Report of Independent Auditors

To the Participants and the 401(k) Retirement Plan Committee of
Wyatt, Tarrant & Combs, LLP Profit Sharing Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Wyatt, Tarrant & Combs, LLP Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibility for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 21, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and the supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules, other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements

1. Description of the Plan

The following description of the Wyatt, Tarrant & Combs, LLP Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Adoption Agreement for more complete information.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as applicable sections of the Internal Revenue Code (IRC). The Plan became effective January 1, 1984, and was restated effective January 1, 2016. The Plan covers all eligible employees of Wyatt, Tarrant & Combs, LLP (the Plan Sponsor and Plan Administrator).

Eligibility

Eligible partners, employees, and shareholder employees of Professional Corporation Partners (Classification A) may make salary deferral contributions following the completion of one hour of service and attainment of age 21. Eligible participants can enter the Plan on the first day of the first payroll coinciding with or following the employee's first hour of service. Participants become eligible for employer discretionary profit sharing contributions after one year of service with a minimum of 1,000 hours worked and are actively employed on the last day of the Plan year. A participant will be considered as actively employed on the last day of the Plan year if employment terminated during the Plan year due to death, disability, or retirement after attainment of age 65.

Contributions

Participants may contribute up to the maximum allowable contribution, as defined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute Roth 401(k) elective deferrals on a post-tax basis, as well as amounts representing distributions from other qualified defined contribution plans. The Plan Sponsor may elect to contribute a discretionary profit sharing contribution, to be determined by the Plan Sponsor, not limited to current or accumulated net profits. The total contribution to a participant's account for the Plan year cannot exceed the maximum limit determined by Internal Revenue Service (IRS) regulations.

During the year ended December 31, 2021, the Plan Sponsor made a discretionary profit sharing contribution of 10% of earnings for those participants classified as equity partners and Classification A, and 5% of earnings for all remaining participants not classified in Classification A. The discretionary profit sharing contribution totaled \$1,659,372 for the year ended December 31, 2021.

1. Description of Plan, continued

Participants' Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Plan Sponsor's discretionary profit sharing contribution, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan Adoption Agreement. Administrative expenses are charged to each participant's account when a loan or a benefit distribution is processed.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan, including self-directed accounts. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Benefits and Vesting

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account, which includes participant and Plan Sponsor contributions and related earnings thereon. Earnings are allocated on a daily basis in the manner described above. Participants are immediately vested 100% in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In addition, participants become 100% vested upon termination of service due to death, disability, or the attainment of normal retirement age as defined in the Plan Adoption Agreement.

1. Description of Plan, continued

Notes Receivable from Participants

Participants may borrow up to a maximum of the lesser of \$50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months, with a minimum of \$1,000. Loan terms can be up to 5 years for general purposes, or 20 years for the purchase of a residence. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime rate on the first business day of the month when the funds are borrowed. Principal and interest are paid ratably through payroll deductions.

For participant loans for the year ended December 31, 2021, interest rates ranged from 4.00% to 6.50% and mature at various dates through January 2031.

Forfeited Accounts

All forfeitures are applied to Plan Sponsor discretionary profit sharing contributions. There were no unused participant forfeited accounts at December 31, 2021. At December 31, 2020, unused participant forfeited accounts totaled \$11,963. Forfeitures of \$149,450 were used to reduce employer contributions during the year ended December 31, 2021.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$1,000 (excluding amounts attributable to rollover contributions) may elect to receive either a single lump sum amount equal to the value of the participant's vested interest in his or her account, or roll it over into an Individual Retirement Account or other qualified retirement plan. On termination of service, a participant whose vested account balance is not greater than \$1,000 (excluding amounts attributable to rollovers) will receive his or her benefits as a single lump sum payment.

Upon approval by the Plan Sponsor, participants may make hardship withdrawals. Hardship withdrawals are limited to the determined level of need not to exceed the vested account balance, with a minimum hardship distribution of \$1,000. Upon reaching the age of 59 1/2 or older, a participant may elect an in-service distribution from the vested portion of his or her account.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan Adoption Agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent loans are treated as distributions based on the terms of the Plan Adoption Agreement.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events for transactions through July 26, 2022, the date through which the financial statements were available to be issued.

