## Report of Independent Auditors

To the Administrator of Massachusetts Institute of Technology Supplemental 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed an audit of the accompanying 2021 financial statements of Massachusetts Institute of Technology Supplemental 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Other Matter – 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended (not presented herein, other than the statement of net assets available for benefits). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter – Supplemental Schedule Required by ERISA***

Schedule of Assets (Held at End of Year) - Schedule H, Part IV, Line 4i as of December 31, 2021 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## 1. Plan Description

The following description of the Massachusetts Institute of Technology Supplemental 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a complete description of plan provisions.

### General

The Plan and its related Trust are intended to qualify as a profit-sharing plan and trust under the Internal Revenue Code (the "Code") sections 401(a) and 501(a). The cash or deferred arrangement part of the Plan is intended to qualify under Code section 401(k) and is intended to satisfy the alternative method of meeting nondiscrimination requirements described in Code section 401(k)(12). The Plan is intended to constitute a plan described in section 404(c) of the Employee Retirement Income Security Act of 1974 ("ERISA"). The purpose of the Plan is to provide benefits to participants in a manner consistent and in compliance with such Code sections and Title I of ERISA.

Fidelity Management Trust Company is the plan trustee (“Trustee”). Fidelity Workplace Services ("Fidelity") is the plan record keeper.

### Contributions

The Plan covers substantially all employees of the Massachusetts Institute of Technology (the "Institute"), other than those employees specifically excluded by the plan document. Employees are eligible to participate and earn a benefit under the Plan if an employee 1) is scheduled to work at least 50% of the normal full-time schedule at the Institute or will have 1,000 hours or more of paid service in a calendar year, and is scheduled to work for the Institute for at least three consecutive months, and 2) is paid by the Institute.

An eligible employee may become a participant in the Plan by enrolling via the Fidelity Net Benefits website (Fidelity's online account access) or by calling Fidelity. Upon enrollment, the employee agrees to accept a specified reduction in salary/wage, on a pre-tax or post-tax Roth basis, for each pay period in consideration of the Institute’s contributing such amount to the Plan. Participants may contribute up to the maximum elective deferral allowed by the Code. The Institute matches the employee contribution on a dollar-for-dollar basis up to 5% of the participant's compensation for the year, subject to certain pre or post-tax limitations. If a participant becomes disabled and receives disability income benefits under a long-term disability plan of the Institute, the participant cannot contribute to the Plan. Instead, the Institute contributes an amount equal to 10% of the disabled participant's pay to the participant's account as long as the participant receives such disability income benefits. Participants may also contribute rollover contributions from other plans pursuant to the rollover provisions of the Code.

### Participant Accounts

Participant accounts are credited with the participant's and the Institute's contributions, as well as the earnings, net of expenses thereon. Participants direct the investment of their contributions into various investment options offered by the Plan, which consist primarily of registered investment funds and a separate account that is managed by an advisor. Participant accounts are maintained as appropriate to account for contributions by source. The benefit to which a participant is entitled is the benefit that can be provided from the participant's accounts.

**Vesting**
Participants are 100% vested immediately in all contributions plus actual earnings thereon.

**Plan Amendments**
In December 2020 the Executive Committee of the Institute approved amending the Plan to change the Minimum Required Distribution Age from 70 ½ to 72 effective January 1, 2020 and to provisionally administer the plan in such manner (as allowed by the enacting law, but no later than 12/31/2022) until an amendment was able to be drafted and signed. This Plan amendment was formally executed in February 2022.

This agreement also amends the Plan to accept rollover contributions from Individual Retirement Accounts effective March 1, 2022.

**Notes Receivable from Participants**
Participants may borrow a minimum of $1,000 from their accounts up to a maximum amount prescribed by the Code. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 8.25% at December 31, 2021 and 2020. These rates are commensurate with local prevailing rates as determined by the plan administrator at the time of the loan. Loans are recorded at net realizable value.

**Payment of Benefits**
On separation from service for reasons other than death, the participant will be entitled to receive the value of their account under one or more of the following options:

1) Lump sum option – the participant may receive a single sum not to exceed the entire balance of their account.

2) Installment option - the participant may receive all or a designated portion of their account in periodic installment payments over an installment period not to exceed the life expectancy of the participant or the joint life and last survivor expectancy of the participant and their beneficiary.

3) Direct rollover – the participant may direct the Plan to roll over the lump-sum payment to an IRA or other retirement plan.

On termination of service due to death, or on death after separation, the participant's beneficiary may elect to receive the value of their account as a lump sum, in an installment form or as a direct rollover. If the beneficiary is the participant's spouse, the beneficiary may elect the transfer option if the balance exceeds certain distribution amounts as specified in the Code. If an installment form option was in effect at time of death, the beneficiary may elect to receive the distribution in a more rapid form of payment.

