INDEPENDENT AUDITORS' REPORT

Plan Administrator
BBB Industries, LLC 401(k) Profit Sharing Plan
Daphne, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of BBB Industries, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BBB INDUSTRIES, LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE 1 - PLAN DESCRIPTION

The following description of BBB Industries, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering non-excluded employees of BBB Industries, LLC (the Company) who have met the eligibility requirements.

Contributions. Participants may elect to defer a portion of their compensation to a 401(k) savings option, subject to certain limitations and exceptions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes discretionary matching contributions of 100% of elective deferrals on the first 1% of employees' compensation and makes matching contributions of 50% of elective deferrals on the next 5% of employees' compensation. The Company match is calculated each payroll period.

Effective April 18, 2020, the Company adopted an amendment to automatically enroll participants into the Plan at 3% of employee's compensation with an option to opt out of the automatic enrollment. Beginning January 1, 2021, participants' deferral percentages increase 1% annually on January 1st until they reach 6%, at which time the auto-escalation will stop. Employees may change their deferral percentage at any time.

Subsequent to year end, the Board approved a change to the Plan to a full Safe Harbor match of 5%. The change will be effective January 1, 2023.

Participant Accounts. A participant's account shall be credited with the participant's contributions and allocations of the Company's contributions and Plan earnings, and charged with benefit distributions and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions. Vesting in the Company's matching contributions plus actual earnings thereon is based on vesting years of service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0 %
2	100 %

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Payment of Benefits. Payment of a participant's account balance is available upon death, disability or retirement. If employment terminates for reasons other than those listed above, the participant will be entitled to receive only the "vested percentage" of his account balance and the remainder of his account will be forfeited. Only Company matching contributions are subject to forfeiture.

Participants are also able to make distribution elections at normal retirement age, fifty-nine and one-half (59 1/2), regardless of employment status.

Funds may also be accessed prior to the date they become distributable by way of financial hardship withdrawals. Hardship withdrawals are allowable in accordance with current Internal Revenue Service guidelines.

Notes Receivable from Participants. Participants may borrow from their accounts within guidelines established by the Plan Administrator. Participant loans accrue interest at a commercially reasonable rate established by the Plan Administrator and are payable through payroll deductions over terms ranging from one to five years, unless it is for a purchase of a primary residence.

Forfeited Accounts. Forfeitures of non-vested Company matching contributions are used to pay Plan administration fees or to reduce employer contributions. The balance of forfeitures as of December 31, 2021 and 2020 was \$34,483 and \$37,013, respectively. The Plan used \$63,901 of forfeitures to pay administrative expenses in 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition

The Plan's investments are stated at fair value as provided by Fidelity Management Trust Company (the Trustee). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants or the measurement data. See Note 7 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Benefits payable

Net assets available for benefits include benefits due to participants who have withdrawn from participation in the Plan as of December 31, 2021 and 2020. Benefits are recorded when paid.

Administrative expenses

Costs of administering the Plan's assets are paid by the Plan and include investment management advisory fees, with any remaining incurred expenses paid by the Company.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2021 AND 2020

NOTE 3 - PLAN ADMINISTRATION

The general administration of the Plan and the responsibility for carrying out its provisions are placed with the Plan Administrator.

The Trustee is responsible for investing and reinvesting the Plan's assets. The Company is responsible for maintaining accurate books and records with respect to its employees for purposes of administering the Plan.

Regions Trust and Strategic Advisors, Inc. serve as Investment Advisors (the Advisors) to the Plan. The Advisors are authorized to supervise and manage the Plan in accordance with the investment objectives of the Company. The Advisors' responsibilities also include advising individual participants regarding investment choices and objectives for their individual accounts.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA which received an opinion letter from the Internal Revenue Service dated June 30, 2020, that stated that the Plan is acceptable under Code Section 401(a) and, therefore, the related trust is exempt from tax pursuant to Section 501(a) of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain qualification. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator and the Plan's counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits from any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2021 AND 2020

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The investment information disclosed in the accompanying financial statements and the supplemental schedule, in total, including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, obtained or derived from information supplied to the Plan Administrator by the Trustee, is certified as complete and accurate.

