Independent Auditor's Report

Amusement Industry Inc. - Plan Sponsor
Amusement 401(k) Plan

We have performed audits of the accompanying financial statements of Amusement 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Amusement 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Amusement 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we

have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Management's Responsibilities for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Amusement 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Amusement 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Amusement 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMUSEMENT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Amusement 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Amusement Industry, Inc. (the “Company”). The Plan is sponsored by Amusement Industry, Inc., and became effective on March 1, 2017. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following types of contributions may be made under this plan:

- Employee salary deferrals
- Employee rollover contributions
- Employer matching contributions
- Employer profit sharing contributions

Eligibility

All employees who have three months of service and are age 21 or older are eligible to participate in the Plan. Employees become eligible to participate on the first day of the month following satisfaction of the eligibility requirements.

Contributions

Each year, participants may contribute up to 75% of pretax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other retirement plans and certain IRAs (rollover).

Starting January 1, 2019, the Plan also includes an auto-enrollment feature whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Company makes a matching contribution of 50 percent of the of the first 2 percent and 10 percent of the next 73 percent of base compensation that a participant contributes to the Plan, not to exceed \$1,800 per year on behalf of any participant. Additional profit sharing contributions may be made by the Company. During the year ended December 31, 2021, the Company made matching contributions to the Plan of \$116,063.

Participants direct the investment of the contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Employer contribution and an allocation of Plan earnings. Each participant's account is credited with investment gain or loss as of each valuation date. The valuation date occurs daily. Earnings and losses are allocated to each participant's account using a weighted average of participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective contributions, plus or minus earnings or losses. Vesting in Employer contributions is based on years of continuous service provided that 1,000 hours of service is worked during each of the years according to the following schedule for the year ended December 31, 2021:

<u>Years</u>	<u>Percent Vested</u>
0-2	0%
3	100%

Participants are considered fully vested upon attainment of retirement age, retirement due to disability, death, and upon termination of the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. Interest rates on outstanding loans at December 31, 2021 range from 4.25% to 6.50% per annum. Participants may have only two loans outstanding at any time. Principal and interest is paid ratably through payroll deductions each pay period.

Benefit Payments

On termination of service or retirement, the funds remain in the Plan until the separated participants submit a request for payment. There were no amounts allocated to withdrawing participants for the benefit claims that have been processed and approved for payment prior to December 31, 2021, but not yet paid as of that date.

Forfeitures

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$794 and \$10, respectively. These accounts will be used to reduce future employer contributions. Also, in 2021, employer contributions were reduced by \$4,272 from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The Plan financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value because contract value is the amount the participants would receive if they were to initiate permitted transactions under the terms of the plan). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Costs and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through July 25, 2022, the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS

The Plan's investments were maintained by Reliance Trust Company at December 31, 2021. The investment balance and related investment information included in the financial statements, accompanying notes, and supplemental schedule are derived from statements which have been certified by Reliance Trust Company at December 31, 2021 as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Contributions to the Plan are invested as directed by the Plan participants, in various investment funds. Certain fees are charged to the funds and are offset against Plan investment income and losses. Participants should refer to the funds' prospectuses for further details on these fees.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – Inputs to the valuation methodology include

- quoted market prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds – These investments are public investment vehicles using the Net Asset Value ("NAV") provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities and then divided by the number of shares outstanding. The NAV is quoted in an active market and classified within Level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<i>Assets at Fair Value as of December 31, 2021</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,426,988	\$ -	\$ -	\$ 5,426,988
Total assets at fair value	\$ 5,426,988	\$ -	\$ -	\$ 5,426,988

<i>Assets at Fair Value as of December 31, 2020</i>				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,325,860	\$ -	\$ -	\$ 4,325,860
Total assets at fair value	\$ 4,325,860	\$ -	\$ -	\$ 4,325,860

NOTE 5 – INVESTMENTS AT CONTRACT VALUE / FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

Investments at contract value as of December 31, 2021 and 2020 consisted of the following:

	December 31, 2021	December 31, 2020
Met Life Stable Value Fund 25157	\$ 106,598	\$ 88,643
Total investments at contract value	\$ 106,598	\$ 88,643

The Met Life Stable Value Fund Series 25157 (the "Fund") allows participating plan sponsors to invest in a guaranteed investment contract which provides a fixed interest rate to participants. The interest rate is reset each quarter as determined by MetLife. The contributions are invested in a portfolio of financial instruments and the fixed interest rate is guaranteed to the participants by MetLife.

This contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Met Life, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment or contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 – TAX STATUS

The Plan uses a non-standardized 401(k) prototype plan agreement prepared by ADP, LLC. The prototype plan received a favorable determination letter from the Internal Revenue Service on July 16, 2014 with respect to the qualified tax status of the Plan under applicable sections of the Internal Revenue Code.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

	December 31, 2021	December 31, 2020
