Independent Auditor's Report

To the Plan Administrator of
The 401(k) Plan and Employee Trust of Airlite Plastics Co.
Omaha, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of The 401(k) Plan and Employee Trust of Airlite Plastics Co. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 5, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The 401(k) Plan and Employee Trust of Airlite Plastics Co.

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following description of The 401(k) Plan and Employee Trust of Airlite Plastics Co. (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution profit-sharing plan sponsored by Airlite Plastics Co. (the Company). The assets are maintained under an agreement between Great-West Trust Company, LLC (trustee) and the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company's Board of Directors is responsible for oversight of the Plan. The Plan's 401(k) Administrative Committee with the co-fiduciary recommendations of the investment advisor determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Company's Board of Directors.

B. Contributions

Participant Contributions

Subject to Internal Revenue Service limitations, participants may elect to contribute amounts up to 100% of compensation, as defined by the Plan, on a before-tax or after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The automatic deferral rate increases 1% annually until a maximum of 10% of compensation is being deferred. Participants may also rollover amounts representing distributions from other qualified plans.

Company Contributions

The Plan is considered a safe harbor plan. The Company will match 100% of the first 1% of a participant's elective deferrals not exceeding 1% of compensation and 50% of each participant's elective deferrals in excess of 1% but not in excess of 6% of compensation. The Plan allows all contributions to be participant directed.

C. Participant Accounts

Each participant's account is credited with the participant's contributions, including rollover contributions, and the Company's matching contributions, as well as an allocation of Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Eligibility

Employees are eligible to make salary reduction contributions and receive matching contributions after 60 days of service. Eligible employees become participants on the first day of the month following the date on which eligibility requirements are fulfilled.

E. Vesting

Participants are fully vested in their contributions, as well as rollover contributions. Participants are vested in the Company's contributions made before the Plan was considered safe harbor according to the following schedule:

The 401(k) Plan and Employee Trust of Airlite Plastics Co.

Notes to Financial Statements December 31, 2021 and 2020

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than two	0%
Two	25%
Three	50%
Four	75%
Five or more	100%

Participants vest in the Company's safe harbor matching contributions as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than two	0%
Two or more	100%

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 maximum note amount is reduced by the highest note balance during the past 12 months minus the note balance on the date a new note is made. The notes are secured by the balance in the participant's account and bear interest at a rate equal to the prime rate plus 1%. Note terms range from one to five years, or up to ten years for the purchase of a primary residence. Principal and interest are paid ratably through periodic payroll deductions. At December 31, 2021, note interest rates ranged from 4.25% to 6.50% and mature from January 2022 through October 2029.

Effective April 8, 2020, the Plan was amended to adopt the loan provisions under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) allowing qualified individuals to borrow up to the lesser of \$100,000 or 100% of their vested balance for 180 days beginning March 27, 2020. Qualified participants may also defer loan payments due from March 27, 2020 through December 31, 2020 for one year.

G. Payment of Benefits

If the participant's vested account balance exceeds \$5,000 and he/she is terminated due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or installments over the life expectancy of the participant or of the participant and his or her designated beneficiary. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the participant's account balance is less than \$5,000, the Plan can automatically cash out the account at the participant's termination in the form of a lump-sum distribution. Under certain circumstances, if the account balance exceeds \$1,000 but is less than \$5,000, the account balance may be automatically rolled over into an individual retirement account. In-service withdrawals are allowed in the case of disability, deemed severance or when a participant has attained age 59 $\frac{1}{2}$.

Effective April 8, 2020, the Plan was amended to adopt the distribution provision under the CARES Act allowing qualified individuals to receive coronavirus-related distributions in an aggregate amount up to \$100,000 from the participant's account in the Plan. Coronavirus-related distributions could be taken up to December 31, 2020 and may be repaid within three years of the date of distribution. The amendment also temporarily waived required minimum distributions for the 2020 calendar year.

H. Forfeited Accounts

Participants leaving employment with the Company before becoming fully vested forfeit their nonvested interest in the Company's contributions. These forfeitures are used to reduce the Company's current or future contributions under the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,468 and \$9,285, respectively. During 2021, \$73,007 of forfeitures were used to reduce Company contributions.

The 401(k) Plan and Employee Trust of Airlite Plastics Co.

Notes to Financial Statements December 31, 2021 and 2020

(2) Summary of Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Administrative Committee determines the Plan's valuation policy utilizing information provided by investment advisors, the trustee and the custodian. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Payment of Benefits

Benefit payments to participants are recorded when paid.

E. Administrative Expenses

Trust administrative fees and expenses of the Plan may be paid out of the trust assets unless paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain administrative fees are paid by the Company and are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

F. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

G. Subsequent Events

The Plan Administrator has evaluated subsequent events through August 1, 2022, the date the financial statements were available to be issued.

(3) Investment Contract with Great-West Life & Annuity Insurance Company

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Great-West Life & Annuity Insurance Company (Great-West) totaling \$7,218,773 and \$6,870,138 as of December 31, 2021 and 2020, respectively. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting.

The 401(k) Plan and Employee Trust of Airlite Plastics Co.

Notes to Financial Statements December 31, 2021 and 2020

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Termination of the Plan will limit the ability of the Plan to transact at contract value with the issuer. No event is probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

(4) Information Certified and Provided by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company

The following is a summary of the information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, that was prepared by or derived from information provided by Great-West Trust Company, LLC, the trustee, and Great-West Life & Annuity Insurance Company, the custodian, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee and custodian that information provided to the Plan Administrator by the trustee and custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information in which appears throughout the financial statements and ERISA-required supplemental schedule related to the following information.

The trustee and custodian certified to the completeness and accuracy of \$58,893,437 and \$51,102,832 of Plan investments as well as \$1,643,306 and \$1,794,768 of notes receivable from participants at December 31, 2021 and 2020, respectively. In addition, \$1,876,214 of net appreciation in fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year), \$4,732,932 of interest and dividend income from investments and \$86,218 of interest on notes receivable from participants for the year ended December 31, 2021 was also certified.

(5) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

The 401(k) Plan and Employee Trust of Airlite Plastics Co.

Notes to Financial Statements December 31, 2021 and 2020

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020:

Mutual funds: Valued at fair value as determined by quoted market prices, which represent the net asset value of shares held by the plan at year end. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 51,674,664	--	--	51,674,664

Investments at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 44,232,694	--	--	44,232,694

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

(7) Tax Status

The Plan uses a prototype plan from Great-West Trust Company. The prototype plan received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status dated March 31, 2014. The prototype plan opinion has been relied upon by this Plan. Although the Plan has been amended since adopting the prototype plan, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(8) Party-In-Interest Transactions

Certain Plan investments are shares of a general account that is managed by Great-West. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for recordkeeping and investment management services provided by parties-in-interest amounted to \$213,262 for the year ended December 31, 2021.

The 401(k) Plan and Employee Trust of Airlite Plastics Co.

Notes to Financial Statements December 31, 2021 and 2020

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(10) Subsequent Event

Effective February 1, 2022, the Plan adopted a prototype plan document sponsored by Great-West Trust Company, LLC. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status dated June 30, 2020. The prototype plan opinion has been relied upon by this Plan.

Schedule 1

The above information has been certified by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, the trustees, as complete and accurate.
