Independent Auditor's Report

Retirement Committee and Participants
Fish & Richardson Profit Sharing 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Fish & Richardson Profit Sharing 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Fish & Richardson Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following brief description of Fish & Richardson Profit Sharing 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General: The Plan is a defined contribution plan for certain employees of Fish & Richardson (the Firm or the Plan Sponsor) incorporating the provisions of section 401(k) of the Internal Revenue Code (the Code). All employees who are not associates, fellowship attorneys, staff attorneys, law clerks with benefits, European patent attorneys or technology specialists (bar taken) will become eligible to participate in the Plan upon completing one year of service, with at least 1,000 hours credited in the year of service, and attaining age 21. The Plan has a special eligibility rule for the 401(k) arrangement whereby eligible employees become eligible to participate in the 401(k) arrangement of the Plan upon completing one hour of service and attaining age 21. Employees can enter the Plan on the first day of employment upon completing the aforementioned requirements for the 401(k) arrangement. Employees will enter the Plan on January 1 or July 1 upon completing the aforementioned requirements for other than the 401(k) arrangement. If, for a plan year, an employee is a participant solely in the 401(k) arrangement, the employee does not share in the allocation of the Firm contributions described below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's trustee is Charles Schwab Bank. The Plan's record keeper is Milliman, Inc.

Contributions: The following types of contributions may be made on behalf of a participant during a given plan year:

Participant 401(k) contribution: The Plan provides that eligible employees electing to become participants may make pretax and Roth contributions to the Plan through payroll deductions at a specified percentage, ranging from 1% to 75% of their eligible compensation, as defined in the plan document, subject to certain Code limitations. The Plan allows participants who have attained age 50 before the end of the plan year to make catch-up contributions. The Plan includes an automatic enrollment provision whereby all eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation, as defined by the Plan, until changed by the participant. Participants may elect to roll over contributions from other qualified plans.

Basic contribution: Each month, the Firm will make a basic contribution to the Plan on behalf of each participant who is an eligible employee at any time during the plan year in an amount equal to 7.5% of such participant's eligible compensation, subject to certain limitations, as outlined in the plan document.

Supplemental contribution: Each year, the Firm will make a supplemental contribution to the Plan on behalf of each participant who was an eligible employee on the last day of the plan year or retired, became disabled or died during the plan year. The Firm will contribute an amount for each such participant equal to 5.7% of such participant's excess eligible compensation during the plan year, subject to certain limitations, as outlined in the plan document. Excess compensation is defined as that part of employee eligible compensation that is not subject to Social Security taxes because it is in excess of the taxable wage base in effect for such plan year.

Voting principal contribution: Each year, the Firm will make a voting principal contribution to the Plan on behalf of each participant who is a voting principal and who is an employee of the Firm on the last day of such plan year up to 4% of the participant's eligible compensation, subject to certain limitations as outlined in the plan document.

Fish & Richardson Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Investment programs: The Plan allows each participant to direct the investment of their contributions in any of the following:

Registered investment companies: The Plan currently offers 24 mutual fund options to participants.

Brokerage accounts: A participant, at their discretion, may develop their own investment portfolio for which Charles Schwab & Co., Inc. provides brokerage services.

Common collective trust: The Plan currently offers one common collective trust option to participants.

Participant accounts: Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contributions, the Firm's contributions, and an allocation of investment results, and is charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting: Participants are fully and immediately vested in any and all contributions made on their behalf plus actual earnings thereon.

Notes receivable from participants: Upon the approval of the trustee, a participant may borrow from their account, at an interest rate of one percentage point in excess of the prime rate, fixed at the inception of the note, an amount that, when aggregated with all other loans to the participant, would not exceed the lesser of (1) \$50,000, reduced by the excess, if any, of the highest outstanding balance of all loans to the participant during the prior one-year period over the outstanding balance of other loans on the date of the new loan or (2) 50% of the participant's account balance. At December 31, 2021, the prevailing interest rates on notes range from 4.25% to 6.50%, with maturities through November 2031. All notes are secured by the participants' accounts and are repaid through payroll deduction, according to variable repayment schedules, or through participant checks issued to the trustee.

Payment of benefits: Plan participants are entitled to receive the full amount credited to their accounts if they retire at or after reaching age 59½. Upon termination of employment, including disability or death, participants or their beneficiaries are entitled to receive up to 100% of their account balance determined at the most recent valuation date. Payments of participant accounts less than \$5,000 are made in lump-sum distributions; otherwise, participants may elect a lump-sum distribution, monthly installment payment, or an annuity purchased with the proceeds from the participant's vested account. Plan participants may also be entitled to receive the full amount if the participant can demonstrate hardship, as defined in the Plan.

Risks and uncertainties: The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments have occurred since December 31, 2021, or will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.

Fish & Richardson Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Fish & Richardson Retirement Committee determines the Plan's valuation policies, utilizing information provided by the Plan's investment advisors, third-party administrator, and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments, and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Notes receivable from participants have been classified as an investment asset for Form 5500 reporting purposes and, accordingly, have been included as an investment in the supplemental schedule, Schedule H, line 4i—schedule of assets (held at end of year).

