INDEPENDENT AUDITOR'S REPORT

To the Trustees
International Medical Industries, Inc. 401k Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of International Medical Industries, Inc. 401K Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as summarized in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

International Medical Industries, Inc. 401k Retirement Plan

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1 - Description of the Plan

The following description of International Medical Industries, Inc. 401k Retirement Plan (the "Plan") provides only general information. A more complete description of the Plan's provisions may be found in the Summary Plan Description, which has been distributed to all participants, and also in the Plan document, which is available to Plan participants upon request.

General and eligibility: The Plan is a defined contribution plan established in 2019 by International Medical Industries, Inc. (the "Sponsor/Company") to provide benefits to eligible employees who are of age twenty-one or older and have completed 3 months of service. Effective March 31, 2021, the Plan was amended and restated in entirety. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan administrator: The Company has appointed an administrative committee to manage the operation and administration of the Plan. The Company has contracted with Empower Retirement ("Empower") to act as third-party administrator to process and maintain the records of participant data and Great-West Trust Company to act as the trustee.

Contributions: Each year, eligible participants may contribute a specific percentage of their annual compensation, subject to certain guidelines prescribed by the Internal Revenue Code and other limitations specified in the Plan. Contributions may be either pre-tax, deductible from gross income for federal income tax purposes, or Roth, from amounts that have been treated as taxable income. In addition, the Plan allows for rollover contributions from other plans under certain conditions.

The Sponsor has made a Safe Harbor election for the Plan. The Sponsor's safe harbor contribution is dollar-for-dollar matching on salary deferrals up to four percent (4%) of qualified compensation. This safe harbor contribution is fully vested when made.

As determined by the Plan, at the end of each Plan year, the Company may make a nonelective contribution based upon participant's eligible earnings. No nonelective contributions were made by the Company for the year ended December 31, 2021.

Participants' accounts (self-directed): Each participant's account is credited with the participant's contributions, an allocation of the Company's contribution, Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. In addition, interest charged on individual participant loans is credited directly to the respective participant's account. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately 100% vested in their contributions and safe harbor contributions plus actual earnings thereon. Vesting of the remainder of their accounts is based on years of service. Participants are fully vested in Company nonelective contributions after six years of credited service.

Notes receivable from participants: Participants may borrow from their account balance, a minimum of \$ 500 up to a maximum equal to the lesser of 50% of their vested account balance or \$ 50,000. The loans are secured by the participant's account balance and bear interest at a rate reasonable at the time of application, ranging from 4.25% to 7.50%, at December 31, 2021. Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2021 and 2020, participants' loans totaled approximately \$ 70,000 and \$ 65,000, respectively.

Note 1 - Description of the Plan (continued)

Payment of benefits: Benefit payments and distributions of a participant's account are made upon the normal retirement age of 65, termination from service with the Company, death or disability. In service distributions can be made only if the participant has attained age 59½ and is fully vested in their account. Hardship distributions are also permitted by the Plan. Distributions may be made in lump-sum, partial payments, or installment payments. In addition, the Plan allows for automatic rollover distributions of participant account balances that do not exceed \$ 5,000.

Forfeitures: Any non-vested account balance after distribution of a terminated participant's vested account balance is forfeited. Forfeitures may be used to reduce future employer contributions or to pay Plan expenses. In 2021 and 2020, there were no forfeiture balances.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America (U.S. GAAP). Consequently, additions to net assets are recognized when earned and deductions from net assets are recognized when the obligation is incurred.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded as earned. Related fees are charged directly to the borrowing participant's accounts and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment valuation and income recognition: At December 31, 2021 and 2020, the Plan's investments were held in various mutual funds and a guaranteed interest account. Investments are stated at fair value, except for fully benefit-response investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The net appreciation or depreciation in the fair value of investments includes realized and unrealized gains and losses on the fair value of investments held by the Plan. Purchase and sale of investments are recorded on a settlement date basis. Interest income is accrued as it is earned, and dividends are recorded as of the ex-dividend date. The Plan's management determines the Plan's valuation policies utilizing information provided by the trustee.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Certain administrative expenses are paid directly from Plan assets. These amounts, if any, are reflected as deductions from net assets in the accompanying statement of changes in net assets available for benefits. The Sponsor pays all other administrative expenses.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures in the financial statements and the reported amounts of additions to and reductions from net assets during the reporting period. Accordingly, actual results could differ from those estimates.

