# Independent Auditor's Report

To the Plan Administrator of the
Law Bulletin Media Employees Profit Sharing Plan & Trust
Chicago, Illinois

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of the Law Bulletin Media Employees Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of October 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended October 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Law Bulletin Media Employees Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Law Bulletin Media Employees Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Law Bulletin Media Employees Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Law Bulletin Media Employees Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**2021 Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of October 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter – Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the statement of net assets available for benefits of the Plan as of October 31, 2020. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated July 22, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

A. PLAN DESCRIPTION

The following description of the Law Bulletin Media (the "Company" or "Plan Sponsor") Employees Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

***General*** **-** The Plan, established November 1, 1961, is a defined contribution plan with an Internal Revenue Service ("IRS") Code Section 401(k) arrangement which allows Plan participants to elect to contribute a portion of their salaries to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

***Eligibility*** **-** Employees are eligible to participate immediately upon date of hire. Eligibility with respect to discretionary employer matching and profit sharing contributions require employment on the last day of the Plan year and completion of one year of service as defined by the Plan document.

***Contributions*** **-** Participants may voluntarily contribute up to 100% of their compensation on a pre-tax or post-tax ("Roth") deferral basis. The Plan has an automatic enroll provision at a rate of 3% with an automatic annual increase of 1% up to a maximum rate of 10%. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. The Company, however, may be required to limit contributions of certain participants to comply with certain IRS limitations.

The Company may make profit sharing contributions or matching contributions based on the amount of participants' salary deferral contributions. The profit sharing and matching percentage is discretionary. There was no profit sharing or matching contribution for the year ended October 31, 2021.

The Plan permits rollover contributions from other qualified retirement plans. The Plan also allows for In-Plan Roth Rollover Contributions.

***Participant Accounts*** **-** Each participant's account is credited with the participant's contributions, employer contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account.

Participants may direct their contributions to any or all of the investment options provided. Participants may change their allocation of contributions or transfer money between investment options any time during the year.

***Vesting*** - Participants are 100% vested in their contributions and investment earnings thereon. Employer contributions are vested on a graded schedule based on years of continuous service. A participant is 100% vested after six years of credited service.

***Payment of Benefits*** -The Plan provides for in-service, hardship, retirement, disability and death benefits, as well as benefits upon termination of employment. Upon termination of service, the participant determines whether the distribution will be made in one lump sum or in installments. In the event the distribution is made in installments, the undistributed portion of the participant's account will continue to participate in the earnings of the Plan. The Plan Administrator may automatically make a lump-sum distribution for account balances less than $5,000. Participants terminated are entitled to receive their benefits as soon as administratively feasible. Distributions of a participant's 401(k) account balance may be authorized at any time by the Plan administrator under certain hardship conditions.

***Forfeitures*** - Unvested amounts forfeited by terminated employees may be used to pay Plan expenses or used to reduce employer match contributions. For the Plan year ended October 31, 2021, forfeitures of $61 were used to pay Plan expenses. The balance in the forfeiture account as of October 31, 2021 and 2020 was $10,630 and $8,874, respectively.

## B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Accounting*** **-** The financial statements of the Plan are prepared on the accrual basis of accounting.

***Use of Estimates*** **-** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition*** - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies using information provided by the investment advisors, trustees, and insurance company. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Payment of Benefits*** - Benefits are recorded when paid.

***Administrative Expenses*** - Administrative expenses of the Plan, Plan recordkeeping and trustee fees, may be charged directly to the assets of the Plan's trust unless the Company, at its discretion, pays such expenses. Investment related expenses are included in net appreciation in fair value of investments.

## C. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected to restrict the scope of the auditor's examination with regard to statements or information prepared and certified by Fidelity Management Trust Company, the trustee of the Plan.

Fidelity has certified as to the completeness and accuracy of the investments it holds and changes in net assets arising from said investment activity as of October 31, 2021 and 2020, and for the year ended October 31, 2021.

Fidelity has certified as to the completeness and accuracy of the schedule of assets (held at end of year) for the year ended October 31, 2021.

D. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The levels of the fair value hierarchy under FASB guidance in these financial statements are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

***Mutual Funds*** - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Common Collective Trusts ("CCT")*** – Valued at the NAV of units of a collective investment trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result

in a different fair value measurement at the reporting date.
The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of October 31:

| | Assets at fair value as of October 31, 2021 | |
|---|---|---|
| | Level 1 | Total |
| Mutual funds | $ 17,823,047 | $ 17,823,047 |
| Total assets in the fair value hierarchy | 17,823,047 | 17,823,047 |
| Investments measured at net asset value | - | 1,022,695 |
| Investments at fair value | $ 17,823,047 | $ 18,845,742 |

The following table summarizes investments measured at fair value based on NAV per share as of October 31, 2021:

| Investment | Fair Value | Unfunded Commitment | Redemption Frequency | Redemption Notice Period |
|---|---|---|---|---|
| Common collective trusts | $ 1,022,695 | $ - | Daily | Up to 12 Months |

The following table summarizes investments measured at fair value based on NAV per share as of October 31, 2020:

| Investment | Fair Value | Unfunded Commitment | Redemption Frequency | Redemption Notice Period |
|---|---|---|---|---|
| Common collective trusts | $ 763,098 | $ - | Daily | Up to 12 Months |

E. PARTY-IN-INTEREST TRANSACTIONS

Fidelity provides certain administrative services to the Plan pursuant to a Service Agreement ("SA") between the Company and Fidelity. Fidelity receives revenue from certain mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan. If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the SA, Fidelity remits the excess to the Plan's trust. During 2021, there were no excess amounts. The Plan or Plan Sponsor may make a payment to Fidelity for administrative expenses not covered by revenue sharing.

F. PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination of the Plan, the rights of all the participants to benefits accrued through the date of such termination or discontinuance are non-forfeitable, and their accounts shall become 100% vested at that date.

G. FEDERAL INCOME TAX STATUS

The Company has chosen not to obtain a determination letter on its Plan agreement as it is using Fidelity's prototype document which received IRS approval on April 30, 2014. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC") and has no income subject to unrelated business income tax. Therefore, the Plan Administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks.

The COVID-19 pandemic has significantly disrupted financial markets, economies and other events. As noted above, investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

I. PLAN AMENDMENTS

The Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Participants are permitted to repay the distribution as a rollover contribution in future years.

J. SUBSEQUENT EVENTS

***Subsequent Events*** **-** The Plan has evaluated subsequent events through July 12, 2022, the date that the Plan's annual financial statements were available to be issued.

Effective November 1, 2021, the Plan was amended to include employer HSA contributions in the definition of eligible compensation.
