspension of required minimum distributions (RMDs).
