INDEPENDENT AUDITORS' REPORT

To the Trustee of
the *Electric Services, Inc. 401(K) Retirement Plan*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of *Electric Services, Inc. 401(K) Retirement Plan*, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of *Electric Services, Inc. 401(K) Retirement Plan*'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of *Electric Services, Inc. 401(K) Retirement Plan* and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *Electric Services, Inc. 401(K) Retirement Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *Electric Services, Inc. 401(K) Retirement Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *Electric Services, Inc. 401(K) Retirement Plan*'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at the End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Trustee of
the *Electric Services, Inc. 401(K) Retirement Plan*

We were engaged to audit the accompanying statement of net assets available for benefits of *Electric Services, Inc. 401(K) Retirement Plan* as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that John Hancock Life Insurance Company (U.S.A.) holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ELECTRIC SERVICES, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021 AND AS OF DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of *Electric Services, Inc. 401(K) Retirement Plan* (the “Plan”) provides only general information. Participants should refer to the plan agreement and the summary plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of *Electric Services, Inc.* (the “Company”). Substantially all employees of the Company are eligible to participate in the Plan subject to the eligibility criteria discussed below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was originally effective January 1, 1995 and has been amended and restated in its entirety as of January 1, 2021.

Eligibility and Contributions

Employees are eligible to participate in the Plan after completion of one year of service during which the employee is credited with at least 1,000 hours of service and are age twenty-one or older. Eligible employees may commence participation in the Plan beginning either January 1 or July 1 following the date in which eligibility requirements are met.

Each year the Company may make discretionary matching contributions to the Plan. Additionally, the Company, at its discretion, may make a profit-sharing contribution to the Plan. For 2021, the Company’s Board of Directors elected to contribute 50% of the first \$4,000 contributed by participants, for a maximum employer match of \$2,000 per participant, to the Plan. For 2020, the Company’s Board of Directors elected to contribute 50% of the first \$6,000 contributed by participants, for a maximum employer match of \$3,000 per participant, to the Plan. Each year participants may contribute a percentage of their pretax annual compensation, as defined in the Plan, up to the limit established by law. Participants may also contribute amounts representing distributions from other qualified plans. Eligible participants under the Plan who have attained the age of 50 before the close of the Plan year are permitted to make catch-up contributions subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings or losses, net of fees. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant’s account.

Vesting

A Participant’s interest in that portion of the account attributable to voluntary contributions, plus earnings thereon, is fully vested at all times. Vesting on the participant’s interest in the discretionary employer matching and profit-sharing contribution allocations is based on years of service, and is 20% vested after 1 year, 40% vested after 2 years, 60% vested after 3 years, 80% vested after 4 years, and 100% vested after five years. The Plan also provides for the full vesting of all portions of a participant’s account upon attaining early retirement age, total and permanent disability, or death.

AND AS OF DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN - continued

Funding Policy

Since the principal purpose of the Plan is to provide benefits at normal retirement age, the principal goal of the investment of the funds in the Plan is both security and long-term stability with moderate growth commensurate with the anticipated retirement dates of participants. Investments, other than “fixed dollar” investments, are included among the Plan’s investments to prevent erosion by inflation. However, investments are sufficiently liquid to enable the Plan, on short notice, to make distributions in the event of the death or disability of a participant.

The Plan allows for in-service withdrawals provided the participant is at least 59 ½ years old and fully vested. Hardship withdrawals are allowed from the employee contributions portion of a participant’s account up to the lesser of 100% of total employee contributions or their immediate and heavy financial need. All contributions to the participant’s account are suspended for at least six months following the receipt of a hardship distribution.

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions and their allocation of employer contributions among numerous investment options. These options may be changed at any time by participants via telephone or internet.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at rates ranging from 5.25% to 7.50%, which is equal to 2% plus the prime rate at the time the loan was granted. Principal and interest are paid ratably through payroll deductions. No loans less than \$1,000 will be made, and participants are allowed to have no more than two loans outstanding at a time.

Payment of Benefits

On termination of service for any reason, a participant may receive a lump sum amount equal to the value of the participant’s vested interest in his or her account. The Plan allows automatic distribution of vested account balances less than \$5,000 for terminated participants.

