Independent Auditor's Report

To the Trustees of
CLAAS Employees' Savings Plan
Omaha, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of CLAAS Employees' Savings Plan Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of their knowledge and belief.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CLAAS Employees' Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of the Plan

The following description of the CLAAS Employees' Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan covering substantially all employees of CLAAS of America Inc., CLAAS Omaha Inc., Nebraska Harvest Center Inc., and CLAAS Global Sales Americas, Inc. (collectively, the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

B. Contributions

Participants may contribute up to 100% of their pretax or after-tax annual compensation, as defined in the Plan, subject to certain Internal Revenue Code (IRC) limitations. Newly eligible participants are automatically enrolled in the Plan at a rate of 3% of compensation, unless a different election rate is requested by the participant. The Plan provides for an automatic increase of the default elective deferral rate on January 1 of each Plan year, in 1% increments, up to a maximum default elective deferral rate of 10% of compensation. Participants may also contribute amounts representing distributions from other qualified plans (rollover).

The Company may make a discretionary match each year. During 2021, the Company's discretionary match was 100% up to the first 2% of salary deferrals, and 50% for each additional percentage, up to a maximum of 6% match for a 10% salary deferral.

Additional amounts may be contributed for the profit-sharing contribution at the discretion of the Company. No such additional discretionary contributions were made for the year ended December 31, 2021.

Participants direct the investment of their contributions, as well as the Company's contributions, into various investment options offered by the Plan. Contributions are subject to certain limits set by the Internal Revenue Service.

C. Participant Accounts

Each participant's account is credited with the participant's contributions (including rollovers) and employer discretionary matching contributions, as well as allocations of Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Eligibility

Full-time employees are eligible to participate in the Plan after 30 days of service, or 1,000 hours of service if a part-time employee. Employees who meet these requirements and make salary deferrals will be eligible for the match contribution. Employees must be employed on the last day of the Plan year or have completed 500 hours of service during the Plan year to be eligible for the profit-sharing contribution.

CLAAS Employees' Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

E. Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Participants vest in Company matching and profit sharing contributions and related earnings thereon in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	50
3 or more	100

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest based on the prime interest rate plus one percentage point determined at the time the note is taken from the Plan. Principal and interest is paid ratably through regular payroll deductions. At December 31, 2021, the interest rates on the outstanding notes ranged from 4.25% to 6.50% and the notes mature between January 2022 and December 2026.

G. Payment of Benefits

Upon termination, if the participant's vested account balance exceeds \$5,000, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or installments over the life expectancy of the participant or of the participant and his or her designated beneficiary. If the participant's account balance is less than \$5,000, the Plan can automatically cash out the account at the participant's termination in the form of a lump-sum distribution. In-service withdrawals are allowed in the case of hardship or when a participant has attained age 59 ½.

H. Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$27,016 and \$20,132, respectively. The balance of forfeited accounts may be applied as a reduction to administrative expenses, which would otherwise be due, and/or reduce Company contributions. During the year ended December 31, 2021, \$11,270 of forfeitures were used to reduce Company contributions. Subsequent to year end, \$16,693 of forfeitures were used to reduce Company contributions related to 2021.

(2) Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

CLAAS Employees' Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes are recorded as distributions based on the terms of the Plan document.

E. Payments of Benefits

Benefit payments to participants are recorded when paid.

F. Administrative Expenses

Administrative fees and expenses of operating and maintaining the Plan may be paid out of the Plan's assets unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

G. Subsequent Events

The Plan has evaluated subsequent events through July 20, 2022, the date the financial statements were available to be issued.

(3) Information Certified by Reliance Trust Company

The following is a summary of the Plan asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Reliance Trust Company.

The Plan Administrator has obtained a certification from Reliance Trust Company that information provided to the Plan Administrator related to the following information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets.

Reliance Trust Company certified to the completeness and accuracy of \$46,186,136 and \$39,713,088 of investments as of December 31, 2021 and 2020, respectively; \$263,123 and \$308,983 of notes receivable from participants as of December 31, 2021 and 2020, respectively; \$2,614,489 of net appreciation in fair value of investments, \$2,845,686 of interest and dividend income, as well as \$13,992 of interest income on notes receivable from participants for the year ended December 31, 2021.

(4) Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation methodologies used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – The fair values of these securities are based on quoted market prices of shares held by the Plan at year end.

Self-directed brokerage accounts – These accounts consist of common stocks, mutual funds, unit investment trusts, and cash, all of which are valued at fair value based on quoted market prices of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020.

December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 43,008,415	--	--	43,008,415
Self-directed brokerage accounts	359,769	--	--	359,769
Total investments at fair value	\$ 43,368,184	--	--	43,368,184

December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 37,470,049	--	--	37,470,049
Self-directed brokerage accounts	280,168	--	--	280,168
Total investments at fair value	\$ 37,750,217	--	--	37,750,217

(5) Fully Benefit-Responsive Investment Contract

The Plan has a traditional fully benefit-responsive guaranteed investment contract with Empower Retirement (Empower) totaling \$2,817,952 and \$1,962,871 as of December 31, 2021 and 2020, respectively.

The contract consists of a market value separate account investment option with a general investment account guarantee that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market. Under the terms of the group annuity contract, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balance in the investment option at contract value.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals or transfers.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The guaranteed interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Under the terms of the existing contract, the crediting rate is currently reset on a quarterly basis.

Certain events may limit the ability of the Plan to transact at contract value. Such events include but may not be limited to the following: (1) the complete or partial termination of the Plan; (2) the establishment or activation of, or material change in, any Plan investment fund, or (3) an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. These events are not probable of occurring.

(6) Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

(7) Party-in-Interest Transactions

On December 31, 2020, Empower Retirement (Empower) acquired the retirement plan and group insurance business of MassMutual. Following an initial transition period, Empower Retirement will become the sole administrator of the retirement business acquired from MassMutual. Through this transaction, group insurance business written by MassMutual is reinsured by Great-West Life & Annuity Insurance Company (GWLA). Empower refers to the products and services offered by GWLA and its subsidiaries, including Empower Retirement, LLC; GWFS Equities, Inc.; and registered investment advisers Advised Assets Group, LLC and Personal Capital Advisors Corporation. GWFS Equities, Inc. is the distributor of the MassMutual insurance products sold on Empower's platform. Empower is not affiliated with MassMutual or its affiliates.

Certain Plan investments are shares of mutual funds managed by Empower, the record-keeper of the Plan; as such, these transactions qualify as exempt party-in-interest transactions. Additionally, the Plan has a number of service providers which qualify as parties-in-interest. Fees paid by the Plan to parties-in-interest amounted to \$172,612 for the year ended December 31, 2021.

(8) Tax Status

The Plan has adopted a volume submitter plan document. The volume submitter plan has received an advisory letter from the Internal Revenue Service, dated March 31, 2014, as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
