Administrative Committee
Allsource 401(K) Plan

We have audited the financial statements of Allsource 401(K) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit") as of and for the year ended December 31, 2021 and we have issued our report thereon dated July 22, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States ("GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information to you in our letter dated December 29, 2021. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Qualitative Aspects of Accounting Practices (continued)

Estimates

Accounting estimates are an integral part of the financial statements and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements are those that relate to the reported amounts of investments as of December 31, 2021. Since that date, values of these investments may have changed significantly. We evaluated the key factors and assumptions used to develop estimates in determining that they are reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditors' report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. No such misstatements were noted during our audit procedures.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. No such reportable findings were noted during our audit procedures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 22, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the information and use of the Administrative Committee, Plan administrator, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Baughnigh Pietras & Storer, P.A.

Allsource 401(K) Plan

Scope and Nature of the Employee Retirement Income Security Act of 1974 ("ERISA") Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Allsource 401(K) Plan (the "Plan"), an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for Plan benefits as of December 31, 2021, and the related statement of changes in net assets available for Plan benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

Administrative Committee
Allsource 401(K) Plan

Opinion on the 2021 Financial Statements (continued)

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Administrative Committee
Allsource 401(K) Plan

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Administrative Committee
Allsource 401(K) Plan

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Administrative Committee
Allsource 401(K) Plan

Other Matter - Supplemental Schedule Required by ERISA (continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the accompany 2020 financial statements of the Plan, which comprise the statement of net assets available for Plan benefits as of December 31, 2020, and the related statement of changes in net assets available for Plan benefits for the year then ended, and the related notes to the financial statements. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Allsource 401(K) Plan
Notes to Financial Statements
December 31, 2021 and 2020

1. Description of Plan

The following description of the Allsource 401(K) Plan (the “Plan”) provides only general information. Participants may refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Allsource Enterprises, LLC (the “Company”) to cover Safe Industries, LLC and Fire Plus, LLC, both of which have the same owner. The Plan provides retirement benefits to eligible employees of both companies. Eligibility to participate in the Plan is based on attainment of age eighteen. Upon meeting this requirement, the employee may begin participating and receiving employer contributions in the Plan as of the first day of the month following the employee meeting the eligibility requirement. Participants become automatically enrolled in the Plan 45 days following the first day of the month following the employee meeting the eligibility requirement at five percent of participants’ eligible compensation, unless the participant specifically elects to decline. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Amendments

Effective January 1, 2021, the Plan was restated to update the matching contributions vesting to that of a safe harbor plan. Under the Plan’s safe harbor provision, the Company must make matching contributions of one hundred percent of up to five percent of participants’ eligible compensation.

For the plan year ended December 31, 2020, the Plan adopted the following provisions of the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act that was signed into law on March 27, 2020.

- **Coronavirus-Related Distributions (“CRDs”):** The CARES Act allows for participants affected by COVID-19 to withdraw an aggregate limit of \$100,000 from the Plan beginning on or after January 1, 2020 and before December 30, 2020. CRDs are not subject to the 10% early withdrawal penalty tax. Participants can (1) report the full distribution as income in 2020, (2) recognize the income ratably over a three-year period, or (3) repay all or part of the distribution back to the Plan tax-free within three years of the date of the CRD withdrawal. The Plan had no CRDs.
- **Temporary Waiver of Required Minimum Distributions (“RMDs”):** The Plan implemented the temporary waiver of RMDs allowed for under the CARES Act. No participant requested a temporary waiver of RMDs for the plan year ended December 31, 2020.

Management expects to retroactively adopt the required plan amendments for the above provisions by December 31, 2022, which is within the Internal Revenue Service (“IRS”) required timeframe.

1. Description of Plan (continued)

Contributions

Participants may contribute between one and ninety percent of their pre-tax annual compensation to the 401(k) portion of their account or between one and ninety percent of their after-tax annual compensation to the ROTH 401(k) portion of their account, as defined by the Plan document, subject to contribution limitations specified by applicable laws and regulations. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions, up to the maximum annual amount permitted by statute. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or contribution plans.

During the years ended December 31, 2021 and 2020, the Company made matching contributions equal to one hundred percent of up to five percent of participants' eligible compensation (as defined by the Plan document), which were contributed as elective matching contributions in 2020 (safe harbor matching contributions in 2021). The Company also has the option to make nonelective contributions, which are allocated to individual participants' accounts based on the ratio that their compensation bears to the total compensation of all participants eligible for a share of the contribution. The Company made no nonelective contributions for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's 401(k) portion of their account is credited with the participant's elected deferral contributions and employer contributions, and is charged with an allocation of any administrative expenses paid by the Plan. Participants may elect to allocate current contributions among a variety of fund options. The allocations remain in effect until a new election is made.