Forfeited Accounts

Forfeitures are first applied to offset Plan expenses and then used to reduce employer matching contributions or enhance employer profit sharing contributions. At December 31, 2021 and 2020, there were \$8,442 and \$10,509 in forfeited amounts available to be applied according to these provisions, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting whereby income is recognized when earned and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan sponsor. Administrative expenses represent fees paid to the third-party administrator for services rendered in managing the Plan.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 FAIR VALUE MEASUREMENTS

Authoritative guidance in conformity with accounting principles generally accepted in the United States of America, establishes a framework for measuring certain assets and liabilities at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The guidance establishes three levels of the fair value hierarchy as follows:

- Level 1 Inputs to the valuation methodology are quoted prices for identical securities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are other observable inputs, including quoted prices for similar securities, interest rates, credit risk, etc., that are determined for an asset, either directly or indirectly, based on independent market data.
- Level 3 Inputs to the valuation methodology are significant unobservable inputs.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Pooled Separate Accounts: Pooled separate accounts are valued based on the quoted net asset value of the underlying mutual funds held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level within the fair value hierarchy, the Plan's investments at fair value as of:

	Fair Value Measurements Using			Total
	Level 1	Level 2	Level 3	
<u>December 31, 2021</u>				
Investments:				
Pooled separate accounts	\$6,609,922	\$ -	\$ -	\$6,609,922
Total investments at fair value	<u>\$6,609,922</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,609,922</u>
<u>December 31, 2020</u>				
Investments:				
Pooled separate accounts	\$5,932,972	\$ -	\$ -	\$5,932,972
Total investments at fair value	<u>\$5,932,972</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$5,932,972</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

NOTE 4 INVESTMENTS

Plan investments are stated at fair value and include funds managed by the John Hancock Life Insurance Company (USA) ("John Hancock") totaling \$6,609,922 and \$5,932,972 at December 31, 2021 and 2020, respectively.

Plan investments in pooled separate accounts at December 31, 2021 and 2020 are uninsured and fully at risk of loss. Notes receivable from participants in the amount of \$505,084 and \$506,093 at December 31, 2021 and 2020, respectively, are 100% secured by the participant account balances.

NOTE 5 RELATED PARTY TRANSACTIONS

As of December 31, 2021 and 2020, the pooled separate accounts include mutual funds and participant loans managed by John Hancock. Since John Hancock is a related party, the transactions qualify as party-in-interest. Fees charged by John Hancock for providing custodian services are paid by the Plan and are netted with appreciation in the pooled separate accounts.

**FOR THE YEAR ENDED DECEMBER 31, 2021
AND AS OF DECEMBER 31, 2021 AND 2020**

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 TAX STATUS

Effective January 1, 2021, the Plan was restated in its entirety. The Plan utilizes a standardized prototype plan sponsored by National Retirement Services, Inc. The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 8 INFORMATION CERTIFIED BY THE CUSTODIAN

The following is a summary of the unaudited information regarding the Plan used in the preparation of the Plan's financial statements and supplemental schedule that was prepared by the custodian of the Plan and furnished to the Plan administrator. The Plan administrator has obtained a certification from the custodian that the following information is complete and accurate as of December 31:

	<u>2021</u>	<u>2020</u>
Investments, at Fair Value:		
Pooled separate accounts	\$6,609,922	\$5,932,972
Cash	\$ 8,442	\$ 10,509
Notes receivable from participants	\$ 505,084	\$ 506,093
Other liabilities	\$ (244)	\$ -

In addition, the custodian has also certified that the information included in the Schedule of Assets (Held at End of Year) is complete and accurate. The certification covers both assets and liabilities.

