INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Amerisafe, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Amerisafe, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits-modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits-modified cash basis for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Amerisafe, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amerisafe, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerisafe, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amerisafe, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amerisafe, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule H, Line 4I-Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Amerisafe, Inc. 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated June 18, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial

statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Amerisafe, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the Plan Years Ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Amerisafe, Inc. (“Company”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan for the benefit of eligible employees, which covers substantially all of the employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). To become a participant, an employee must have obtained 18 years of age and must have completed two months of service with the Company.

Contributions and Funding Policy

Each year, participants may contribute up to 60% of pretax annual compensation, as defined in the Plan. However, the total deferrals in any taxable year may not exceed a dollar limit that is set by law. The limit for 2021 and 2020 is \$19,500. Participants who have attained age 50 or older before the end of the Plan year are eligible to make catch-up contributions up to \$6,500 for calendar years 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans but will not become a participant in the Plan until the eligibility and entry date requirements are met. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers mutual funds and common/collective trusts through Reliance Trust Company as investment options for participants. The employer makes a non-discretionary matching contribution equal to 50% of the employee’s contribution subject to a maximum of 6% of them employee’s eligible compensation contributed to the Plan. The employer may also make a discretionary match each year that would be allocated to participants prorata based on their deferrals during the year.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer’s contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service. The vesting schedule is as follows:

<u>Years of Vesting Service</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Regardless of the vesting schedule above, a participant will become fully vested upon total and permanent disability.

NOTES TO FINANCIAL STATEMENTS
For the Plan Years Ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN - (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000, reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the loan is made or 50% of their vested account, whichever is less. The loans are secured by the balance in the participant's account. Interest rates will equal to 2% above the prime rate. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Payment of benefits generally will not begin until participants reach their Normal Retirement Age at 65 (even if employment has not terminated). In such event, a distribution will be made, at their election, as soon as administratively feasible. If they remain employed past their Normal Retirement Age, they may generally defer the receipt of benefits until they actually terminate employment. In such event, benefit payments will begin as soon as feasible at their request, but generally not later than age 70 1/2.

If a participant's vested account balance exceeds \$5,000, on termination of service, disability or after reaching a normal retirement age, a participant must consent to their benefit distribution. The participant will receive an amount equal to the value of their vested interest in their account in the form of a single lump-sum payment, a rollover to a qualified plan; or if elected, a joint and survivor annuity. If a participant's vested balance does not exceed \$5,000, their vested account balance may only be distributed in a single lump-sum payment or rollover to an eligible retirement plan.

Forfeited Accounts

Forfeitures of non-vested accounts totaled \$43,617 and \$24,044 for the years ended December 31, 2021 and 2020, respectively. Forfeitures are used first to pay administrative expenses of the Plan and any remainder can be used to offset employer contributions. The balances of the Plan's forfeiture account as of December 31, 2021 and 2020 were \$39,981 and \$54,210, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A brief summary of the significant accounting and reporting policies followed by the Plan in the preparation of its financial statements is presented below.

Basis of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive method of accounting other than generally accepted accounting principles. Employer and Employee contributions are recognized when received. Employee benefits and refunds of contributions are expensed when paid.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Reliance Trust Company has provided fair values as of December 31, 2021 and 2020, respectively. See Note 3 for discussion of fair value measurements.

NOTES TO FINANCIAL STATEMENTS
For the Plan Years Ended December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Investment Valuation and Income Recognition – (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accounted for as it is paid. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participants' accounts and are included in administrative expenses when incurred. Delinquent participant loans are reclassified as a benefit payment to the participant based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Fees for administration of the plan are paid from the forfeitures account and the plan sponsor is responsible for any fees in excess of the amount available in the forfeitures account. Investment related expenses are included in net appreciation in fair value of investments. However, fees are charged by the Trustee for certain transactions initiated by the participants such as loan withdrawals and benefit payments.

Reclassification

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board (FASB) Codification No. 820-10, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 Measurements) and the lowest priority to unobservable inputs (level 3 Measurements).

The three levels of the fair value hierarchy under FASB Codification No. 820-10 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Amerisafe, Inc. 401(k) Plan
NOTES TO FINANCIAL STATEMENTS
For the Plan Years Ended December 31, 2021 and 2020

NOTE 3 - FAIR VALUE MEASUREMENTS – (Continued)

Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV): and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Valued at NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV. Participant transactions (purchase and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
For the Plan Years Ended December 31, 2021 and 2020

NOTE 3 - FAIR VALUE MEASUREMENTS – (Continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Common/collective trusts	\$ 5,006,429	\$ -	\$ -	\$ 5,006,429
Mutual funds	40,038,400	-	-	40,038,400
Total assets at fair value	<u>\$ 45,044,829</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 45,044,829</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Common/collective trusts	\$ 3,914,003	\$ -	\$ -	\$ 3,914,003
Mutual funds	\$35,471,097	-	-	35,471,097
Total assets at fair value	<u>\$ 39,385,100</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 39,385,100</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, result entirely from investments in mutual funds and are reported as net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between level 1 and level 2 and into and out of level 3 as of the date of the event or change in circumstance that caused the transfer. For the years ended December 31, 2021 and 2020, there were no significant transfers between levels 1 and 2 and no transfers into or out of level 3.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a determination letter on July 16, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United State of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon termination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for a period beyond three years from the filings of those returns.

NOTES TO FINANCIAL STATEMENTS
For the Plan Years Ended December 31, 2021 and 2020

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Reliance Trust Company. Reliance Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$66,640 for 2021 and \$74,123 for 2020. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN

Reliance Trust Company, as custodian of the Plan, holds all of the Plan's investment assets and executes transactions therein. Financial information relating to the assets is included in the accompanying financial statements and is based on information provided by the custodian. The plan administrator has instructed us not to examine the information certified as complete and accurate by the trustee/custodian. The trustee/custodian's certificate applies to substantially all Plan assets and transactions for the dates presented.

The following information was compiled from data certified by the custodian as being complete and accurate:

	2021	2020
Common/collective trusts	\$ 5,006,429	\$ 3,914,003
Mutual funds	40,038,400	35,471,097
Notes receivable from participants	728,827	816,951
Net appreciation in fair value of investments	3,965,614	5,330,465
Dividends	2,238,642	1,305,475
Interest income on notes receivable from participants	47,671	52,518
Administrative fees	66,640	74,123

NOTE 9 – INACTIVE PARTICIPANTS

At December 31, 2021, accounts totaling \$6,299,809 belong to inactive participants who at the date of the financial statements have not directed disbursement of their accounts.

NOTE 10 - SUBSEQUENT EVENTS

Management of the Plan is not aware and has evaluated the financial statements for subsequent events through the date of the auditors' report, the date the financial statements were available to be issued. Management is not aware of any subsequent events other than listed above which would require recognition or disclosure in the financial statements.
