Independent Auditor's Report

Board of Trustees
The McGregor Retirement Savings Plan
East Cleveland, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of The McGregor Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The McGregor Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The McGregor Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The McGregor Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The McGregor Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule on page 12 as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of The McGregor Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE MCGREGOR RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan:

General:

The following brief description of The McGregor Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all employees of The McGregor Foundation, McGregor at Overlook and McGregor PACE (the Organization) who meet the eligibility requirements. McGregor at Overlook discontinued its nursing facility operations during November 2021, and therefore, participants at McGregor at Overlook can request distributions or rollovers in other qualified plans in accordance with the Plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan.

There were law and operational changes impacting plans due to the passing of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) in 2020. The Plan did not implement any provisions of the CARES Act during 2021 or 2020.

Contributions:

Participants may elect to contribute a percentage of their compensation into the Plan on a pre-tax or post-tax (Roth contribution) basis. The amount participants can contribute on an annual basis is limited to the amount set by the Internal Revenue Service. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

The Organization may make matching contributions to each participant's account. Employees become eligible to receive the matching contribution when they complete 90 days of continuous employment. The matching contribution is based on a percentage of the participant's contribution. The Organization matched 50% of the participant's contribution limited to the first 6% of the participant's compensation in 2021 and 2020. Matching contributions totaled \$210,857 in 2021 and \$187,357 in 2020. Matching contributions receivable was \$7,768 at December 31, 2021 and \$8,705 at December 31, 2020.

Contributions from employers are net of payments of \$11,393 and is included on the statement of net assets available for benefits at December 31, 2021 (payment made in February 2022) and \$8,824 and is included on the statement of net assets available for benefits at December 31, 2020 (payment made in February 2021) to active participants to return excess matching contributions as required to satisfy the relevant nondiscrimination provisions of the Plan. These amounts are included in the Plan's statements of net assets available for benefits as excess contributions payable at December 31, 2021 and 2020.

The Organization may also make nonelective discretionary contributions to the Plan. The amount of the nonelective discretionary contributions is determined annually by the Organization. Employees must meet the same requirements as the matching contribution and be employed on December 31 to become eligible to receive the nonelective discretionary contributions. The Organization did not make a nonelective discretionary contribution in 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Description of the Plan (continued):

Participant accounts:

Separate accounts for each participant are maintained and each account is credited with participant and employer contributions. Plan earnings (losses) are allocated based upon account balances.

Vesting:

Participants are immediately vested in their deferral contributions plus actual earnings thereon. Participants vest in employer matching and nonelective discretionary contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 3	0%
3 or more	100%

Payment of benefits:

Participants may elect to withdraw all or a specified portion of their contributions prior to their termination of employment subject to certain restrictions under the Plan. If participants suffer serious financial hardship, as defined by the Plan, they may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain normal retirement age (defined at age 65), they may elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death, and will be distributed in a single lump sum, annuity or installment payments.

Benefit payments are recorded when paid.

Investment options:

Participants direct the investment of their contribution and employer matching and nonelective discretionary contributions into various investment options offered by the Plan. Participants may change their investment options daily.

Forfeitures:

When certain terminations of participation in the Plan occur, the nonvested portion of a participant's account (as defined) represents forfeiture. Forfeitures may be used to restore forfeitures, reduce the employer matching contribution or to pay administrative expenses of the Plan. Any remaining forfeitures will be held unallocated in a suspense account. Forfeited amounts used to pay administrative expenses of the Plan totaled \$8,696 in 2021 and \$9,317 in 2020. The forfeited account had a balance of \$11,312 at December 31, 2021 and \$3,041 at December 31, 2020.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates and assumptions.

Investment valuation and income recognition:

The Plan's investments are stated at fair value, as provided by Ascensus Trust Company (Ascensus) at December 31, 2021 and 2020.

As provided by Ascensus, purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date, if any. The Plan's gains and losses on investments bought and sold, as well as held during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation in fair value of investments.

3. Investments:

The following table presents the fair value of investments at December 31, 2021 and 2020. All investments of the Plan were participant directed at December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Investments:		
Mutual funds	<u>\$ 6,010,463</u>	<u>\$ 5,361,448</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

THE MCGREGOR RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2021 AND 2020

4. Fair value (continued):

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets measured at net asset value or fair value on a recurring basis at December 31, 2021 and 2020 were as follows:

	2021		2020	
	(Level 1)	Total	(Level 1)	Total
Mutual funds	\$ 6,010,463	\$ 6,010,463	\$ 5,361,448	\$ 5,361,448

YEARS ENDED DECEMBER 31, 2021 AND 2020

5. Expenses:

Certain expenses of maintaining the Plan are paid directly by the Plan sponsor and are excluded from these financial statements. Certain administrative functions are performed by employees of the Organization. No such employee or the Organization receives compensation from the Plan.

Additionally, investment related expenses are included in net appreciation in fair value of investments.

6. Information certified by custodian:

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments for the years ended December 31, 2021 and 2020, was obtained or derived from information certified as complete and accurate by Ascensus.

7. Income tax status:

The Plan adopted a volume submitter plan that received an opinion from the Internal Revenue Service (IRS) dated March 31, 2017 stating that the plan is acceptable, and therefore, the volume submitter plan is designed in accordance with applicable sections of the Internal Revenue Service Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions.

8. Plan termination:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the individual accounts of the affected participants become nonforfeitable and fully vested.

9. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate and market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. Risks and uncertainties (continued):

As a result of COVID-19 coronavirus, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time. No adjustments have been made to these financial statements as a result of this uncertainty.

10. Subsequent events:

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through July 25, 2022, the date the Plan's financial statements were available to be issued.
