INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
the A.M.A. Nantucket, Inc. 401(k) Plan

Opinion

We have audited the accompanying financial statements of A.M.A. Nantucket, Inc. 401(k) Plan Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of A.M.A. Nantucket, Inc. 401(k) Plan Employee Benefit Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of A.M.A. Nantucket, Inc. 401(k) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about A.M.A. Nantucket, Inc. 401(k) Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the A.M.A. Nantucket, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about A.M.A. Nantucket, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule H, Part IV, Line 4i (Assets Held the End of the Year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

A.M.A. NANTUCKET, INC. 401(k) PLAN
Notes to Financial Statements
For the years ended December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN:

The following description of the A.M.A. Nantucket, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a volume submitter profit sharing plan, covering all full-time employees once they have completed ninety (90) days of employment and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor ("Company") is responsible for oversight of the Plan.

Contributions

Each year, participants may contribute up to the maximum allowable of pretax annual compensation, as defined in the Plan. The maximum contribution limit was \$19,500 per participant for both years. An additional contribution of \$6,500 was allowed for participants over the age of 50 for both years. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. The Plan currently offers various mutual funds as investment options for participants. The Plan includes auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with default deferral rate set at 2% of eligible compensation. Contributions are automatically invested in a designated balance fund until changed by the participant. The Company's discretionary matching contribution is equal to a uniform percentage of each participant's deferred compensation and determined each year. For the years ended December 31, 2021 and 2020, the Company's matching contributions is equal to 50 percent, up to 6 percent of each participant's compensation.

Participant Accounts

All participant accounts are participant directed. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. For the years ended December 31, 2021 and 2020 the Company made contributions to the Plan of \$191,268 and \$183,796 respectively.

Notes Receivable from Participant

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the Participant's account and bear interest at rates which are commensurate with local prevailing rates. All loans have a definite repayment period which provides for payments to be made not less frequently than quarterly, and for the loan to be amortized on a level basis over a reasonable period of time, not to exceed five (5) years. Loans used to acquire a principal residence may be repaid over a reasonable period of time that may be longer than five (5) years. Principal and interest is paid ratably through payroll deductions.

NOTE A - DESCRIPTION OF PLAN (continued):

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The vesting schedule for matching contributions is as follows:

<u>Years of Service</u>	<u>Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a ten year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$65 and \$9,265, respectively. These accounts will be used to reduce future employer contributions. Also, in 2021, employer contributions were reduced by \$ 10,502 from forfeited nonvested accounts.

NOTE B-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investments held by defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

A.M.A. NANTUCKET, INC. 401(k) PLAN
Notes to Financial Statements
For the years ended December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Notes Receivable from Participant

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan determines the plan's valuation policies utilizing information provided by the investment advisers and custodians. See *Note E* for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year .

Expenses

Certain expenses of the plan are paid directly by the Company and are excluded from this financial statements. Fees related to investment services and administration of distributions, loans and domestic related orders are deducted directly from participant's investment return or charged directly to the participant's account. All fees are included in administrative expenses on the statement of changes in net assets available for benefits . For the years ended December 31, 2021 and 2020 the Plan incurred and paid administrative expenses of \$66,241 and \$54,194, respectively.

Payment of Benefits

Benefits are recorded when paid.

NOTE C - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contribution portion of their accounts.

NOTE D - TAX STATUS:

The plan adopted a volume submitter profit sharing plan sponsored by the Angell Pension Group, Inc., the Third Party Administrator. That plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the Plan and related trust, as then designated, are in compliance with applicable requirements of the Internal Revenue Code (IRC). There have been no amendments to the Plan's adoption agreement since the receipt of the latest opinion letter.

A.M.A. NANTUCKET, INC. 401(k) PLAN
Notes to Financial Statements
For the years ended December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued):

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE E - FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2021 and 2020.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,932,332	\$ -	\$ -	\$ 11,932,332
Total assets at fair value	<u>\$ 11,932,332</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,932,332</u>

A.M.A. NANTUCKET, INC. 401(k) PLAN
Notes to Financial Statements
For the years ended December 31, 2021 and 2020

NOTE E - FAIR VALUE MEASUREMENTS (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 10,301,657	\$ -	\$ -	\$ 10,301,657
Total assets at fair value	<u>\$ 10,301,657</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,301,657</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers of investments into or out of Level 3.

NOTE F - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan has a fully benefit-responsive guaranteed investment contract with Great West Life and Annuity Insurance Company (Great West) and maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay principal and a specified interest rate that is guaranteed to the plan.

Because the guaranteed investment contract is fully benefit responsive, contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the net assets available of net assets available for plan benefits at fair value. Contract value, as reported to the plan by Great West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the issuer or otherwise. The fair value of the investment contract at December 31, 2021 and 2020 was \$346,981 and \$201,381, respectively. The guaranteed interest rate is 1.00%.

A.M.A. NANTUCKET, INC. 401(k) PLAN
Notes to Financial Statements
For the years ended December 31, 2021 and 2020

NOTE F - GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued):

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions (3) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974, as amended. The administrator believes that any event that would limit the plan's ability to transact at contract value with participants are not probable of occurring.

The guaranteed investment contract does not permit the insurance entity to terminate the agreement prior to the scheduled maturity date.

NOTE G - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE H - RELATED PARTY TRANSACTIONS:

Certain Plan investments are managed by Empower Retirement Service effective March 1, 2020, Empower Retirement service is the Trustee and record-keeper for the Plan. Effective January 1, 2020 through February 29, 2020 Professional Capital Services provided certain administrative services to the Plan. Therefore, transactions between the Plan and Professional Capital Services and Empower Retirement Service qualify as party in interest transactions. Fees paid by the Plan for record-keeping, assets and investment management services amounted to \$66,241 and \$54,194 in 2021 and 2020, respectively.

NOTE I - EVALUATION OF SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through July 28, 2022 the date the financial statements were available to be issued. Management has evaluated the impact of the COVID-19 pandemic and has concluded that while it is reasonably possible that the virus could have a negative effect on the Plan financial position and results of operations, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.
