INDEPENDENT AUDITOR'S REPORT

To the Audit Committee and Plan Sponsor of
San Francisco Opera 403(b) Plan
San Francisco, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of San Francisco Opera 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Fidelity Management Trust Company, the asset custodian and trustee of the Plan ("Trustee") as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records

used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the Trustee. In our report dated June 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the Trustee were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SAN FRANCISCO OPERA 403(b) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

1. Plan Description

The following description of the San Francisco Opera 403(b) Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan, a defined contribution retirement plan, was established on February 2, 2015, for the purpose of providing pension benefits to all employees of the San Francisco Opera Association (the "Plan Sponsor" and "Plan Administrator") who meet certain eligibility requirements.

The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC"). The Plan is intended to be qualified under Section 403(b) of the IRC.

Plan administration

The Plan is administered by the Plan Sponsor who carries out the duties imposed by ERISA. The Plan Sponsor has delegated certain responsibilities for the operation and administration of the Plan. Fidelity Management Trust Company ("Fidelity") and its affiliates are responsible for the custody and management of the Plan's assets as well as for maintaining participant accounts and transactions related to participant initiated activity.

Certain investment fees are charged to the funds and are offset against Plan investment earnings in the accompanying statement of changes of net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

Eligibility

Employees of the Plan Sponsor as are eligible to participate in the Plan on their first day of employment.

SAN FRANCISCO OPERA 403(b) PLAN
Notes to Financial Statements
December 31, 2021 and 2020

1. Plan Description (continued)

Contributions

Participation in the Plan is voluntary. The deferral percentage is subject to an annual limit of 100% of the participant's eligible compensation, up to the maximum annual limit determined by the Internal Revenue Service ("IRS"). The maximum annual amount that can be contributed to a 403(b) arrangement as an elective deferral, that is, as a pre-tax or Roth after-tax contribution, is \$19,500 for 2021. Individuals age 50 or older by the end of the Plan year are allowed to make additional contributions to a 403(b) plan in excess of the standard limits. Such additional contributions are limited to the lesser of a specified dollar amount (\$6,500 for 2021) or the participant's compensation for the year reduced by the participant's other elective deferrals. Participants may roll over eligible amounts from other qualified plans to the Plan.

Effective May 1, 2019, all newly eligible administrative employees of the Plan Sponsor are automatically enrolled to defer 6% of their eligible compensation on a pre-tax basis unless the participant makes a contrary election. For participants who are automatically enrolled in the Plan, their pre-tax deferral rate will increase by 1% annually on the anniversary of their anniversary date of automatic enrollment until a maximum rate of 10% is reached.

On February 25, 2020, the Plan Sponsor reached an agreement with the American Federation of Musicians Local 6 ("AFM"), whereby the Plan Sponsor will make contributions to the Plan for members of AFM. Effective June 1, 2020, the Plan was amended to allow for Plan Sponsor nonelective contributions on a discretionary basis, as defined by the Plan documents. Contributions made by the Plan Sponsor under this agreement totaled \$88,176 for the year ended December 31, 2021.

Participant accounts

Each participant's account is credited with the participant's contribution or rollovers and allocations of (a) the Plan Sponsor's contributions, if any, and (b) Plan earnings, and charged with an allocation of investment losses and administrative expenses not paid directly by the Plan Sponsor. Allocations of investment earnings are based strictly on the participant's selection of investments and timing of purchase. Other allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their account balances into various investment options offered by the Plan.

1. Plan Description (continued)

Notes receivable from participants

Participants are allowed one note receivable at any time and may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of the value of their vested account balance, or \$50,000, whichever is less. The note receivables are secured by no more than fifty percent of the balance in the participant's account and bear interest at a rate equal to the prime rate plus one percent at the time the note originates. Principal and interest can be paid through payroll deductions or directly to Fidelity. Any outstanding notes receivable from participants become payable upon termination of employment. As of December 31, 2021, the interest rate on outstanding notes receivable from participants was 4.25%. The notes receivable matures January 2026. Notes receivable from participants were \$10,000 and \$2,707 as of December 31, 2021 and 2020, respectively.

Vesting

Participants are immediately vested in all contributions, plus actual earnings thereon.

