Independent Auditor's Report

Board of Trustees
Herzing University, LTD Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Herzing University, LTD Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the Planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i—Schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 2, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Herzing University, LTD Savings Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of Herzing University, LTD Savings Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the provisions of the Plan.

General: The Plan is a defined contribution plan covering employees of Herzing University (the University) who have reached the age of 21 and have completed 60 days of service. The Plan is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA). The University's Audit, Risk, and Compliance Committee is responsible for oversight of the Plan. The University also has a 401(k) Committee that periodically reviews the Plan's performance, investments, service providers and other plan matters.

Contributions: Participants may elect to make before tax contributions to the Plan up to the maximum allowed by the Internal Revenue Service (IRS). Participants are subject to an automatic deferral amount which will require 5% of compensation to be withheld unless the participant elects a contrary election. Notwithstanding any of the foregoing, a participant may elect to defer 0%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The University contributes matching contributions which are determined at the discretion of the Board of Trustees of the University. Matching contributions to the Plan for the years ended December 31, 2021 and 2020, were 50% of the first 8% of base compensation that a participant contributed to the Plan. Additional discretionary contributions may be contributed at the option of the University's Board of Trustees. There were no such additional discretionary contributions made in 2021 or 2020. Contributions are subject to IRS limitations.

Investing options: Upon enrollment in the Plan, participants may direct the investment of their account balances in 1% increments into various investment options offered by the Plan. Participants may change their investment options daily.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the University's contributions and (b) Plan net earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account. Participants are allowed one outstanding note at any point in time. The interest rate is commensurate with a commercially reasonable rate of return, which the Plan's Trustee or its affiliate has determined to be the prime rate plus 1%. Note terms shall not exceed five years, except for the purchase of a primary residence, in which case such period shall not exceed 10 years. Principal and interest is paid ratably through payroll deductions; however, effective in September principal and interest is paid directly to Fidelity Management Trust Company.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. The University matching and discretionary contributions plus actual earnings thereon becomes 25% vested after the first year of service and such vesting is increased ratably to 100% after 4 years of credited service.

Herzing University, LTD Savings Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Payment of benefits: Benefits under the Plan are paid upon normal retirement age, termination, death or disability. A terminated participant with an account balance of \$5,000 or less will receive a lump sum distribution. If the account balance is greater than \$5,000, the terminated participant may elect to defer distribution of their account until normal retirement age or receive payment as soon as feasible. A participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum, installment payments or a direct transfer to another qualified retirement plan.

Forfeited accounts: At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$56,832 and \$61,444, respectively. Forfeited accounts are first used to reduce University contributions; second, used to offset plan expenses; and third, allocated to participants. In 2021, \$60,804 of forfeited non-vested amounts were used to offset 2021 University matching contributions to the Plan, \$18,874 were used to offset 2020 true-up matching contributions, and \$168 were used to offset plan expenses. In 2020, \$101,764 of forfeited non-vested amounts were used to offset 2020 University matching contributions to the Plan, \$22,014 were used to offset 2019 true-up matching contributions, and \$439 were used to offset plan expenses.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles of the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accounted for on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are valued at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of benefits: Benefits paid to participants are recorded when paid.

Administrative expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the University. Expenses that are paid by the University are excluded from these financial statements. Certain expenses directly attributable to a participant's transactions are deducted from the participant's account.

Subsequent events: The Plan's management has evaluated subsequent events through August 3, 2022, the date the financial statements were available to be issued.

Note 3. Information Certified or Provided by Fidelity Management Trust Company, the Plan Trustee

The following is a summary of the Plan asset information as of December 31, 2021 and 2020, and for the years then ended, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and the supplemental schedule related to the following assets:

	2021	2020
Investments, at fair value:		
Shares of registered investment companies	\$ 46,331,685	\$ 39,134,380
Collective investment trusts	873,596	672,448
Notes receivable from participants	966,127	874,931

Fidelity Management Trust Company also certified to the completeness and accuracy of \$1,075,888 of net depreciation in fair value of investments, \$6,168,290 of interest and dividends and \$45,860 of interest income on notes receivable from participants related to the aforementioned Plan assets for the year ended December 31, 2021, and \$3,981,434 of net appreciation in fair value of investments, \$1,147,720 of interest and dividends and \$49,746 of interest income on notes receivable from participants related to the aforementioned Plan assets for the year ended December 31, 2020.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Herzing University, LTD Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Shares of registered investment companies: Shares of registered investment companies are valued at the daily closing price as reported by the fund. The funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Collective investment trusts are valued based on the NAV of units of the collective investment trusts. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Cash, interest bearing: The carrying amount approximates fair value because of the short maturity of the instrument.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Description	2021			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 46,331,685	\$ -	\$ -	\$ 46,331,685
Cash, interest bearing	3,315	-	-	3,315
Investments measured at NAV ^(a)				873,596
Investments at fair value				<u>\$ 47,208,596</u>

Description	2020			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 39,134,380	\$ -	\$ -	\$ 39,134,380
Cash, interest bearing	3,312	-	-	3,312
Investments measured at NAV ^(a)				672,448
Investments at fair value				<u>\$ 39,810,140</u>

(a) In accordance with Subtopic ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Herzing University, LTD Savings Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

Changes in fair value levels: To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no transfers in or out of Level 3.

Investments measured using the net asset value per share practical expedient: The following tables disclose the fair value and redemption frequency for those assets whose fair value is estimated using NAV per share as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

Investment	2021 Fair Value			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts:				
Fidelity Managed Income Portfolio 2	\$ 873,596	\$ -	Immediate	12 month
Total	<u>\$ 873,596</u>	<u>\$ -</u>		

Investment	2020 Fair Value			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Collective investment trusts:				
Fidelity Managed Income Portfolio 2	\$ 672,448	-	Immediate	12 month
Total	<u>\$ 672,448</u>	<u>\$ -</u>		

Note 5. Plan Termination

Although it has not expressed any intention to do so, the University has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant would become 100% vested in their accounts.

Note 6. Related-Party and Party-In-Interest Transactions

Fidelity Management Trust Company is the trustee of the Plan and has provided administrative services that qualify as party-in-interest transactions. The fees for these services paid by the Plan to the trustee were \$161,562 and \$144,752 for the years ended December 31, 2021 and 2020, respectively.

Certain accounting and administrative functions are performed by officers or employees of the University. No such officer or employee receives compensation from the Plan. In addition, the University pays outside administrative expenses of the Plan.

Note 7. Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Herzing University, LTD Savings Plan

Notes to Financial Statements

Note 8. Income Tax Status

Effective November 1, 2018, the Plan has adopted a volume submitter plan sponsored by Fidelity Management & Research Co. The volume submitter plan has received an advisory letter from the IRS as to the volume submitter plan's qualified tax status. The volume submitter plan advisory letter has been relied upon by this Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to the Form 5500:
