To the Plan Trustees
Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan's internal control over financial reporting (internal control) as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan's internal control to be a significant deficiency:

Lack of knowledge of generally accepted accounting principles in certain disclosure and presentation areas. Historically, the Plan has relied on its outside accounting firm for guidance in these areas.

This communication is intended solely for the information and use of management, Plan Trustees, and others within the Plan, and is not intended to be and should not be used by anyone other than these specified parties.

July 31, 2022

To Mark Jones
Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan

We have audited the financial statements of Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit) for the year ended December 31, 2021, and we will issue our report thereon dated July 31, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fifth Third Institutional Services, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 17, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan are described in Note B to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Your estimate of the fair value measurements is based on FASB ASC 820-10. We evaluated the key factors and assumptions used to develop the fair value measurements in determining that it is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

The disclosure of fair value measurements in Note D to the financial statements. We used the suggested fair values and level inputs as given to us by Plan Management.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated July 31, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship, and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of Mark Jones and management of Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Independent Auditors' Report

To the Participants and Trustees of
Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosures under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosures under ERISA.

401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Miami Industrial Trucks, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan sponsored by Miami Industrial Trucks, Inc., (the Company and Plan Sponsor) and covers all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Under the terms of the Plan, covered employees are eligible to become participants on the first day of the first or seventh month of the Plan Year following or coincident with completion of at least 1,000 hours of service over one full year and upon reaching age 21. The two allowable entry dates are January 1 and July 1.

Contributions

- (a) *Participant's voluntary salary reductions.* Each participant's contribution may not exceed the Federal maximum amount pursuant to Section 402(g)(5) of the Internal Revenue Code.
- (b) *A discretionary employer-matching contribution.* The matching contribution, if any, will be determined each year by the Board of Directors of the Company at its sole discretion. The Plan provides that catch-up contributions will be treated like any other deferral for matching contribution purposes. Matching contributions of \$167,381 and \$150,683 were made during 2021 and 2020, respectively.
- (c) *A discretionary profit sharing contribution.* The profit sharing contribution, if any, will be determined each year by the Board of Directors of the Company, at its sole discretion. This amount will be allocated based on compensation of all participants eligible to share in the discretionary amount. Eligible employees must be employed on the last day of the Plan Year to receive the contribution for the year. Employees who become retired or deceased during the Plan Year are also eligible to receive the contribution. The Company accrued a discretionary profit sharing contribution of \$249,600 for 2021. There was no discretionary profit sharing contribution accrued in 2020.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of twenty-eight mutual fund or collective investment trust options.

Participant Accounts

Each participant's account is credited or charged with the above contributions, rollover contributions, Plan earnings, and Plan expenses.

Vesting

Participants become 100% vested in their account immediately upon participation.

Payment of Benefits

Benefits are recorded when paid. Upon termination of service, a participant may elect to receive:

- (a) A lump sum distribution equal to the value of their account,
- (b) Equal installments over a period not to exceed the participant's assumed life expectancy,
or
- (c) A joint and survivor annuity.

All involuntary distributions greater than \$1,000 and less than \$5,000 are paid as a direct rollover to an individual retirement plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan terms range from one to five years, and participants are limited to one loan at a time. The loans are secured by the balance in the participant's account balance and bear an interest rate equal to the prime rate plus 2%. Principal and interest is paid ratably through payroll deductions.

Basis of Accounting

The Plan prepares its financial statements using the accrual basis of accounting.

MIAMI INDUSTRIAL TRUCKS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

The Plan invests in investment contracts through a collective trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan Management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Fees

Trustee fees and administrative expenses are primarily paid by the Plan.

Amendments

Effective January 1, 2020, the Plan was amended to comply with final Internal Revenue Service (IRS) regulations regarding hardship distributions. Under the provisions of the amendment, participants are required to certify in writing or electronically, as a condition of receiving a hardship distribution, that they have insufficient cash or other liquid assets to satisfy the financial need. Participants are no longer required to suspend any contributions made to the Plan following the receipt of a hardship distribution. The amendment also expanded the list of expenses which qualify for a hardship distribution and expanded the amounts that can be withdrawn on account of a hardship to include earnings on a participant's salary deferral contributions and certain employer contributions.

MIAMI INDUSTRIAL TRUCKS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Amendments (Continued)

The Plan has implemented certain requirements from the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which are laws that change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

NOTE C - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fifth Third Institutional Services (the Trustee of the Plan).

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MIAMI INDUSTRIAL TRUCKS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Collective Investment Trust: The investments include a stable value fund. The fair values of participation units held in the stable value fund are based on NAV to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level within the fair value hierarchy the Plan's assets at fair value as of:

Assets at Fair Value as of December 31, 2021			
Level 1	Level 2	Level 3	Total
Investments measured at fair value:			
Mutual funds	\$ 9,481,402	\$ 0	\$ 0
Investments at net asset value:			
Collective investment trust*			740,916
Total investments at fair value			<u>\$10,222,318</u>

Assets at Fair Value as of December 31, 2020			
Level 1	Level 2	Level 3	Total
Investments measured at fair value:			
Mutual funds	\$ 8,500,652	\$ 0	\$ 0
Investments at net asset value:			
Collective investment trust*			708,009
Total investments at fair value			<u>\$ 9,208,661</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 and 2020

NOTE E - INCOME TAX STATUS

The prototype plan sponsor has obtained an opinion letter dated June 30, 2020, in which the Internal Revenue Service (IRS) stated that the restated prototype plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator timely adopted the restated prototype plan. The Plan has been amended and restated since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in accordance with the IRC. Therefore, no income taxes have been provided for in the financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE F - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

Due to differences in the methods used in the preparation of the Form 5500 and the financial statements, there are variances between amounts reported in the two documents. These differences relate to investment classifications, investment values, and employee and employer contribution receivables.

The following is a reconciliation of the balance in the net assets available for benefits per the financial statements as of December 31 to the Form 5500:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements, accrual basis	\$ 10,678,982	\$ 9,353,161
Employer profit sharing contribution receivable - end of year	(249,600)	0
Employer matching contributions receivable - end of year	(8,121)	(6,250)
Employee contributions receivable - end of year	<u>(21,040)</u>	<u>(17,505)</u>
Net assets available for benefits per Schedule H of Form 5500, cash basis	<u>\$ 10,400,221</u>	<u>\$ 9,329,406</u>

The following is a reconciliation of the net increase in assets available for benefits per the financial statements for the year ended December 31, 2021, to the Form 5500:

Net increase in assets available for benefits per financial statements	\$ 1,325,821
Employer profit sharing contribution receivable - end of year	(249,600)
Employer matching contributions receivable - end of year	(8,121)
Employer contributions - 2020 matching contributions deposited in 2021	6,250
Employee contributions - 2020 employee elective deferrals deposited in 2021	17,505
Employee contributions receivable - end of year	<u>(21,040)</u>
