June 27, 2022

To the Trustees of
Northwestern Medical Center, Inc. 403(b) Plan
St. Albans, Vermont

We have audited the financial statements of Northwestern Medical Center, Inc. 403(b) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we will issue our report thereon dated June 27, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated March 2, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. Management estimates the fair value of Plan investments using quoted market prices in an active market. Due to the level of risk associated with certain investment securities, it

is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no misstatements detected as a result of audit procedures.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 27, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Trustees and management of Northwestern Medical Center, Inc. 403(b) Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

McSoley McCoy & Co.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation Statement

Mutual fund investments of the plan (whether direct or indirect through a separate investment account) may have soft dollar arrangements pursuant to which the investment advisor or sub-advisor to the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services, other than just trade execution. For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.

To the Trustees of
Northwestern Medical Center, Inc. 403(b) Plan
St. Albans, Vermont

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Northwestern Medical Center, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

As further discussed in Note 2(h) to the financial statements, the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans, allows the Plan to exclude from these financial statements certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, and the related income and distributions.

Prior to 2009, annuity and custodial accounts of the Plan were maintained as individual accounts and were not combined for plan level reporting. As a result, the Plan's books and records may exclude certain accounts entered into prior to January 1, 2009. U.S. generally accepted accounting principles require that these accounts and the related income and distributions be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America (GAAS) and to issue an auditors' report. However, because of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial

statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to, and we do not, express an opinion on the supplemental schedule referred to above.

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for plan benefits of the Plan as of December 31, 2020 and the related statement of changes in net assets available for plan benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution.

As described in Note 2(h) to the financial statements, the Department of Labor's Field Assistance Bulletin No. 2009-02, Annual Reporting Requirements for 403(b) Plans, allows the Plan to exclude from these financial statements certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, and the related income and distributions. Prior to 2009, annuity and custodial accounts of the Plan were maintained as individual accounts and were not combined for plan level reporting. As a result, the Plan's books and records may exclude certain accounts entered into prior to January 1, 2009. U.S. generally accepted accounting principles require that these accounts and the related income and distributions be included in the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable.

Our audit report, dated July 13, 2021, indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements.

Northwestern Medical Center, Inc. 403(b) Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of the Northwestern Medical Center, Inc. 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

(a) General – The Plan is a defined contribution plan covering all employees of Northwestern Medical Center, Inc. (the “Hospital”). An employee is eligible to become a participant on their first day of employment with the Hospital. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted November 1, 1995. The custodian of the Plan is Reliance Trust Company and the recordkeeper is Empower Retirement.

(b) Contributions – Each year, participants may contribute up to 100% of annual compensation, as defined in the Plan, subject to annual Internal Revenue Service (IRS) limits. Participants who attain the age of 50 before the end of the plan year may make additional catch-up contributions, subject to IRS limits. Special catch-up contributions are allowed if a participant has been employed at the Hospital for over 15 years. Participants are permitted to rollover contributions from other qualified plans. The Plan has an automatic enrollment feature with a deferral rate of 2%. The automatic deferral amount will increase 1% each year up to a maximum of 4%.

The Hospital will match 50% of participants' elective deferrals up to 4%, for a maximum matching contribution rate of 2% of elective deferrals. There are no age or service requirements to receive the match. Effective July 1, 2020, the match is discretionary. Management decides each plan year how much, if any, will be made for the match.

(c) Participants Accounts – Each participant's account is credited with the participant's contribution, the Hospital match, and earnings thereon. Allocations of investment earnings are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting – Participants are immediately 100% vested in all contributions plus actual earnings thereon.

(e) Payment of Benefits – Upon termination of service due to death, disability, or retirement, a participant may elect to receive distributions equal to the value of the participant's vested interest in his or her account. These distributions may be a single lump-sum, annuity payments, or installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or installments, leave the funds in the Plan until retirement age, or transfer to a trustee of another qualified plan or individual retirement account. If the terminating employee's vested balance is less than \$5,000, it is mandatory that the Plan distribute the entire account balance in a single lump-sum payment.

In-service distributions are permitted by those participants who reach the age of 59½. A participant may withdraw rollover contributions at any time. Hardship withdrawals are permitted under the Plan.

Northwestern Medical Center, Inc. 403(b) Plan

Notes to Financial Statements

December 31, 2021 and 2020

Description of the Plan (continued)

- (f) Notes Receivable – Participants may borrow from their fund accounts a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at the prime interest rate plus 1%. The term of the loan may not exceed five years. Principal and interest is paid ratably through direct debit from the participants' bank accounts.
- (g) Forfeitures – The remaining balances of forfeited, nonvested accounts as of December 31, 2021 and 2020 were \$430 and \$411, respectively. Forfeitures used to offset expenses were \$0 in 2021 and \$3,024 in 2020.

2. Summary of Accounting Policies

- (a) Basis of Accounting – The financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.
- (b) Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- (c) Risks and Uncertainties – The Plan invests in securities, which in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.
- (d) Investments – Investments are reported at their December 31, 2021 and 2020 quoted fair values in active markets. Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.
- (e) Payment of Benefits – Benefits are recorded when paid.
- (f) Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Notes to Financial Statements

December 31, 2021 and 2020

Summary of Significant Accounting Policies (continued)

- (g) Administrative Expenses – In general, administrative expenses are paid by the Plan. All other administrative expenses are paid by the Hospital.
- (h) Excluded Contracts and Accounts – The plan administrator has elected to exclude certain contracts and accounts from Plan assets in accordance with DOL FAB 2009-02 due to the fact that:
- The contract or account was issued to a current or former employee before January 1, 2009;
 - The employer ceased to have any obligation to make contributions (including employee salary reduction contributions), and in fact stopped making contributions to the contract or account before January 1, 2009;
 - All the rights under the contract or account are legally enforceable against the insurer or custodian by the individual owner of the contract or account without any involvement by the employer; and
 - The individual owner of the contract is fully vested in the contract or account.
- (i) Subsequent Events – The Plan evaluated subsequent events through June 27, 2022, the date the Plan's financial statements were available to be used.

3. Information Certified by the Custodian

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the schedule of assets held for investment purposes as of December 31, 2021, and the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

4. Party-in-Interest Transactions

The Plan has a number of service providers. Such parties are considered parties-in-interest under ERISA.

5. Plan Amendment and Termination

Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will remain 100% vested in their accounts.

Additionally, the Hospital may amend the Plan at any time without the consent of any participant or beneficiary, provided that no amendment deprives any participant of their accrued benefit.

6. Fair Value Measurements

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds – Valued at the daily closing price as reported by the fund. All mutual funds are classified as level 1. These funds totaled \$66,313,348 and \$58,642,842 at December 31, 2021 and 2020, respectively.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7. Investment Contract

The Plan has a fully-benefit responsive investment contract. The custodian maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value represents contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment option or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, (d) a material misrepresentation. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

8. Income Taxes

The Plan is based on a prototype plan that received a favorable opinion letter from the IRS dated March 31, 2017, indicating that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Income Taxes (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

9. Withdrawing Participants

There were no participant distributions requested in 2021, but not paid until 2022.

10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:
