Independent Auditor's Report

To the Administrative Committee of the
Pexco, LLC Retirement Savings Plan
Johns Creek, GA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Pexco, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Pexco, LLC Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pexco, LLC Retirement Savings Plan's ability to continue as a going concern for January 1, 2022 through July 25, 2022.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pexco, LLC Retirement Savings Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pexco, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The supplemental schedule, the Schedule of Assets (Held at End of Year) for the year ended December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to

prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Pexco, LLC Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PEXCO, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE A – PLAN DESCRIPTION

The following description of the Pexco, LLC Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution retirement plan sponsored by Pexco, LLC with a plan year end of December 31st. AEA PXO Holdings, LP is the parent company of Pexco, LLC. The original Plan became effective July 15, 2018, with the most recent restatement of the Plan being effective January 1, 2022, which added Performance Elastomers Corporation as a participating employer of the Plan and updated the participant loan program to comply with the Department of Labor regulations. The participating employers of the Plan are Altaflo, LLC, Insultab, Inc., Performance Elastomers Corporation (beginning January 1, 2022), and Pexco, LLC, hereon collectively referred to as the “Company” and “Employer”. The provisions of the Plan are included in the official Plan document, which legally governs the operations of the Plan and is available for more detailed information. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

ELIGIBILITY

The Plan covers substantially all employees of the Company who have completed one month of service. In general, covered employees are automatically enrolled into the Plan the first day of the month coinciding with, or after satisfying the eligibility requirements.

PARTICIPANT AND COMPANY CONTRIBUTIONS

Each year, participants may elect to contribute a percentage of their eligible compensation to the Plan in pre-tax or Roth contributions up to 50 percent of their eligible compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover funds from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

All eligible employees are automatically enrolled in the Plan at a deferral rate of 4 percent, unless the employee elects a different percentage, or opts out of the Plan. The Plan also incorporates an annual automatic escalation of deferral rates of 1 percent each year, up to a maximum of 6 percent.

The Company may make a discretionary matching contribution equal to a specified percentage of each participant's contributions as determined by the Company, but not to exceed 6 percent of compensation. For the 2021 and 2020 Plan year, the Company's matching contribution was equal to 50 percent of the participant's salary deferral contribution, up to a maximum of 50 percent of their eligible compensation. Participants direct the investment of the discretionary matching contributions into various investment options offered by the Plan.

The Plan also incorporates a discretionary Employer profit-sharing contribution. Participants must be employed on the last day of the Plan year and work 1,000 hours to be eligible for the profit-sharing contribution. For 2021 and 2020, the discretionary Employer contributions were \$369,065 and \$371,037, respectively. Contributions are subject to Internal Revenue Service (“IRS”) limitations. Participants direct the investment of the discretionary matching Employer profit-sharing contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, and (b) Plan earnings or losses, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – PLAN DESCRIPTION – CONT.

VESTING

Participants are immediately vested in their elective (voluntary) contributions and income or loss thereon. Vesting in the Company's discretionary matching and profit-sharing contribution portion of their account, and income and loss thereon, is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

FORFEITED ACCOUNTS

On December 31, 2021 and 2020, there were \$42,069 and \$6,321 in forfeited non-vested accounts, respectively, at the end of both years. Forfeiture amounts can be used to reduce future Employer contributions. \$6,321 of forfeiture amounts were utilized during 2021.

PAYMENT OF BENEFITS

Distributions of benefits are defined in the Plan document. Generally, upon termination of employment, death, disability, or normal retirement, a participant (or designated beneficiary) may elect to receive 100% of his or her vested account balance in either a lump sum cash payment or a direct rollover to another qualified plan, or partial payouts. Participants who have attained age 59 1/2 may also withdraw all or a portion of their vested account balances. Required Minimum Distributions (RMDs) are required once the participant reaches age 72 (with the exception of 2020, which the CARES Act RMD waiver discontinued the need for RMDs through December 31, 2020). Participants may also elect to receive a distribution from their deferral account balance in the case of a financial hardship as outlined in the Plan document.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan provides that participants can borrow funds of at least \$1,000 up to a maximum equal to the lesser of 50 percent of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with interest rates charged by persons in the business of lending money for loans under similar circumstances. The term of the loan cannot exceed five years, except if the loan proceeds are used to finance the purchase of a primary residence, in which case the loan term may not exceed thirty years. Principal and interest is paid ratably through payroll deductions. A participant may have one loan outstanding at a time.