NOTES TO FINANCIAL STATEMENTS

**FOR THE YEAR ENDED DECEMBER 31, 2021
AND AS OF DECEMBER 31, 2021 AND 2020**

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition or disclosure through July 22, 2022, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT

To the Trustee of
the *Electric Services, Inc. 401(K) Retirement Plan*

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of *Electric Services, Inc. 401(K) Retirement Plan*, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of *Electric Services, Inc. 401(K) Retirement Plan*'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of *Electric Services, Inc. 401(K) Retirement Plan* and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *Electric Services, Inc. 401(K) Retirement Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *Electric Services, Inc. 401(K) Retirement Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *Electric Services, Inc. 401(K) Retirement Plan*'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at the End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT

To the Trustee of
the *Electric Services, Inc. 401(K) Retirement Plan*

We were engaged to audit the accompanying statement of net assets available for benefits of *Electric Services, Inc. 401(K) Retirement Plan* as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that John Hancock Life Insurance Company (U.S.A.) holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020 that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

ELECTRIC SERVICES, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021 AND AS OF DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN

The following description of *Electric Services, Inc. 401(K) Retirement Plan* (the “Plan”) provides only general information. Participants should refer to the plan agreement and the summary plan description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of *Electric Services, Inc.* (the “Company”). Substantially all employees of the Company are eligible to participate in the Plan subject to the eligibility criteria discussed below. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was originally effective January 1, 1995 and has been amended and restated in its entirety as of January 1, 2021.

Eligibility and Contributions

Employees are eligible to participate in the Plan after completion of one year of service during which the employee is credited with at least 1,000 hours of service and are age twenty-one or older. Eligible employees may commence participation in the Plan beginning either January 1 or July 1 following the date in which eligibility requirements are met.

Each year the Company may make discretionary matching contributions to the Plan. Additionally, the Company, at its discretion, may make a profit-sharing contribution to the Plan. For 2021, the Company’s Board of Directors elected to contribute 50% of the first \$4,000 contributed by participants, for a maximum employer match of \$2,000 per participant, to the Plan. For 2020, the Company’s Board of Directors elected to contribute 50% of the first \$6,000 contributed by participants, for a maximum employer match of \$3,000 per participant, to the Plan. Each year participants may contribute a percentage of their pretax annual compensation, as defined in the Plan, up to the limit established by law. Participants may also contribute amounts representing distributions from other qualified plans. Eligible participants under the Plan who have attained the age of 50 before the close of the Plan year are permitted to make catch-up contributions subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings or losses, net of fees. Allocations are based on participant earnings or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant’s account.

Vesting

A Participant’s interest in that portion of the account attributable to voluntary contributions, plus earnings thereon, is fully vested at all times. Vesting on the participant’s interest in the discretionary employer matching and profit-sharing contribution allocations is based on years of service, and is 20% vested after 1 year, 40% vested after 2 years, 60% vested after 3 years, 80% vested after 4 years, and 100% vested after five years. The Plan also provides for the full vesting of all portions of a participant’s account upon attaining early retirement age, total and permanent disability, or death.

AND AS OF DECEMBER 31, 2021 AND 2020

NOTE 1 DESCRIPTION OF PLAN - continued

Funding Policy

Since the principal purpose of the Plan is to provide benefits at normal retirement age, the principal goal of the investment of the funds in the Plan is both security and long-term stability with moderate growth commensurate with the anticipated retirement dates of participants. Investments, other than “fixed dollar” investments, are included among the Plan’s investments to prevent erosion by inflation. However, investments are sufficiently liquid to enable the Plan, on short notice, to make distributions in the event of the death or disability of a participant.

The Plan allows for in-service withdrawals provided the participant is at least 59 ½ years old and fully vested. Hardship withdrawals are allowed from the employee contributions portion of a participant’s account up to the lesser of 100% of total employee contributions or their immediate and heavy financial need. All contributions to the participant’s account are suspended for at least six months following the receipt of a hardship distribution.

Investment Options

Upon enrollment in the Plan, a participant may direct their contributions and their allocation of employer contributions among numerous investment options. These options may be changed at any time by participants via telephone or internet.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant’s account and bear interest at rates ranging from 5.25% to 7.50%, which is equal to 2% plus the prime rate at the time the loan was granted. Principal and interest are paid ratably through payroll deductions. No loans less than \$1,000 will be made, and participants are allowed to have no more than two loans outstanding at a time.