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

3. Information Prepared and Certified by Trustees

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Fidelity Management Trust Company (Fidelity), the current trustee of the Plan, and PNC Bank, NA (PNC), the former trustee of the Plan (collectively, the trustees), and furnished to the Plan Administrator. Effective February 4, 2021, the Plan engaged Fidelity as trustee of the Plan, replacing PNC. All assets were transferred from PNC to Fidelity, which totaled \$119,414,954 on the effective date. The Plan Administrator has obtained certifications from the trustees that asset information provided to the Plan Administrator by the trustees related to the asset information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and supplemental schedule.

The following table presents the fair value of assets in the Plan that were certified by the trustees.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$103,201,353	\$ 90,832,215
Self-directed accounts	21,515,191	20,639,333
Collective trust fund	6,527,234	5,243,386
Notes receivable from participants	<u>331,702</u>	<u>556,144</u>
Total investments	<u>\$131,575,480</u>	<u>\$117,271,078</u>

The trustees also certified to the completeness and accuracy of \$12,884,018 of net realized and unrealized appreciation in the fair value of investments, \$5,639,677 of interest and dividends related to the investments and \$24,917 of interest income on notes receivable from participants for the year ended December 31, 2021.

4. Fair Value Measurement

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurement, continued

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed accounts: Accounts consist of certificates of deposit, money market funds, common stocks, and mutual funds. Certificates of deposit and money market funds are valued at cost, which approximates fair value. Common stocks are valued at the closing price at the closing price reported on the active market on which the individual securities are traded. Mutual funds are valued at the daily closing price as reported by the fund.

Collective trust fund: Valued based on the NAV of units of the collective trust fund. The NAV, as provided by the trustees, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

These valuation methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$103,201,353	\$ -	\$ -	\$103,201,353
Self-directed accounts	<u>21,515,191</u>	<u>-</u>	<u>-</u>	<u>21,515,191</u>
Total investments in fair value hierarchy	<u>\$124,716,544</u>	<u>\$ -</u>	<u>\$ -</u>	<u>124,716,544</u>
Investments measured at NAV:				
Collective trust fund				<u>6,527,234</u>
Total investments at fair value				<u>\$131,243,778</u>

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurement, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments measured at fair value:				
Mutual funds	\$ 90,832,215	\$ -	\$ -	\$ 90,832,215
Self-directed accounts	<u>20,607,686</u>	<u>31,647</u>	<u>-</u>	<u>20,639,333</u>
Total investments in fair value hierarchy	<u>\$111,439,901</u>	<u>\$ 31,647</u>	<u>\$ -</u>	111,471,548
Investments measured at NAV:				
Collective trust fund				<u>5,243,386</u>
Total investments at fair value				<u>\$116,714,934</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

<u>2021</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust fund:				
Putnam Stable Value Fund	\$ 6,527,234	N/A	Immediate	None
<u>2020</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust fund:				
Putnam Stable Value Fund	\$ 5,243,386	N/A	Immediate	None

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

5. Exempt Party-in-Interest Transactions

Indirect fees are paid to the trustees based on investment account values; therefore, these transactions qualify as party-in-interest. For the year ended December 31, 2021, indirect fees paid to the former trustee amounted to \$20,037. Indirect fees paid to the current trustee ranged from 0.02% and 0.99% of the investment account value for the year ended December 31, 2021. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a volume submitter plan document sponsored by the Plan Sponsor. An opinion letter was received from the IRS, dated March 31, 2014, which states that the volume submitter plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their accounts.