Date of management review: The Plan's management has evaluated subsequent events through July 29, 2022, the date the financial statements were available to be issued.

Note 3 - Information Certified by Plan's Trustee

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA.

Accordingly, Great-West Trust Company, the trustee of the Plan assets, has certified to the completeness and accuracy of all investments, including notes receivable from participants, reflected on the accompanying statements of net assets available for benefits as of December 31, 2021, and the related investment activity reflected in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021; and the information reflected on the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2021.

Reliance Trust Company, the former trustee of the Plan assets has certified the completeness and accuracy of all investments, including notes receivable from participants, reflected on the accompanying statements of net assets available for benefits as of December 31, 2020.

Note 4 - Fair Value Measurements

In accordance with the Financial Accounting Standards Board in its Accounting Standards Codification, (ASC) No. 820, *Fair Value Measurements and Disclosures*, the Plan has defined and established a framework for measuring fair value and expanded disclosures about fair value measurements. Various inputs are used in determining the value of the Plan's investments. These inputs are summarized in three levels listed below:

- Level 1 - inputs are quoted market prices (unadjusted) in active markets for identical investments that the reporting entity can access at the measurement date.
- Level 2 - inputs are other than quoted prices included within level 1 that are observable for the investments, either directly or indirectly (e.g. quoted prices in active markets for similar securities, securities valuations based on commonly quoted benchmarks, interest rates and yield curves, and/or securities indices).
- Level 3 - inputs are significant unobservable inputs (e.g. information about assumptions, including risk, market participants would use in pricing a security).

The inputs or methodology used for valuing securities are not necessarily an indication of the risks associated with investing in those securities.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price and are considered to be actively traded.

Fair values of investments held by the Plan are classified as follows:

	Level 1	Level 2	Level 3	Total
At December 31, 2021:				
Mutual funds	\$ <u>1,243,360</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>1,243,360</u>
Total	\$ <u><u>1,243,360</u></u>	\$ <u><u>-</u></u>	\$ <u><u>-</u></u>	\$ <u><u>1,243,360</u></u>

Note 4 - Fair Value Measurements (continued)

	Level 1	Level 2	Level 3	Total
At December 31, 2020:				
Mutual funds	\$ <u>897,842</u>	\$ <u>-</u>	\$ <u>-</u>	\$ <u>897,842</u>
Total	\$ <u><u>897,842</u></u>	\$ <u><u>-</u></u>	\$ <u><u>-</u></u>	\$ <u><u>897,842</u></u>

Note 5 - Guaranteed Interest Account

The Plan entered into a fully benefit-responsive investment contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and specified interest rate.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest account. The guaranteed interest account is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus credited interest, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The effective guaranteed credited interest rate is based on a formula agreed upon with the issuer and there is no stated minimum or maximum interest rate for the investment. The average yield earned by the Plan and the average interest rate credited to participants was 1.15% at December 31, 2021.

Note 6 - Cash Receipts and Payments

At December 31, 2021, all contributions to the Plan have been placed in investments referred to in Note 4. In addition, there have been benefit and withdrawal distribution payments of approximately \$ 214,000 to Plan participants during the year ended December 31, 2021. There were no deemed distributions to participants for the year ended December 31, 2021.

Note 7 - Tax Status

The Plan obtained its latest determination letter dated June 30, 2020, in which the IRS stated that the Plan, a Non-Standardized Pre-Approved Profit-Sharing Money Purchase Plan with CODA, was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Trust is, therefore, exempt from federal income tax.

The Plan Administrator has evaluated the tax positions taken by the Plan and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Related Party Transactions

Section 3(14) of ERISA defines a party-in-interest to include, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, loans to participants and transactions with investment funds managed and held by the Trustee are considered party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 9 - Risks and Uncertainties

The Plan's investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect a participant's account balances, the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

Note 10 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of any previous employer nonelective contributions.

Note 11 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of contributions per the financial statements at December 31, 2021 to Form 5500:

Total contributions per the financial statements	\$ 479,481
Change in contributions receivable:	
Employer	6,283
Participants	<u>8,939</u>
Total contributions per the Form 5500	\$ <u><u>494,703</u></u>