Payment of Benefits

On termination of service for any reason, a participant may receive a lump sum amount equal to the value of the participant’s vested interest in his or her account. The Plan allows automatic distribution of vested account balances less than \$5,000 for terminated participants.

Forfeited Accounts

Forfeitures are first applied to offset Plan expenses and then used to reduce employer matching contributions or enhance employer profit sharing contributions. At December 31, 2021 and 2020, there were \$8,442 and \$10,509 in forfeited amounts available to be applied according to these provisions, respectively.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statement Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting whereby income is recognized when earned and expenses are recognized when incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan sponsor. Administrative expenses represent fees paid to the third-party administrator for services rendered in managing the Plan.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 FAIR VALUE MEASUREMENTS

Authoritative guidance in conformity with accounting principles generally accepted in the United States of America, establishes a framework for measuring certain assets and liabilities at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The guidance establishes three levels of the fair value hierarchy as follows:

- Level 1 Inputs to the valuation methodology are quoted prices for identical securities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology are other observable inputs, including quoted prices for similar securities, interest rates, credit risk, etc., that are determined for an asset, either directly or indirectly, based on independent market data.
- Level 3 Inputs to the valuation methodology are significant unobservable inputs.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value:

Pooled Separate Accounts: Pooled separate accounts are valued based on the quoted net asset value of the underlying mutual funds held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 FAIR VALUE MEASUREMENTS - continued

The following table sets forth by level within the fair value hierarchy, the Plan's investments at fair value as of:

	Fair Value Measurements Using			Total
	Level 1	Level 2	Level 3	
<u>December 31, 2021</u>				
Investments:				
Pooled separate accounts	<u>\$6,609,922</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,609,922</u>
Total investments at fair value	<u>\$6,609,922</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$6,609,922</u>
<u>December 31, 2020</u>				
Investments:				
Pooled separate accounts	<u>\$5,932,972</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$5,932,972</u>
Total investments at fair value	<u>\$5,932,972</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$5,932,972</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation in fair value of investments.

NOTE 4 INVESTMENTS

Plan investments are stated at fair value and include funds managed by the John Hancock Life Insurance Company (USA) ("John Hancock") totaling \$6,609,922 and \$5,932,972 at December 31, 2021 and 2020, respectively.

Plan investments in pooled separate accounts at December 31, 2021 and 2020 are uninsured and fully at risk of loss. Notes receivable from participants in the amount of \$505,084 and \$506,093 at December 31, 2021 and 2020, respectively, are 100% secured by the participant account balances.

NOTE 5 RELATED PARTY TRANSACTIONS

As of December 31, 2021 and 2020, the pooled separate accounts include mutual funds and participant loans managed by John Hancock. Since John Hancock is a related party, the transactions qualify as party-in-interest. Fees charged by John Hancock for providing custodian services are paid by the Plan and are netted with appreciation in the pooled separate accounts.

AND AS OF DECEMBER 31, 2021 AND 2020**

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 7 TAX STATUS

Effective January 1, 2021, the Plan was restated in its entirety. The Plan utilizes a standardized prototype plan sponsored by National Retirement Services, Inc. The IRS has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 8 INFORMATION CERTIFIED BY THE CUSTODIAN

The following is a summary of the unaudited information regarding the Plan used in the preparation of the Plan's financial statements and supplemental schedule that was prepared by the custodian of the Plan and furnished to the Plan administrator. The Plan administrator has obtained a certification from the custodian that the following information is complete and accurate as of December 31:

	<u>2021</u>	<u>2020</u>
Investments, at Fair Value:		
Pooled separate accounts	\$6,609,922	\$5,932,972
Cash	\$ 8,442	\$ 10,509
Notes receivable from participants	\$ 505,084	\$ 506,093
Other liabilities	\$ (244)	\$ -

In addition, the custodian has also certified that the information included in the Schedule of Assets (Held at End of Year) is complete and accurate. The certification covers both assets and liabilities.

NOTES TO FINANCIAL STATEMENTS

**FOR THE YEAR ENDED DECEMBER 31, 2021
AND AS OF DECEMBER 31, 2021 AND 2020**

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition or disclosure through July 22, 2022, which is the date the financial statements were available to be issued.
