INDEPENDENT AUDITORS' REPORT

To the Trustees of
Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan
Clarence, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Dynabrade, Inc. Profit Sharing/401(k) Savings and Retirement Plan (“the Plan”) provides only general information. Participants should refer to the Plan document for a complete description of the Plan’s provisions.

General – The Plan is a defined contribution profit sharing plan covering all full-time employees of the plan sponsor, Dynabrade, Inc. (“the Company”), who have completed ninety days of service and are age 21 or older. When eligible, employees are automatically enrolled with a 6% pre-tax deferral amount. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective March 27, 2020 (the “Effective Date”), the Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) which provided economic relief to plan sponsors and participants of employee benefit plans. The provisions adopted by the Plan are described in further detail below. The Plan has not been formally amended for the adoption of these provisions, however, under the CARES Act, the Plan must be formally amended by December 31, 2022. The Plan was amended and restated effective November 1, 2021, to include Manth Mfg, Inc., a subsidiary of the Company, as an adopting employer.

Contributions – Participants may elect to contribute up to 100% of their eligible compensation on an after-tax basis, or if elected by the participant, on a pre-tax basis up to the maximum annual limitations as provided by the Internal Revenue Code (“IRC”). Additionally, participants age 50 or older can elect to make a catch-up contribution limited to the amount imposed by law. Company contributions are at the discretion of the Company’s Board of Directors. Participants are eligible for discretionary contributions once they have completed at least twelve months of service and are age 21 or older. The Company did not make any discretionary contributions for the year ended December 31, 2021.

Participant Accounts – Separate accounts are maintained for each participant. Each participant’s account is credited with the participant’s contributions and withdrawals, as applicable, and an allocation of (a) the Company’s discretionary contributions and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting and Forfeitures – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s discretionary contribution portion of their accounts plus actual earnings thereon is based on years of credited service. A participant is 100% vested after six years of credited service. Forfeitures arising under the Plan may first be used to pay administrative expenses of the Plan which would otherwise be paid by the Company and then used to reduce the Company’s discretionary contribution. There were \$1,900 of forfeitures available at December 31, 2021. There were no forfeitures available at December 31, 2020.

1. DESCRIPTION OF THE PLAN (continued)

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$49,999 or 50% of their vested account balance. As of the Effective Date participants may borrow up to the lesser of \$100,000, or the participant's vested balance, between the Effective Date and September 30, 2020. In addition, all outstanding loans on or after the Effective Date may have repayment delayed from the Effective Date through December 31, 2021, for up to one year. Note transactions are treated as a transfer between the investment fund and the note receivable. Note terms range from 1 to 5 years. The notes are secured by the balance in the participants account and bear interest at the prime rate of interest prevailing as of the date of the loan. Principal and interest are paid ratably through regular payroll deductions. The interest rates on outstanding loans range between 3.25% and 5.50% at December 31, 2021. Notes receivable from participants amounted to \$257,332 and \$318,378 as of December 31, 2021 and 2020, respectively.

Payment of Benefits – On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over various terms.

Withdrawals and Distributions – Participating employees may make financial hardship withdrawals up to the value of their vested employee contributions. In addition, the Plan allows for in-service withdrawals for employees who attain the age of 59 ½. As of the Effective Date participants may also take a coronavirus-related distribution of up to \$100,000, but limited to their total account balance, from their account through December 31, 2021, without incurring a 10% early withdrawal penalty. Coronavirus-related distributions may be repaid within three years to avoid Federal income taxes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual method of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Units of pooled separate accounts are valued based on the net asset values of units held by the Plan. Investments in guaranteed interest accounts are not considered benefit responsive and as such are stated at fair value, as determined by the custodian based on stated interest rates. The collective investment trust accounts are valued based on the net asset value of units held by the Plan at year end. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest is recorded on the accrual basis. Net appreciation in fair value of investments includes unrealized and realized gains and losses on investments that were held or sold during the year.

Payment of Benefits – Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events – Management of the Plan has evaluated the effects of all subsequent events through July 28, 2022, the date which the financial statements were available to be issued, to determine if events or transactions occurring through that date require potential adjustment or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

The Plan has established standards for determining the fair value of assets and liabilities which are subject to reporting at fair value. These standards establish a hierarchy for the determination of fair value, as well as disclosure requirements relative to those assets and liabilities. The hierarchy identifies three levels of inputs as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at the net asset value (NAV) of shares held by the Plan at year end which is a reasonable estimate of fair value as the pooled separate accounts invest in publically quoted mutual funds. The pooled separate accounts generally have no redemption restrictions or unfunded capital commitments.

Collective Investment Trust Accounts: Valued based on the NAV of units held by the Plan at year end. The collective investment trust accounts generally have no redemption restrictions or unfunded capital commitments.

Guaranteed Interest Accounts: The guaranteed interest accounts are not fully benefit-responsive and are accordingly valued at fair value which represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates.

3. FAIR VALUE MEASUREMENTS (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

The Plan uses fair value measurements to record fair value adjustments to certain assets and to determine fair value disclosures (as discussed in Note 2). The following table sets forth, by level within the fair value hierarchy, the Plan's assets that are measured at fair value as of December 31, with the exception of the pooled separate accounts and the collective investment trust accounts, which are measured at fair value using the NAV practical expedient. The fair value for the pooled separate accounts and the collective investment trust accounts is provided below to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

			Current Rate on 12/31/20	0.61 – 0.75%

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of any termination of the Plan, or upon complete or partial discontinuance of contributions, the accounts of each affected participant shall become fully vested.

5. TAX STATUS

The Plan is utilizing a prototype plan, which received a favorable determination letter from the Internal Revenue Service (“IRS”) stating that the Plan is qualified under applicable sections of the IRC and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualifications. The Plan was amended subsequent to the IRS determination letter. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan and the related trust are tax exempt.

6. CUSTODIAN CERTIFICATION

The following is a summary of the unaudited information regarding the Plan as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included in the Plan’s financial statements and supplemental schedule, that was prepared by or derived from information prepared by the Principal Life Insurance Company (“Principal”), the custodian of the Plan, and furnished to the plan administrator. The plan administrator has obtained certification from Principal that such information is complete and accurate as follows:

	2021	2020
a. Statements of Net Assets Available for Benefits:		
Investments, at fair value	\$29,912,159	\$ 28,301,928
b. Statement of Changes in Net Assets Available for		
Benefits – Investment income:		
Net appreciation in fair value of investments	\$ 4,109,861	
Interest earned on investments	974	

6. CUSTODIAN CERTIFICATION (continued)

- c. Fair value of the investments reported in Note 3, with the exception of the classification of investments within the fair value hierarchy.
- d. Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year) except for notes receivable from participants.

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are units of pooled separate accounts, collective investment trust accounts, and guaranteed interest accounts managed by Principal. As Principal is the Plan custodian as defined by the Plan document, these transactions qualify as party-in-interest transactions.