NOTE B – SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could vary from these estimates.

PEXCO, LLC

RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE B – SUMMARY OF ACCOUNTING POLICIES – CONT.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

PAYMENT OF BENEFITS

Benefit payments to participants and their beneficiaries are recorded when paid.

OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of the fair value of the investments.

DATE OF MANAGEMENT REVIEW

Subsequent events were evaluated through July 25, 2022, which is the date the financial statements were available to be issued. Management is not required to and has not evaluated events or transactions that occurred after July 25, 2022.

NOTE C – UNAUDITED INVESTMENT INFORMATION CERTIFIED BY TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor Rules and Regulations and disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by the trustee, PNC Bank, and was not subjected to any auditing procedures performed by the independent public accountants.

- a. All investments shown in the accompanying statements of net assets available for benefits.
- b. Net Investment income from the investments, as shown in the accompanying statement of changes in net assets available for benefits, including dividends and interest income and net realized and unrealized appreciation (depreciation) in the fair value of assets.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE D – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB (Financial Accounting Standards Board) ASC (Accounting Standards Codification) 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation method include • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset and liability; and • inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement of the assets and liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no transfers between levels in 2021 or 2020.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Money Market Fund: Valued based on quoted prices in active markets for identical securities.

Common Collective Trust: Valued at the NAV of the units in the T. Rowe Price Stable Value Common Collective Trust Fund. The NAV, as provided by the trustee, PNC Bank, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily.

PEXCO, LLC RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

NOTE D – FAIR VALUE MEASUREMENTS – CONT.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 79,945	\$ -	\$ -	\$ 79,945
Mutual Funds	28,107,735	-	-	28,107,735

Other Investments Measured at Net Asset Value (a)				1,655,346
Total Assets at Fair Value	\$ 28,187,680	\$ -	\$ -	\$ 29,843,026
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 181,333	\$ -	\$ -	\$ 181,333
Mutual Funds	24,207,587	-	-	24,207,587
Total Assets in the Fair Value Hierarchy	24,388,920	-	-	24,388,920
Other Investments Measured at Net Asset Value (a)				1,897,029
Total Assets at Fair Value	\$ 24,388,920	\$ -	\$ -	\$ 26,285,949

(a) In accordance with Subtopic 820-10 certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets.

NOTE D – FAIR VALUE MEASUREMENTS – CONT.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	\$ 1,655,346	Not Applicable	Daily	Not Applicable

December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common Collective Trust	\$ 1,897,029	Not Applicable	Daily	Not Applicable

NOTE E – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

PNC Bank is the custodian of the Plan assets. PNC Bank (from January 1, 2019, through July 31, 2020) and Newport Group (from August 1, 2020, through December 31, 2021) provided recordkeeping services and third-party administrative services, respectively. Shawn Pooler, CPA is the Plan auditor. Jackson Lewis provides ERISA attorney services. Therefore, these transactions qualify as party-in interest transactions.

Audit fees and certain other administrative expenses are rendered by parties in interest and are paid by the Company. The Company also provides certain administrative services for the Plan for which it receives no compensation.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G – TAX STATUS

The Plan has received a favored opinion letter dated September 21, 2017, in which the Internal Revenue Service has stated that the Plan Documents are acceptable under section 401 of the Internal Revenue Code and therefore not subject to tax. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed, and being operated, in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions, if any.

NOTE J – SUBSEQUENT EVENTS

The Plan was restated effective January 1, 2022, which added Performance Elastomers Corporation as a participating employer of the Plan and updated the participant loan program to comply with the Department of Labor regulations. Participants of the plan at Performance Elastomers Corporation (which was terminated on January 1, 2022) were given the opportunity to roll their accounts over to the Pexco, LLC Retirement Savings Plan or take a distribution. A total of \$753,863 was rolled over from the terminated plan at Performance Elastomers Corporation to Pexco, LLC Retirement Savings Plan in March 2022. The Company's parent company (AEA PXO Holdings, LP) sold Pexco, LLC in 2022. No ramifications or changes to the Plan occurred with this sale to another company.