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Fair value of assets measured on a recurring basis using a market approach at December 31, 2021 and 2020 are as follows:

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2021</u>		
Money market	\$ 826,135	\$ 826,135
Mutual funds	<u>30,954,317</u>	<u>30,954,317</u>
Total investments at fair value	<u>\$ 31,780,452</u>	<u>\$ 31,780,452</u>
 <u>December 31, 2020</u>		
Money market	\$ 800,226	\$ 800,226
Mutual funds	<u>25,544,611</u>	<u>25,544,611</u>
Total investments at fair value	<u>\$ 26,344,837</u>	<u>\$ 26,344,837</u>

BBB INDUSTRIES, LLC 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2021 AND 2020

NOTE 7 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual funds and money market fund

The mutual funds and the money market fund are valued at the daily closing price as reported by the fund. The funds must publish their daily net asset value and transact at that price. The funds held by the Plan are deemed to be actively traded. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. The Trustee's fees paid by the Plan for the year ended December 31, 2021 were \$42,817.

The Advisors are fiduciaries because they give investment advice and, therefore, these transactions qualify as party-in-interest transactions. The Advisors' fees paid by the plan for the year ended December 31, 2021 were \$43,120.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for investments that are exposed to various risks, such as interest rate, credit, and market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near future and that changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 - CORONAVIRUS

The Plan's operations may be affected by the ongoing outbreak of the coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization on March 11, 2020. The extent of the impact of COVID-19 on the Plan's operations and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on participants, employees and vendors all of which are uncertain and cannot be predicted.

INDEPENDENT AUDITORS' REPORT

Plan Administrator
BBB Industries, LLC 401(k) Profit Sharing Plan
Daphne, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of BBB Industries, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Contributions. Participants may elect to defer a portion of their compensation to a 401(k) savings option, subject to certain limitations and exceptions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes discretionary matching contributions of 100% of elective deferrals on the first 1% of employees' compensation and makes matching contributions of 50% of elective deferrals on the next 5% of employees' compensation. The Company match is calculated each payroll period.

Effective April 18, 2020, the Company adopted an amendment to automatically enroll participants into the Plan at 3% of employee's compensation with an option to opt out of the automatic enrollment. Beginning January 1, 2021, participants' deferral percentages increase 1% annually on January 1st until they reach 6%, at which time the auto-escalation will stop. Employees may change their deferral percentage at any time.

Subsequent to year end, the Board approved a change to the Plan to a full Safe Harbor match of 5%. The change will be effective January 1, 2023.

Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions. Vesting in the Company's matching contributions plus actual earnings thereon is based on vesting years of service as follows:

Only Company matching contributions are subject to forfeiture.

Participants are also able to make distribution elections at normal retirement age, fifty-nine and one-half (59 1/2), regardless of employment status.

Funds may also be accessed prior to the date they become distributable by way of financial hardship withdrawals. Hardship withdrawals are allowable in accordance with current Internal Revenue Service guidelines.

NOTE 3 - PLAN ADMINISTRATION

The general administration of the Plan and the responsibility for carrying out its provisions are placed with the Plan Administrator.

The Trustee is responsible for investing and reinvesting the Plan's assets. The Company is responsible for maintaining accurate books and records with respect to its employees for purposes of administering the Plan.

Regions Trust and Strategic Advisors, Inc. serve as Investment Advisors (the Advisors) to the Plan. The Advisors are authorized to supervise and manage the Plan in accordance with the investment objectives of the Company. The Advisors' responsibilities also include advising individual participants regarding investment choices and objectives for their individual accounts.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA which received an opinion letter from the Internal Revenue Service dated June 30, 2020, that stated that the Plan is acceptable under Code Section 401(a) and, therefore, the related trust is exempt from tax pursuant to Section 501(a) of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain qualification. Although the Plan has been amended since the date of the opinion letter, the Plan Administrator and the Plan's counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits from any tax periods in progress.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The investment information disclosed in the accompanying financial statements and the supplemental schedule, in total, including investments held and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, obtained or derived from information supplied to the Plan Administrator by the Trustee, is certified as complete and accurate.

NOTE 7 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Fair value of assets measured on a recurring basis using a market approach at December 31, 2021 and 2020 are as follows:

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2021</u>		
Money market	\$ 826,135	\$ 826,135
Mutual funds	<u>30,954,317</u>	<u>30,954,317</u>

 <u>December 31, 2020</u>