Earnings or losses are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon retirement, disability, attainment of age 59 ½, death, or termination of employment, a participant or their designated beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or as installment payments over a period of time not to exceed the expected future lifetime of the participant and their beneficiary. Subject to certain conditions, participants are permitted to make withdrawals from their vested account balance in the Plan in cases of severe financial hardship while employed.

1. Description of Plan (continued)

Vesting

Participants are immediately 100% vested in their elective deferral contributions, plus actual earnings thereon. Vesting in the Company's matching contributions is based on years of continuous service. Participants become 20% vested in employer contributions upon completion of two years of continuous service. During the next four-year period of service, participants vest 20% per year in matching contributions such that, upon the completion of six years of continuous service, participants are 100% vested in the matching contributions. Participants will be considered 100% vested in matching contributions in the event of retirement on or after age sixty-five, death, disability, or plan termination. If an employee is terminated from the Plan prior to becoming 100% vested in matching contributions, the non-vested portion will be allocated to the Plan's forfeitures account.

Participant Loans

Under the terms of the Plan, participants cannot borrow from their accounts.

Forfeitures

In accordance with the Plan document, available forfeitures may be used first to offset employer contributions, and any remaining forfeitures may be used to offset plan administrative expenses. Any remaining forfeited amounts are then reallocated back to active participants. As of December 31, 2021 and 2020, unallocated forfeitures totaled approximately \$35,000 and \$34,000, respectively. Forfeitures of approximately \$20,000 and \$32,000 were used to reduce employer matching contributions for the years ended December 31, 2021 and 2020, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States ("US GAAP").

Estimates

The preparation of financial statements in conformity with US GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for plan benefits.

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

Certain administrative expenses are charged to individual participants' accounts. The Plan pays recordkeeping and certain professional fees. All administrative fees not paid by the Plan are paid by the Company.

December 31, 2021 and 2020

2. Basis of Presentation and Summary of Significant Accounting Policies (continued)

Corrective Distributions

Corrective distributions payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) totaled approximately \$8,000 and \$12,000 and were recorded as deductions from net assets available for plan benefits during 2021 and 2020, respectively.

3. Trustee Certification

Information disclosed in the accompanying financial statements as of and for the years ended December 31, 2021 and 2020, related to investments, net appreciation in fair values of investments, and interest and dividends, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

4. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs to the valuation methodology are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

All of the Plan’s mutual fund investments were valued using Level 1 inputs, which are based on quoted market prices of the shares held by the Plan.

The Plan's investments also include the Invesco Stable Asset Trust (“ISAT”), a collective trust which invests all of its assets in the Invesco Group Trust for Retirement Savings Collective Funds, a collective trust that invests in a variety of bank, insurance company, and other financial institution investment contracts. ISAT is considered a stable value fund that is valued at the net asset value (“NAV”) of units of the accounts. The NAV, as provided by the issuer, is used as a practical expedient to estimate fair value. The NAV of the account is based on the fair value of the underlying investments held less the account’s liabilities. The use of NAV as fair value is deemed appropriate as the collective trust does not have a finite life, unfunded commitments relating to these types of investments, or significant restrictions on redemptions. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount significantly different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the account, the account provider reserves the right to temporarily delay withdrawal from the account in order to ensure that security liquidations will be carried out in an orderly business manner.

Allsource 401(K) Plan
Notes to Financial Statements
December 31, 2021 and 2020

4. Fair Value Measurements (continued)

The methods used to measure fair values may produce amounts that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although Plan management believes the valuation methods used are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Income Tax Status

The Plan is a prototype non-standardized profit-sharing plan, provided by ADP, LLC (“ADP”), designed to be in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). The IRS has determined and informed ADP by a letter dated October 6, 2020, that the prototype plan, as then designed, was in accordance with the applicable sections of the IRC. Although the Plan has been amended and restated since the date of the letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust was tax exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

US GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. No such liabilities were identified at December 31, 2021 or 2020. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Plan management believes the Plan is no longer subject to income tax examination for years prior to 2018.

6. Party-in-Interest Transactions

Fees paid by the Plan for investment management and administrative services were included as a reduction of the return earned on each fund. These transactions qualify as party-in-interest transactions, but are exempt from the prohibited transaction rules of ERISA.

7. Unallocated Assets

At December 31, 2021 and 2020, there were no net assets of the Plan not yet allocated to individual participants.

8. Subsequent Events

Management evaluated events and transactions after December 31, 2021 through July 22, 2022, the date on which the financial statements were available to be issued, for subsequent events.

There were no subsequent events to report.