To the Participants and the 401(k) Retirement Plan Committee of
Wyatt, Tarrant & Combs, LLP Profit Sharing Plan
Louisville, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Wyatt, Tarrant & Combs, LLP Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibility for the Audit of the 2021 Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i - Schedule of Assets Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 21, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements and the supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules, other than that derived from the information certified by the qualified institution, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements

1. Description of the Plan

The following description of the Wyatt, Tarrant & Combs, LLP Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Adoption Agreement for more complete information.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as well as applicable sections of the Internal Revenue Code (IRC). The Plan became effective January 1, 1984, and was restated effective January 1, 2016. The Plan covers all eligible employees of Wyatt, Tarrant & Combs, LLP (the Plan Sponsor and Plan Administrator).

Eligibility

Eligible partners, employees, and shareholder employees of Professional Corporation Partners (Classification A) may make salary deferral contributions following the completion of one hour of service and attainment of age 21. Eligible participants can enter the Plan on the first day of the first payroll coinciding with or following the employee's first hour of service. Participants become eligible for employer discretionary profit sharing contributions after one year of service with a minimum of 1,000 hours worked and are actively employed on the last day of the Plan year. A participant will be considered as actively employed on the last day of the Plan year if employment terminated during the Plan year due to death, disability, or retirement after attainment of age 65.

Contributions

Participants may contribute up to the maximum allowable contribution, as defined by the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute Roth 401(k) elective deferrals on a post-tax basis, as well as amounts representing distributions from other qualified defined contribution plans. The Plan Sponsor may elect to contribute a discretionary profit sharing contribution, to be determined by the Plan Sponsor, not limited to current or accumulated net profits. The total contribution to a participant's account for the Plan year cannot exceed the maximum limit determined by Internal Revenue Service (IRS) regulations.

During the year ended December 31, 2021, the Plan Sponsor made a discretionary profit sharing contribution of 10% of earnings for those participants classified as equity partners and Classification A, and 5% of earnings for all remaining participants not classified in Classification A. The discretionary profit sharing contribution totaled \$1,659,372 for the year ended December 31, 2021.

1. Description of Plan, continued

Participants' Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Plan Sponsor's discretionary profit sharing contribution, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan Adoption Agreement. Administrative expenses are charged to each participant's account when a loan or a benefit distribution is processed.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan, including self-directed accounts. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Benefits and Vesting

The benefit to which a participant is entitled is the benefit that can be provided from the participant's account, which includes participant and Plan Sponsor contributions and related earnings thereon. Earnings are allocated on a daily basis in the manner described above. Participants are immediately vested 100% in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

In addition, participants become 100% vested upon termination of service due to death, disability, or the attainment of normal retirement age as defined in the Plan Adoption Agreement.

1. Description of Plan, continued

Notes Receivable from Participants

Participants may borrow up to a maximum of the lesser of \$50,000 or 50% of their vested balance, reduced by the highest outstanding loan balance in the preceding 12 months, with a minimum of \$1,000. Loan terms can be up to 5 years for general purposes, or 20 years for the purchase of a residence. The loans are secured by the balance in the participant's account and bear interest at 1% over the Prime rate on the first business day of the month when the funds are borrowed. Principal and interest are paid ratably through payroll deductions.

For participant loans for the year ended December 31, 2021, interest rates ranged from 4.00% to 6.50% and mature at various dates through January 2031.

Forfeited Accounts

All forfeitures are applied to Plan Sponsor discretionary profit sharing contributions. There were no unused participant forfeited accounts at December 31, 2021. At December 31, 2020, unused participant forfeited accounts totaled \$11,963. Forfeitures of \$149,450 were used to reduce employer contributions during the year ended December 31, 2021.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant whose vested account balance is greater than \$1,000 (excluding amounts attributable to rollover contributions) may elect to receive either a single lump sum amount equal to the value of the participant's vested interest in his or her account, or roll it over into an Individual Retirement Account or other qualified retirement plan. On termination of service, a participant whose vested account balance is not greater than \$1,000 (excluding amounts attributable to rollovers) will receive his or her benefits as a single lump sum payment.

Upon approval by the Plan Sponsor, participants may make hardship withdrawals. Hardship withdrawals are limited to the determined level of need not to exceed the vested account balance, with a minimum hardship distribution of \$1,000. Upon reaching the age of 59 1/2 or older, a participant may elect an in-service distribution from the vested portion of his or her account.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan Adoption Agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Risk and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent loans are treated as distributions based on the terms of the Plan Adoption Agreement.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

The Plan has evaluated subsequent events for transactions through July 26, 2022, the date through which the financial statements were available to be issued.

