Plan Administrator
Monigle Associates, Inc.
401(k) Profit Sharing Plan
Denver, Colorado

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements

We have performed an audit of the financial statements of Monigle Associates, Inc. 401k Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agree to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required By ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report On The 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 26, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MONIGLE ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 And 2020

1. Description Of Plan

The following description of the Monigle Associates, Inc. 401(k) Profit Sharing Plan (the Plan) of Monigle Associates, Inc. (the Company) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan and is available to all employees of the Company who are 21 years of age or older, excluding certain nonresident aliens, leased employees, student interns and pool employees with less than one year of service as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was restated effective July 1, 2021 when the Company switched from Matrix Trust Company (MTC) as the Trustee and Custodian of the Plan to Transamerica Retirement Solutions (Transamerica).

Contributions

Each year, participants eligible for the Plan may contribute up to 75% of pre-tax annual compensation as defined by the Plan, or the maximum allowable per the Internal Revenue Code (the IRC). Participants may contribute up to the maximum allowable per the Internal Revenue Service (the IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions (\$6,500 in 2021). The Plan consists of the following: (1) an IRC Section 401(k) feature which is a salary deferral arrangement; (2) an IRC Section 401(m), a discretionary matching feature of 2% of the employees contribution covering all participants and (3) a discretionary profit-sharing feature covering all eligible employees employed on the last day of the Plan year. After three months of employment, participants are eligible to receive the matching contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company did not make a discretionary profit sharing contribution for the 2021 Plan year.

Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan.

Notes To Financial Statements (*Continued*)

Investment Options

Participants may direct their deferrals, rollovers and employer contributions into various investment options maintained by MTC and Transamerica during the year.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, the discretionary profit sharing contributions and an allocation of the applicable investment fund earnings, net of Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Plan participants are immediately vested in their own contributions to the Plan plus actual earnings thereon. Participants become vested in Company contributions, plus actual earnings thereon, based on years of service. A participant vests at a rate of 20% per year and is 100% vested after five years of credited service. Participants eligible for the Plan are always 100% vested in their contributions and earnings.

Payment Of Benefits

On termination of service due to death, disability or retirement, employees may elect to receive a lump-sum amount equal to the participant's vested interest in their account or an annuity over the life of the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$25,721 and \$10,002, respectively. Forfeitures are used to reduce further Company contributions and to pay Plan expenses. During the year ended December 31, 2021, forfeitures in the amount of \$10,492 were used to offset Company contributions or pay Plan expenses in either year.

Administrative Expenses

Certain expenses incurred in administering the Plan have been charged to the Plan, while others have been paid by the Company. Fees associated with withdrawals are charged to the individual participant's account.

2. Summary Of Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities at the date of the financial statements, and disclosure of contingent assets and liabilities and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments held in a defined contribution plan, other than fully benefit-responsive investment contracts, are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Investments held by a defined contribution plan that are fully benefit-responsive are reported at contract value, rather than fair value, because contract value is the amount participants would receive if they were to initiate permitted transaction under the terms of the Plan. The Plan's investments in the Transamerica Stable Value Fund is a fully benefit-responsive investments contract and is reported at the contract value in the statement of net assets available for benefits.

MONIGLE ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Certain events could limit the ability of the Plan to transact at contract value with Transamerica. Such events include the following: (1) the Plan is changed so as to significantly affect Transamerica obligations to the contract, (2) the contract can no longer be treated as a pension plan contract, (3) the Plan is terminated, (4) the failure to comply with the contract requirements, (5) the failure to provide information, (6) the sum of the contract account values at any time equals \$20,000 or less or (7) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator is not aware of any events which would limit the Plan's ability to transact at contract value with participants that are probably of occurring.

Payment Of Benefits

Benefits are recorded when paid.

3. Certified Financial Information

Certain information related to investments and investment income disclosed in the accompanying financial statements and supplemental schedule, as of December 31, 2021 and for the year then ended, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by qualified institutions. Certain information related to investments and investment income disclosed in the accompanying financial statement as of December 31, 2020 was prepared by or derived from information certified by a qualified institution furnished to the Plan Administrator.

4. Fair Value Measurements

The Plan follows accounting standards which establish a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

MONIGLE ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the valuation methodology used at December 31, 2021 or 2020.

Mutual Funds And Money Market Fund

These are valued at the daily closing price as reported by the fund. Mutual funds and the money market fund held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and money market fund held by the Plan are deemed to be actively traded.

MONIGLE ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

Notes To Financial Statements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 15,461,702	\$ —	\$ —	\$ 15,461,702
Investments measured at contract value				
Guaranteed investment contract	69,843			
Total Investments	\$ 15,531,545			
	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,547,179	\$ —	\$ —	\$ 12,547,179
Money market fund	149,204	—	—	149,204
Total Assets At Fair Value	\$ 12,696,383	\$ —	\$ —	\$ 12,696,383

5. Income Tax Status

The Plan is a volume submitter defined contribution plan. The volume submitter obtained its latest opinion letter on December 31, 2018, in which the IRS stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. The Plan has not received a determination letter from the IRS. However, the Plan Administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

MONIGLE ASSOCIATES, INC. 401(k) PROFIT SHARING PLAN

Notes To Financial Statements (*Continued*)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, participants will remain 100% vested in their accounts.

7. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. Subsequent Events

Management has evaluated subsequent events through the date financial statements are available for issue which is the date of the Independent Auditors' Report.
