Independent Auditor's Report

To the Plan Administrator of
Gregg Young Automotive Group 401(k) Plan
Omaha, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Gregg Young Automotive Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 (Schedule 1) is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Participant Contributions - Participants may contribute up to the maximum percentage allowable not to exceed limits of the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect a different deferral rate or not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants may also rollover amounts representing distributions from other qualified plans (rollovers).

Employer Matching Contributions - The Employer may make a discretionary matching contribution to each participant based on his or her elective deferrals in a percentage set by the Employer prior to the end of each Plan year. The Employer elected a matching contribution rate of 25% of the participant's contributions that do not exceed 5% of eligible compensation for the year ended December 31, 2021 (maximum Employer matching contribution is 1.25% of eligible compensation).

Participants direct the investment of their contributions, rollovers, and the Employer matching contributions, into various investment options offered by the Plan. Contributions are subject to certain limits set by Internal Revenue Service.

C. Participant Accounts

Each participant's account is credited with the participant's contributions (including rollovers) and allocations of (a) the Employer's matching contributions and (b) Plan earnings (losses), and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses), account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Gregg Young Automotive Group 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

D. *Vesting*

Participants are immediately and fully vested in their voluntary contributions (including rollovers) and actual earnings (losses) thereon. Vesting in Employer matching contributions and actual earnings (losses) thereon is based on years of service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
One but less than two	25%
Two but less than three	50%
Three but less than four	75%
Four or more	100%

Participants become 100% vested upon death or total and permanent disability.

E. *Eligibility*

All employees of the Employer who are age 21 or older and have completed one year of service (defined as twelve consecutive months with 1,000 hours of service) are eligible to participate in the Plan. Plan entry date is the first day of the Plan year quarter coinciding with or next following date the participant satisfies the eligibility requirements.

F. *Payment of Benefits*

Upon separation of service due to death, disability or retirement, a participant or beneficiary may elect to receive the vested portion of his or her account in a lump sum payment, partial payments or installment payment. For separation of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If the participant's account is less than \$5,000, but greater than \$1,000, upon separation of service, the Plan can automatically roll the account into a qualified individual retirement account. If the participant's account is less than \$1,000, the Plan can automatically cash out the account.

The Plan has elected to adopt provisions of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) allowing eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus related reasons. The CARES Act also provides for the temporary waiver of any required minimum distribution due in 2020.

G. *Forfeited Accounts*

Participants leaving employment with the Employer before becoming fully vested forfeit their nonvested interest in Employer matching contributions. The forfeitures are used to offset future Employer matching contributions. At December 31, 2021 and 2020, the available forfeiture balances were \$234 and \$5,667, respectively. Employer matching contributions were reduced by \$3,494 from forfeited nonvested accounts in 2021.

H. *Notes Receivable from Participants*

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loan is secured by the balance in the participant's account and bears interest at a reasonable rate as determined by the Plan Administrator. Loan terms range from one to five years and may be longer for the purchase of a primary residence. Principal and interest are paid ratably through bi-weekly payroll deductions. At December 31, 2021 interest rates were 4.25% to 6.25% and the notes mature between November 2022 and December 2026.

On March 27, 2020, the CARES Act was enacted to provide emergency assistance for individuals, families, and businesses affected by the coronavirus pandemic. The Plan has elected to adopt provisions of the CARES Act allowing eligible participants to request loans of up to \$100,000 or 100% of the participant's vested balance for qualifying coronavirus related reasons and make extended loan repayment.

(2) Summary of Significant Accounting Policies

A. *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. *Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the trustee.

The fair value of pooled separate accounts is determined by the net asset value of the funds underlying investments held at year end adjusted for any dividends or distribution received by John Hancock Life Insurance Company (U.S.A.) and the daily equivalent of any fee charged by John Hancock Life Insurance Company (U.S.A.) pursuant to the contract. There have been no changes in the methodology used at December 31, 2021 and 2020.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the note receivable to be in default, the note receivable balance is reduced and a benefit payment is recorded.

E. *Payment of Benefits*

Benefits payments to participants are recorded when paid.

F. *Administrative Expenses*

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

G. *Subsequent Events*

The Plan has evaluated subsequent events occurring through July 20, 2022, the date the financial statements were available to be issued.

Gregg Young Automotive Group 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(3) Information Certified by John Hancock Life Insurance Company (U.S.A.) (Trustee)

The following is a summary of the Plan asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that were prepared by or derived from information provided by the trustee and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by John Hancock Life Insurance Company (U.S.A.) as of December 31, 2021 and 2020 and for the year ended December 31, 2021 except for comparing such information certified by the trustee to information included in the Plan's financial statements and ERISA – required supplemental schedule.

The trustee certified to the completeness and accuracy of \$7,758,547 and \$6,692,456 of cash and investments and \$246,024 and \$232,104 of notes receivable from participants as of December 31, 2021 and 2020, respectively. In addition, the trustee certified to the completeness and accuracy of \$919,143 of net appreciation in fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year) and \$11,112 of interest income on notes receivable from participants for the year ended December 31, 2021.

(4) Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020, respectively:

	2021 Fair Value	2020 Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts:					
Asset allocation (a)	\$ 6,176,176	5,278,764	--	Daily	None
Aggressive growth (b)	1,050,378	908,548	--	Daily	None
Growth (c)	471,893	440,494	--	Daily	None
Growth and income (d)	29,889	26,008	--	Daily	None
Income (e)	29,977	32,975	--	Daily	None
Total	<u>\$ 7,758,313</u>	<u>6,686,789</u>			

- (a) These funds provide a diversified exposure to stocks, bonds, and cash for those investors who have a specific date or investment strategy in mind for retirement or another goal. The target date portfolios aim to provide investors with an optimal level of return and risk, based solely on the target date. Over time, fund managers adjust the allocation among asset classes to more conservative mixes as the target date approaches. The lifestyle portfolios aim to provide investors with aggressive, growth, balanced, and conservative strategy goals.
- (b) This class seeks to maximize long-term capital growth through the purchase of investments whose market values are generally traded below their intrinsic market value based on factors such as assets, earnings or potential growth.
- (c) This class seeks capital appreciation through the purchase of investments whose market values are generally traded below their intrinsic market value based on factors such as assets, earnings or potential growth.
- (d) This class seeks to provide both growth and income, with the stability of principal, through the investment in equities and fixed income accounts.
- (e) This class typically invests in a strategic mix of global fixed income sectors to seek high income and diversification.

Gregg Young Automotive Group 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(5) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

(6) Income Tax Status

The Plan has adopted a non-standardized form of a prototype plan document sponsored by Benefit Plans, Inc. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020 as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Party-in-Interest Transactions

There were \$4,032 of direct fees paid by the Plan for services provided by John Hancock Life Insurance Company (U.S.A.) for the year ended December 31, 2021. In addition, certain Plan investments are shares of pooled separate accounts managed by John Hancock Life Insurance Company (U.S.A.). John Hancock Life Insurance Company (U.S.A.) is the trustee of the Plan and, therefore, these transactions qualify as party-in-interest. Investment management service fees are paid by the Plan participants as part of investment purchase price pursuant to the John Hancock Life Insurance Company (U.S.A.) contract.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in value in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