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

3. Information Prepared and Certified by Trustees

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by Fidelity Management Trust Company (Fidelity), the current trustee of the Plan, and PNC Bank, NA (PNC), the former trustee of the Plan (collectively, the trustees), and furnished to the Plan Administrator. Effective February 4, 2021, the Plan engaged Fidelity as trustee of the Plan, replacing PNC. All assets were transferred from PNC to Fidelity, which totaled \$119,414,954 on the effective date. The Plan Administrator has obtained certifications from the trustees that asset information provided to the Plan Administrator by the trustees related to the asset information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and supplemental schedule.

The following table presents the fair value of assets in the Plan that were certified by the trustees.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$103,201,353	\$ 90,832,215
Self-directed accounts	21,515,191	20,639,333
Collective trust fund	6,527,234	5,243,386
Notes receivable from participants	<u>331,702</u>	<u>556,144</u>
Total investments	<u>\$131,575,480</u>	<u>\$117,271,078</u>

The trustees also certified to the completeness and accuracy of \$12,884,018 of net realized and unrealized appreciation in the fair value of investments, \$5,639,677 of interest and dividends related to the investments and \$24,917 of interest income on notes receivable from participants for the year ended December 31, 2021.

4. Fair Value Measurement

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurement, continued

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed accounts: Accounts consist of certificates of deposit, money market funds, common stocks, and mutual funds. Certificates of deposit and money market funds are valued at cost, which approximates fair value. Common stocks are valued at the closing price at the closing price reported on the active market on which the individual securities are traded. Mutual funds are valued at the daily closing price as reported by the fund.

Collective trust fund: Valued based on the NAV of units of the collective trust fund. The NAV, as provided by the trustees, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

These valuation methodologies may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Investments measured at fair value:				
Mutual funds	\$103,201,353	\$ -	\$ -	\$103,201,353
Self-directed accounts	<u>21,515,191</u>	<u>-</u>	<u>-</u>	<u>21,515,191</u>
Total investments in fair value hierarchy	<u>\$124,716,544</u>	<u>\$ -</u>	<u>\$ -</u>	<u>124,716,544</u>
Investments measured at NAV:				
Collective trust fund				<u>6,527,234</u>
Total investments at fair value				<u>\$131,243,778</u>

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurement, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments measured at fair value:				
Mutual funds	\$ 90,832,215	\$ -	\$ -	\$ 90,832,215
Self-directed accounts	<u>20,607,686</u>	<u>31,647</u>	<u>-</u>	<u>20,639,333</u>
Total investments in fair value hierarchy	<u>\$111,439,901</u>	<u>\$ 31,647</u>	<u>\$ -</u>	111,471,548
Investments measured at NAV:				
Collective trust fund				<u>5,243,386</u>
Total investments at fair value				<u>\$116,714,934</u>

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share as of December 31:

<u>2021</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust fund:				
Putnam Stable Value Fund	\$ 6,527,234	N/A	Immediate	None
<u>2020</u>	<u>Fair Value</u>	<u>Unfunded Commitment</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Collective trust fund:				
Putnam Stable Value Fund	\$ 5,243,386	N/A	Immediate	None

WYATT, TARRANT & COMBS, LLP PROFIT SHARING PLAN

Notes to the Financial Statements, continued

5. Exempt Party-in-Interest Transactions

Indirect fees are paid to the trustees based on investment account values; therefore, these transactions qualify as party-in-interest. For the year ended December 31, 2021, indirect fees paid to the former trustee amounted to \$20,037. Indirect fees paid to the current trustee ranged from 0.02% and 0.99% of the investment account value for the year ended December 31, 2021. The fees reduce net appreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a volume submitter plan document sponsored by the Plan Sponsor. An opinion letter was received from the IRS, dated March 31, 2014, which states that the volume submitter plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their accounts.
