INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and
Administrative Committee of
Fruhauf Uniforms, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Fruhauf Uniforms, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Fruhauf Uniforms, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fruhauf Uniforms, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fruhauf Uniforms, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and

disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fruhauf Uniforms, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fruhauf Uniforms, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and other certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at year end is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information,

including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Fruhauf Uniforms, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis of an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Fruhauf Uniforms, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

The following description of the Fruhauf Uniforms, Inc. (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan prototype plan and adoption agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering employees of the Company who are age twenty-one or older and have either one year of service consisting of a minimum of 1,000 hours or three consecutive years of service consisting of 500 hours worked in each year. Employees subject to certain bargaining agreements and non-resident alien employees not having U.S. income are not eligible to participate in the plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The board of trustees oversees governance of the Plan. The Plan's Administrative Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

b. Contributions

Participants may contribute up to 25% of annual compensation to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company will make a matching contribution equal to 25% of the participant's contributions up to 4% for a maximum employer contribution of 1%. The Company may make an additional profit sharing contribution at its own discretion. Participants direct the investment of both participant and employer contributions. Contributions are subject to certain statutory limitations.

c. Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of the Company's contributions and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The participant is entitled to a benefit equal to his or her vested account balance.

Participants may choose from various funds, as listed in the financial statements, in which to invest their accounts. Participants may change their investment options at any time throughout the year via direct phone access or Internet access to the Plan's third-party administrator.

d. Investment elections

The participant contributions and the Company matching contributions are allocated to the various investment options offered by the Plan as directed by participants. The Plan currently offers various mutual funds, principally run by Nationwide Life Insurance Company, as investment options for participants.

Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

e. Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service, as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

f. Notes Receivable from Participants

Loans to participants are not permitted.

g. Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum equal to the value of the participant's vested interest in his or her account, or in various installment payment options. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution only. When a participant's vested interest in his or her account balance does not exceed \$5,000, the value of the account will be paid as a lump sum distribution for termination of service due to any reason.

h. Forfeited Accounts

Forfeitures from the non-vested account balances of terminated participants are used to reduce employer contributions for a Plan year. As of December 31, 2021 and 2020, the forfeiture account balances were \$356 and \$497, respectively. During 2021, there was a decrease in forfeitures of \$141. In 2021, the total forfeiture balance of \$356 was used to reduce employer match and employer profit sharing contributions.

i. In-Service Withdrawals

Participants may make withdrawals of any or all of their vested account balances upon attainment of age 59 ½ or normal retirement age.

2. Summary of Accounting Policies

a. Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting.

Fruhauf Uniforms, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

2. Summary of Accounting Policies (continued)

b. Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

c. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Administrative Committee determines the Plan's valuation policy. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

d. Benefits

Benefits are recorded when paid.

e. Plan Administrative Expenses

Officers or employees of the Company perform certain administrative functions. No such officer or employee receives compensation from the Plan. In 2021, administrative expenses relating to third party administration of \$8,569 and custodian administration fees of \$19,737 were paid by the Plan.

3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. All plan assets require the use of Level 2 inputs for the periods presented.

Notes to Financial Statements
December 31, 2021 and 2020

3. Fair Value Measurements

Level 2 - Fair Value Measurements

Pooled separate accounts (PSA) are categorized as level 2. PSAs are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The Net Asset Value (NAV) of a PSA is based on the market value of its underlying investments. There are no unfunded commitments related to these accounts as of December 31, 2021, and 2020 and amounts can be redeemed daily without restrictions.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021, and 2020:

Fair Value Measurements as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Pooled separate accounts	\$ <u> </u> -	<u>5,230,487</u>	<u> </u> -	<u>5,230,487</u>

Fair Value Measurements as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total Fair Value</u>
Pooled separate accounts	\$ <u> </u> -	<u>4,477,254</u>	<u> </u> -	<u>4,477,254</u>

4. Investments

Information Prepared and Certified by Custodian

The Plan has entered into a contract with Nationwide Life Insurance Company (Nationwide) for the investment of funds and the payment of benefits provided by the Plan. The Plan offers investments in various pooled separate accounts which are maintained and administered by Nationwide. Participants elect the funds to which their contributions are allocated.

Information Prepared and Certified by Trustee

The plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the supplemental Schedule H, Line 4i – Schedule of Assets (held at year end) as of December 31, 2021, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

Fruhauf Uniforms, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2021 and 2020

5. Allocated Distributions

Net assets available for benefits at December 31, 2021, include \$566,678 allocated to the accounts of persons who as of or prior to that date had withdrawn from participating in the earnings and operations of the Plan, and \$26,669 allocated to the accounts of persons who as of that date are still participating in the plan. The \$593,348 is payable to former and current employees in May and June, 2022.

6. Related Party Transactions

Certain Plan investments are shares of pooled separate accounts managed by Nationwide. Nationwide is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Nationwide for recordkeeping services were \$19,737 for the year ended December 31, 2021.

DeMars Pension Consulting Service, Inc. (DeMars) is the third party administrator. Fees paid by the Company to DeMars for investment management services amounted to \$8,569 for the year ended December 31, 2021.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

8. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 22, 2021 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that will more likely than not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

9. Concentration of Credit Risk

At December 31, 2021 and 2020, all of the Plan's investments in insurance company pooled separate accounts were held by one financial institution.

Notes to Financial Statements
December 31, 2021 and 2020

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. Subsequent Events

The Plan Administrator has evaluated events through July 28, 2022, the date the financial statements were available to be issued and determined that there have been no events that have occurred that would require adjustment or disclosure.