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act), signed into law March 27, 2020, introduces temporary relief provisions related to retirement plans. To be eligible for CARES Act relief, the participant must satisfy one of the following requirements. 1) The participant has been diagnosed with COVID-19 or the virus SARS-CoV-2 by a CDC-approved test; 2) The participant’s spouse or other tax dependent (as defined by IRS Code Section 152) has been diagnosed with COVID-19 or the virus SARS-CoV 2 by a CDC-approved test; or 3) The participant is experiencing adverse financial consequences as a result of being quarantined; being furloughed or laid off or having work hours reduced to such virus; being unable to work due to a lack of child

care due to the virus; closing or reducing hours of a business owned or operated by the individual due to the virus; or such other factors determined by Treasury. No such other factors have been published by Treasury to date. If eligible, participants may withdraw up to $100,000 or his/her total vested account balance, if less. This change means participants who are currently employed by the Institute may take a distribution, through December 30, 2020, regardless of age or appointment status. Distributions will not be subject to the 10% early withdrawal federal penalty that applies to distributions taken before age 59½. Otherwise, the distributions will be included in the participant's taxable gross income ratable over a three year tax period beginning with the 2020 tax year.

## 2. Significant Accounting Policies

### Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP").

### Investment Valuation

Investments are presented in the financial statements at fair value. Interest bearing cash, which includes money market funds and cash reserves, is valued at amortized cost which approximates fair value. US government securities are valued on the basis of valuations furnished by a Trustee-approved independent pricing service, which determines valuations for normal institutional-size trading units of such securities using methods based on market transactions for comparable securities and various relationships between securities which are generally recognized by institutional traders, or at fair value as determined in good faith by the Trustee. Fixed income investments are generally valued using independent pricing sources that use broker quotes or models using market observable inputs. Shares of registered investment companies and common collective trusts are valued at the net asset value of shares or units held by the Plan at year end.

### Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recorded as earned. The Plan presents in the statement of changes in net assets available for benefits, the net appreciation and depreciation in the fair value of its investments, which consists of the realized gains and losses and the unrealized appreciation and depreciation on those investments.

### Payment of Benefits

Benefits are recorded when paid.

### Use of Estimates

The preparation of the Plan's financial statements in conformity with GAAP requires the plan administrator to make significant estimates and assumptions. These affect the reported amounts of net assets available for benefits at the dates of the financial statements and changes in net assets available for benefits during the reporting period, as well as disclosures of contingent assets and liabilities (when applicable) at the dates of the financial statements. Actual results could differ from those estimates.

### Risks and Uncertainties

The Plan provides for various investment options in any combination of mutual funds and other investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the

level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

**Subsequent Events**
The Plan has evaluated subsequent events through July 19, 2022, the date the financial statements were available to be issued.

## 3. Information Certified by the Plan's Trustee

The following information included in the Plan's financial statements was prepared by Fidelity Management Trust Company, the trustee of the Plan, as of December 31, 2021 and 2020 and for the year ended December 31, 2021 and furnished to the plan administrator. The plan administrator has obtained a certification from the Trustee that the following information is complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## 4. Investments at fair value

As discussed in Note 2, the Plan has valued its investments in accordance with the principles of the accounting standards regarding fair value measurements.

The following describes the hierarchy of inputs used to measure fair value and the primary valuation methodologies used by the Plan for financial instruments measured at fair value on a recurring basis. The three levels of inputs are as follows:

Level 1 Quoted prices in active markets for identical assets or liabilities. Market price data is generally obtained from relevant exchange or dealer markets.

Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the same term of the assets or liabilities. Inputs are obtained from various sources including market participants, dealers, and brokers.

Level 3 Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The following table sets forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021.

| *(in thousands)* | **Level 1** | **Level 2** | **Total** |
|---|---|---|---|
| Interest-bearing cash | $ 37,409 | $ - | $ 37,409 |

## 5. Plan Administrative Expenses

The Institute has paid certain administrative expenses, including fees for legal and consulting and other costs of administrating the Plan amounted to $1,024,000 for the year ended December 31, 2021. Administrative expenses paid by the Plan include expenses directly relating to investment transactions such as fees for short-term redemptions and exchanges, and investment management fees for the custom funds.

## 6. Plan Amendment or Termination

The Institute intends to continue making contributions to the Plan, but it reserves the right to terminate this Plan or discontinue contributions at any time. The Institute also reserves the right to change the Plan at any time. In the event of a plan termination, participants will be entitled to their full account balance in accordance with the provisions of the Plan.

## 7. Tax Status

The Plan received a determination letter from the Internal Revenue Service on June 15, 2016 that the Plan, as then designed, was qualified under Internal Revenue Code (IRC) Section 401(a) and entitled to favorable tax treatment. The Plan has been amended and restated since receiving the determination letter to comply with provisions required by law. It is the belief of the Plan administrator and Plan tax counsel that the Plan continues to be designed and operated as a qualified plan under IRC Section 401(a).

U.S. GAAP requires an evaluation of tax positions taken and recognition of a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is not subject to income taxes. Therefore, there are no significant uncertain positions take or expected to be taken as of December 31, 2021. The Plan is subject to audits by the IRS; however, there are no current IRS audits for any tax periods in progress. The Institute believes the Plan is no longer subject to IRS audits outside the statutory audit period."

## 8. Related Parties and Parties in Interest Transactions

Certain fees paid to Fidelity Management Trust Company and affiliates are for administration, investment management, recordkeeping, trustee and other fiduciary services provided to the Plan. Consequently, such transactions are permitted under the provision of the Plan and are exempt from prohibited party-in-interest transactions under ERISA.

Notes receivable from participants also qualify as party-in-interest transactions.

On July 1, 2021 a new recordkeeping and trust agreement with Fidelity went into effect, replacing the prior 1999 recordkeeping and trust agreement.