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Administrative expenses of the Plan are paid by either the Plan or the Firm, as provided in the plan document. Administrative expenses paid by the Firm are excluded from these financial statements. Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment results for such investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Plan-to-plan transfers: Upon change in status that makes the employee ineligible under the Fish & Richardson Associates' 401(k) Plan, the Plan Sponsor will direct a transfer of the affected employee's account balances from the Fish & Richardson Associates' 401(k) Plan to the Plan as soon as administratively possible. Upon attaining the age of 62, Fish & Richardson Cash Balance Plan account balances may be transferred into the Plan. As a result, the net plan-to-plan transfers are recorded in the statement of changes in net assets available for benefits. For the year ended December 31, 2021, net plan transfers received from the Fish & Richardson Associates' 401(k) Plan were \$1,309,523.

Plan termination: Although it has not expressed any intention to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions set forth in ERISA.

Note 2. Summary of Significant Accounting Policies (Continued)

Subsequent events: The Plan Administrator has evaluated subsequent events through July 25, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by the Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Charles Schwab Bank, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets:

	2021	2020
Registered investment companies	\$ 479,739,221	\$ 403,699,907
Common collective trust	50,399,277	48,981,698
Brokerage accounts	40,332,009	37,036,291
Interest-bearing cash	496,724	167,018
Notes receivable from participants	2,180,039	2,380,164

The trustee also certified to the completeness and accuracy of \$43,962,192 of net appreciation in the fair value of investments, \$29,226,752 of interest and dividend income relating to the aforementioned investments, and \$115,987 of interest income related to notes receivable from participants for the year ended December 31, 2021.

Note 4. Fair Value Measurements

Accounting standards provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability

Fish & Richardson Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Registered investment companies: Registered investment companies are valued at the quoted market prices of shares held by the Plan at year-end in the active market in which the individual securities are traded.

Common collective trust: The common collective trust is valued at the net asset value (NAV) of the units as reported by the investment manager at year-end. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Brokerage accounts: Brokerage accounts are made up of interest-bearing cash, certificates of deposit, common stock, investments in registered investment companies (mutual funds) and unit investment trusts. Interest-bearing cash is valued at cost plus accrued interest, which approximates fair value. Investments in registered investment companies, common stock and unit investment trusts are valued at the closing price reported in the active market in which the individual security is traded. Certificates of deposit are valued by discounting the related cash flows based on current year yields of similar instruments with comparable durations, considering the creditworthiness of the issuer.

Interest-bearing cash: Interest-bearing cash is valued at cost plus accrued interest, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments, at fair value, as of December 31, 2021 and 2020:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 479,739,221	\$ -	\$ -	\$ 479,739,221
Brokerage accounts	40,079,413	252,596	-	40,332,009
Interest-bearing cash	496,724	-	-	496,724
Total investments in the fair value hierarchy	<u>\$ 520,315,358</u>	<u>\$ 252,596</u>	<u>\$ -</u>	<u>520,567,954</u>
Investments measured at net asset value (a)				<u>50,399,277</u>
Total investments at fair value				<u><u>\$ 570,967,231</u></u>

	Investments at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 403,699,907	\$ -	\$ -	\$ 403,699,907
Brokerage accounts	36,625,703	410,588	-	37,036,291
Interest-bearing cash	167,018	-	-	167,018
Total investments in the fair value hierarchy	<u>\$ 440,492,628</u>	<u>\$ 410,588</u>	<u>\$ -</u>	<u>440,903,216</u>
Investments measured at net asset value (a)				<u>48,981,698</u>
Total investments at fair value				<u><u>\$ 489,884,914</u></u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net asset available for benefits.

The following table includes categories of investments where NAV is available as a practical expedient. There are no unfunded commitments for the investments below as of December 31, 2021 or 2020.

Investment	Fair Value as of December 31		Redemption Frequency	Redemption Notice Period
	2021	2020		
Common collective trust:				
Wells Fargo Stable Value Fund C	\$ 50,399,277	\$ 48,981,698	Daily	None

Notes to Financial Statements

Note 5. Tax Status

The Plan obtained its latest determination letter, dated January 11, 2018, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the requirements of the Code. The Plan Sponsor and Plan Administrator believe that the Plan is currently designed and is being operated in compliance with the applicable provisions of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6. Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are shares of registered investment companies (mutual funds) managed by affiliates of Charles Schwab Bank, the trustee, as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction in the return of each fund.

Note 7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020, to the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 577,114,979	\$ 496,084,047
Less notes receivable from participants treated as deemed distributions	(13,624)	(12,322)
Net assets available for benefits per the Form 5500	<u>\$ 577,101,355</u>	<u>\$ 496,071,725</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statement for the year ended December 31, 2021, to the Form 5500:

Net increase in net assets available for benefits per the financial statement	\$ 79,721,409
Plus prior-year notes receivable from participants treated as deemed distributions	12,322
Less current-year notes receivable from participants treated as deemed distributions	(13,624)
Total net income per the Form 5500	<u>\$ 79,720,107</u>
