INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of:

Beatitudes Campus 403(b) Plan
Phoenix, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Beatitudes Campus 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Beatitudes Campus 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beatitudes Campus 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beatitudes Campus 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beatitudes Campus 403(b) Plan internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beatitudes Campus 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at the end of year December 31, 2021 and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BEATITUDES CAMPUS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Beatitudes Campus 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan and Trust Agreement (Plan Document) for a more complete description of the Plan's provisions.

General

The Plan is a retirement plan established on January 1, 2014. Employees of Beatitudes Campus (Plan sponsor or Organization) are eligible to participate upon hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Organization functions as the Plan Administrator.

Contributions

Participants may make voluntary salary reductions (referred to as participant contributions) up to the maximum amount allowed by the IRS. For 2021 this deferral limit was \$19,500. Participants are automatically enrolled into the Plan upon eligibility and contribute at an introductory rate of 4% of eligible compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants over age 50 are eligible for catch up contributions.

The Organization, at its discretion, may make matching contributions. During 2021, the Organization made matching contributions to the Plan of approximately \$84,000.

Participant Accounts

Individual accounts are maintained to record participant contributions, rollover contributions, discretionary matching contributions, profit sharing contributions and earnings thereon for each participant. Company discretionary matching and profit sharing contributions are referred to as Company contributions. The benefit to which a participant is entitled is the total benefit, which can be provided from the vested portion of these individual accounts.

Vesting

Upon entry into the Plan, participants are 100 percent vested in their salary deferral contributions, rollover contributions and earnings thereon. Vesting for the Company contributions and earnings thereon is based on years of service as follows: less than 3 years 0% and 100% after 3 years.

BEATITUDES CAMPUS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN, CONTINUED

Notes Receivable from Participants

Participants may borrow from their accounts upon written application to and approval by the Plan Administrator. Participants may borrow from their accounts an amount limited to the lesser of \$50,000 or one-half of the participant's vested account balance. With certain exceptions, no loans in an amount less than \$1,000 will be made. Loans must be repaid within 5 years and bear a reasonable rate of interest.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may request a distribution of their vested account balance from the Plan Administrator. Furthermore, upon approval of the Plan Administrator, participants may be entitled to take hardship distributions. Participants may elect to withdraw all, or a portion of their account while still employed, upon attainment of age 59 ½. Participants who have terminated employment and have a vested balance that is less than \$1,000 will receive a lump sum distribution as soon as administratively feasible. Terminated participants with a vested balance between \$1,000 and \$5,000 will have their balance automatically rolled over to an IRA. Benefits are recorded when paid.

Forfeited Accounts

Forfeited balances will be used to pay plan expenses first and then to offset Company contributions. The Company used approximately \$3,000 to reduce Company contributions. At December 31, 2021 and 2020 the Plan had a forfeiture balance of \$0.

Subsequent Event

Management has evaluated subsequent events through July __, 2022, the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

BEATITUDES CAMPUS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Investment Contracts

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The investment contract held by the Plan is fully benefit responsive. Therefore, the investment is recorded at contract value at December 31, 2021 and 2020. See Note 5 for a description of the investment contract.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

BEATITUDES CAMPUS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Administrative Costs

The Plan has contracted with outside consultants and agencies to perform administrative services for the Plan. Fees for these services are paid by the Organization. Investment-related expenses are included in net appreciation in fair value of investments.

Market Risk

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Furthermore, due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes, could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Principal Trust Company (Principal), the custodian of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets (held at the end of the year) as of December 31, 2021.

BEATITUDES CAMPUS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end and closed-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV), and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

BEATITUDES CAMPUS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS, CONTINUED

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2021			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 2,279,177	\$ -	\$ -	\$ 2,279,177

		2020			
		Level 1	Level 2	Level 3	Total
Mutual funds		\$ 1,905,643	\$ -	\$ -	\$ 1,905,643

NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive investment contract with Principal. Principal Fixed Income Guaranteed Option is a fully benefit-responsive group annuity contract (GAC). The GAC consists of over 6,000 investments, which include corporate bonds, asset backed securities, commercial real estate mortgages, government bonds, and short-term cash equivalent. The crediting interest rate is based on a formula agreed upon with the Issuer. Under the terms of the existing contract, the crediting rate is currently reset on a semiannual basis and will never be less than the guaranteed minimum interest rate.

Certain events limit the ability of the Plan to transact at contract value. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The GAC does not permit the insurance company to terminate the agreement prior to the scheduled maturity dates without additional termination charges.

NOTE 6 – TAX STATUS

The Plan has received an opinion letter from the Internal Revenue Service dated March 31, 2017 stating that the written form of the underlying prototype non-standardized 403(b) plan document is qualified under Section 403(b) of the Internal Revenue Code (the Code), and that any employer adopting this form of the Plan will be considered to have a plan qualified under Section 403(b) of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification.

BEATITUDES CAMPUS 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 6 – TAX STATUS, CONTINUED

The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

The IRS has determined and informed the Plan sponsor by a letter dated March 31, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the letter dated March 31, 2017, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held by Principal, the custodian and Plan record-keeper. Investment advising is provided Buckman & Corning Financial Strategies Group. Therefore, any investment or administrative fees paid during the year to them qualify as party-in-interest transactions.

NOTE 8 – DELINQUENT CONTRIBUTIONS

During 2021, the Company remitted employee contributions for two pay periods after the date required during the year by the Department of Labor. The Company has determined the amount of lost earnings and contributed the amount to the Plan in 2022.