Forfeitures

Forfeited contributions are used to pay for Plan expenses, in accordance with the terms of the Plan. As of December 31, 2021 and 2020, the forfeited non-vested account balance was \$2,414 and \$7, respectively. During the year ended December 31, 2021, no forfeitures were used to pay Plan expenses.

Payment of benefits

On termination of service due to death, disability, retirement, or separation from service, participants receive benefits either in the form of a lump sum payment or installments. Normal retirement age is 65.

Participants are entitled to receive a distribution of all or any portion of their account balance upon attaining the age of 59 ½. Distributions under the Plan shall generally be made as soon as reasonably practicable following the date that the participant's application is received, date of death, or termination of employment. The Plan allows for mandatory lump sum distributions of participant vested account balances equal to or below \$1,000.

Hardship withdrawals from participant's deferral contributions, subject to a minimum of \$1,000, are permitted under the provisions of the Plan.

1. Plan Description (continued)

Administrative expenses

Certain administrative expenses of the Plan, including record-keeping and audit fees, were paid by the Plan Sponsor for the year ended December 31, 2021. Investment fees, which may vary according to the individual funds selected, are paid indirectly out of the assets of the Plan and impact Plan earnings.

Participants may be charged for some or all of the costs and expenses of operating the Plan. Such expenses included but are not limited to investment expenses and costs to process distributions and domestic relations orders. Generally, the Plan Sponsor pays for any administrative expenses of the Plan.

2. Summary of Significant Accounting Policies

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, net assets available for benefits, changes in net assets available for benefits, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Risks and uncertainties

The Plan provides for various investment options in any combination of mutual funds offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits and changes therein.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Contributions

Contributions from participants are recorded based on the date the contributions are separated from the participants' pay, which is the pay date. Rollover contributions from participants are recorded when received by Fidelity. Contributions from the Plan Sponsor are recorded in the year earned to coincide with the year in which the Plan Sponsor records the contributions to its general ledger.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

Expenses are recorded when incurred.

Subsequent events

The Plan administrator has evaluated subsequent events through June 30, 2022, the date the financial statements were available to be issued. During the period from January 1, 2022, through June 30, 2022, the Plan did not have any materially recognizable subsequent events.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access;
- Level 2: Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability; and,
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Total investments at fair value	<u>\$7,361,460</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$7,361,460</u>

4. Information Prepared and Certified by Fidelity (Unaudited)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of ERISA. Accordingly, Fidelity, the Plan's trustee, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net appreciation in fair value of investments, dividends and interest and interest income from notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021; and,
- Investments and notes receivable from participants reflected on the supplemental schedule of assets (held at end of year) ("supplemental schedule").

Accordingly, as requested by the Plan Administrator, the Plan's auditor performed no procedures on the certified information other than to agree the certified information to the related information included in the financial statements and supplemental schedule.

5. Related Party and Parties-in-Interest Transactions

ERISA defines parties-in-interest similarly to FASB ASC 850, Related Party Disclosures, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. We did not identify any related parties to the Plan that were not also considered to be parties-in-interest. The Plan did not enter into any material related party transactions during the Plan year related to compensation arrangements, expense allowances, or similar items.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain fees and expenses of the Plan are paid by the Plan Sponsor. The Plan is not required to repay expenses paid by the Plan Sponsor on its behalf.

Fidelity retains as compensation for services provided to the Plan, any interest on amounts earned while certain transactions are pending. This applies to both contributions and distributions. Earnings are at institutional money market rates.

Certain Plan investments are owned and managed by Fidelity or its affiliates, therefore, these investment transactions qualify as exempt party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan subject to the provisions of ERISA. The Plan Sponsor may direct that either (a) benefits be distributed to the participants in any manner permitted by the Plan as soon as practicable, or (b) the trust created by the Plan be continued and the benefits are not distributed to the participants or their beneficiaries as if the Plan had not terminated.

7. Tax Status

The Plan adopted the Fidelity Workplace Services, LLC 403(b) Volume Submitter Basic Plan #20. The IRS, informed Fidelity Workplace Services LLC by a letter dated August 7, 2017, that its volume submitter plan was designed in accordance with applicable sections of the IRC and that any employer adopting this form of the volume submitter plan will be considered to have the plan qualified under the applicable sections of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and that it, and the related trust, are tax exempt.
